

EVAXION

Evaxion Biotech Announces Pricing of \$15 Million Public Offering

February 1, 2024

COPENHAGEN, Denmark, Feb. 01, 2024 (GLOBE NEWSWIRE) -- Evaxion Biotech A/S (NASDAQ: EVAX) ("Evaxion" or the "Company"), a clinical-stage TechBio company specializing in developing AI-Immunology™ powered vaccines, today announced the pricing of a public offering of an aggregate of 3,750,000 of its American Depositary Shares ("ADSs") (or pre-funded warrants in lieu thereof) and warrants to purchase up to 3,750,000 ADSs at a combined public offering price of \$4.00 per ADS (or pre-funded warrant in lieu thereof) and accompanying warrant. MSD Global Health Innovation Fund (MSD GHI), a corporate venture capital arm of Merck & Co., Inc., Rahway, NJ, USA, who became an Evaxion shareholder in December 2023, is also participating in this offering. The warrants will have an exercise price of \$4.00 per ADS, will be exercisable immediately upon issuance and will expire five years following the date of issuance. Each ADS represents ten ordinary shares of the Company. The closing of the offering is expected to occur on or about February 5, 2024, subject to the satisfaction of customary closing conditions.

H.C. Wainwright & Co. is acting as the exclusive placement agent for the offering.

The gross proceeds to the Company from the offering are expected to be \$15 million, before deducting the placement agent's fees and other offering expenses payable by the Company. The Company intends to use the net proceeds of this offering to advance the Company's preclinical and clinical pipeline, and for continuing operating expenses and working capital.

The securities described above are being offered pursuant to a registration statement on Form F-1 (File No. 333-276505), which was declared effective by the Securities and Exchange Commission, or the SEC, on February 1, 2024. The offering is made only by means of a prospectus forming a part of the effective registration statement relating to the offering. A preliminary prospectus relating to the offering has been filed with the SEC and a final prospectus relating to the offering will be filed with the SEC. Electronic copies of the final prospectus, when available, may be obtained on the SEC's website located at <http://www.sec.gov> and may also be obtained by contacting H.C. Wainwright & Co., LLC at 430 Park Avenue, 3rd Floor, New York, NY 10022, by phone at (212) 856-5711 or e-mail at placements@hcwco.com.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy any of the securities described herein, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or other jurisdiction.

About Evaxion

Evaxion Biotech A/S is a pioneering TechBio company based upon its AI platform, AI-Immunology™. Evaxion's proprietary and scalable AI prediction models harness the power of artificial intelligence to decode the human immune system and develop novel immunotherapies for cancer, bacterial diseases, and viral infections. Based upon AI-Immunology™, Evaxion has developed a clinical-stage oncology pipeline of novel personalized vaccines and a preclinical infectious disease pipeline in bacterial and viral diseases with high unmet medical needs. Evaxion is committed to transforming patients' lives by providing innovative and targeted treatment options. Forward Looking Statements

This announcement contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The words "target," "believe," "expect," "hope," "aim," "intend," "may," "might," "anticipate," "contemplate," "continue," "estimate," "plan," "potential," "predict," "project," "will," "can have," "likely," "should," "would," "could," and other words and terms of similar meaning identify forward-looking statements. Actual results may differ materially from those indicated by such forward-looking statements as a result of various factors, including, but not limited to, risks related to: statements regarding the consummation of the offering, the satisfaction of the closing conditions of the offering and the use of net proceeds therefrom; our financial condition and need for additional capital; our development work; cost and success of our product development activities and preclinical and clinical trials; commercializing any approved pharmaceutical product developed using our AI platform technology, including the rate and degree of market acceptance of our product candidates; our dependence on third parties including for conduct of clinical testing and product manufacture; our inability to enter into partnerships; government regulation; protection of our intellectual property rights; employee matters and managing growth; our ADSs and ordinary shares, the impact of international economic, political, legal, compliance, social and business factors, including inflation, and the effects on our business from the worldwide ongoing COVID-19 pandemic and the ongoing conflict in the region surrounding Ukraine and Russia and the Middle East; market and other conditions and other uncertainties affecting our business operations and financial condition. For a further discussion of these risks, please refer to the risk factors included in our most recent Annual Report on Form 20-F and other filings with the U.S. Securities and Exchange Commission (SEC), which are available at www.sec.gov. We do not assume any obligation to update any forward-looking statements except as required by law.
