(B) The Company wishes to incentivise the Warrantee by granting certain warrants to the Warrantee.

NOW IT IS HEREBY AGREED AS FOLLOWS:

1 Baggrund og omfang

1.1 Formålet med denne Aftale er at tildele Warrantindehaveren warrants i Selskabet for at sikre, at Selskabet og Warrantindehaveren har fælles interesser, og at begge Parter medvirker til at skabe den bedst mulige værdiudvikling i Selskabet.

1.2 Selskabets vedtægter er vedlagt denne Aftale som bilag__1.2. Warrantindehaveren accepterer hermed alle fremtidige ændringer i Selskabets vedtægter.

2 Tildeling af warrants

2.1 I henhold til betingelserne i denne Aftale udsteder Selskabet hermed, og Warrantindehaveren modtager [●] warrants i Selskabet til Warrantindehaveren ("Warrants").

2.2 Hver Warrant giver Warrantindehaveren ret, men ikke pligt, til at tegne én kapitalandel à nominelt kr. 1 i Selskabet.

2.3 Warrants tildeles vederlagsfrit.

2.4 Warrants giver ikke Warrantindehaveren kapitalejerrettigheder, som f.eks. fondskapitalandele, eller fortegningsret i tilfælde af en kapitalforhøjelse i Selskabet.

2.5 Selskabet er forpligtet til at føre en fortegnelse over udstedte Warrants, som skal opbevares sammen med Selskabets ejerbog.

3 Tegningspris

3.1 Hver Warrant giver Warrantindehaveren ret til at tegne én kapitalandel à nominelt kr. 1 i Selskabet til en pris af kr. 1 ("Tegningsprisen").

1 Background and Scope

The purpose of this Agreement is to grant the Warrantee warrants in the Company in order to ensure that the Company and the Warrantee have aligned interests and that both Parties are working to ensure that the value of the Company develops in the best possible way.

The Company's articles of association are attached hereto as Exhibit 1.2. The Warrantee hereby accepts all future changes to the Company's articles of association.

2 Grant of Warrants

Subject to the terms and conditions set out in this Agreement, the Company hereby issues and the Warrantee receives [●] warrants in the Company to the Warrantee (the "Warrants").

Each Warrant shall provide the Warrantee with a right, but not an obligation, to subscribe for one share with a nominal value of DKK 1 in the Company.

The Warrants are granted free of charge.

The Warrants shall not entitle the Warrantee to any shareholder rights such as bonus shares or pre-emption rights in the event of a capital increase of the Company.

The Company undertakes to keep and maintain a register of issued Warrants to be kept in connection with the Company's share register.

3 Subscription Price

Each Warrant gives the Warrantee the right to subscribe for one share with a nominal value of DKK 1 in the Company at a price of DKK 1 (the "Subscription Price").

4 Udnyttelse af Warrants

- 4.1 Warrantindehaveren kan udnytte alle eller en del af Warrants (i) i forbindelse med en Exit (se punkt 4.2) eller (ii) på et tidspunkt, der fastsættes af Bestyrelsen (et "Vindue")
- 4.2 "Exit" betyder (a) en ændring i ejerforholdene i Selskabet, hvorved en uafhængig tredjemand erhverver 50 % eller mere af selskabskapitalen i Selskabet eller kommer til at kontrollere mere end 50 % af stemmerne i Selskabet; (b) en børsnotering af Selskabets aktier; (c) salg eller overdragelse af samtlige eller en væsentlig del af Selskabet aktiver; (d) en fusion med Selskabet som det ophørende selskab; eller (e) en kombination af (a) - (d).
- 4.3 I tilfælde af en Exit skal Selskabet udstede en skriftlig meddelelse herom ("Meddelelse om Exit") til Warrantindehaveren. Meddelelsen om Exit skal indeholde relevante oplysninger om fremgangsmåden, bilagt en formular til meddelelse om udnyttelse ("Udnyttelsesmeddelelsen") samt eventuelt en yderligere forpligtelseserklæring, som Selskabet efter eget skøn måtte forlange (f.eks. tiltrædelsesdokument til en aftale om køb og salg af anparter eller lignende forpligtelser til overdragelse af anparter, der er tegnet ved udnyttelse af Warrants), og som skal underskrives af Warrantindehaveren ("Yderligere Forpligtelseserklæring").
- 4.4 Meddelelse om udnyttelse af Warrants finder sted, ved at Warrantindehaveren fremsender "Udnyttelsesmeddelelsen" til Selskabet med oplysning om det ønskede antal kapitalandele samt en eventuel Yderligere Forpligtelseserklæring. Samtidig med fremsendelsen af Udnyttelsesmeddelelsen og eventuelt Yderligere Forpligtelseserklæring skal Warrantindehaveren betale et kontant beløb til Selskabet svarende til det relevante tegningsbeløb.

4 Exercise of Warrants

- The Warrantee may exercise all or part of the Warrants (i) in connection with an Exit (see Clause 4.2) or (ii) at any time determined by the Board (a "Window").
- An "Exit" shall mean (a) a change of control in the Company whereby any independent third party acquires 50% or more of the share capital in the Company or comes to control more than 50% of the votes in the Company; (b) an initial public offering of the Company's shares ("IPO"); (c) the sale or disposition of all or a material part of the Company's assets; (d) a merger whereby the Company is the discontinuing entity; or (e) a combination of (a) - (d) above.
- In the event of an Exit, the Company shall issue a written notice of Exit ("Exit Notice") to the Warrantee. The Exit Notice shall include relevant information on the process and be accompanied by a form of exercise notice (the "Exercise Notice") together with any supplementary undertakings as may be required by the Company at its discretion (for instance adherence documentation to a share sale and purchase agreement or similar undertakings to transfer the shares subscribed for by exercise of the Warrants) to be signed by the Warrantee (the "Supplementary Undertakings").
- Notification of exercise of the Warrants takes place by the Warrantee's submission to the Company of the Exercise Notice stating the number of shares requested together with any Supplementary Undertakings. At the same time of submitting the Exercise Notice and any Supplementary Undertakings, the Warrantee shall pay in cash to the Company an amount equal to the relevant subscription amount.

- 4.5 Medmindre Selskabet bestemmer andet, vil samtlige Warrants automatisk bortfalde uden yderligere varsel og uden kompensation, hvis en Udnyttelsesmeddelelse og en eventuel Yderligere Forpligtelseserklæring samt betaling af det relevante tegningsbeløb ikke er fremsendt senest to uger efter datoen for Meddelelsen om Exit. Unless otherwise decided by the Company, if an Exercise Notice and any Supplementary Undertakings together with payment of the relevant subscription amount is not submitted no later than two (2) weeks from the date of the Exit Notice, all Warrants shall automatically and without further notice or compensation lapse and become null and void.
- 4.6 Warrants, der ikke udnyttes i forbindelse med en Exit, vil automatisk bortfalde uden kompensation efter gennemførelsen af den relevante begivenhed. Any Warrants that are not exercised in connection with an Exit shall automatically become void without compensation, following the completion of the relevant event.
- 4.7 Såfremt der efter Meddelelsen om Exit ikke sker en endelig gennemførelse af Exit, beholder Warrantindehaveren sine Warrants i henhold til vilkårene i denne Aftale. Hvis Warrantindehaveren har tegnet kapitalandele i Selskabet gennem udnyttelse af Warrants, og disse nye kapitalandele er blevet registreret i Erhvervsstyrelsen, beholder Warrantindehaveren de tegnede kapitalandele, uanset at den bebudede Exit ikke er endeligt gennemført, og de udnyttede Warrants skal ikke tilbageføres. Både Selskabet og Warrantindehaveren har dog ret til efter eget skøn at forlange, at Selskabet tilbagekøber de erhvervede kapitalandele til Tegningsprisen. In the event that an Exit is not finally completed following an Exit Notice, the Warrantee's right to the Warrants as set out in the Agreement shall be retained. In the event that shares have been subscribed for in the Company by exercise of Warrants and such new shares have been registered with the Danish Business Authority, the shares subscribed for shall be retained notwithstanding a notified Exit is not finally completed and the exercised Warrants shall not be reversed; however, both the Company and the Warrantee may on a discretionary basis request that the Company shall repurchase the shares acquired at the Subscription Price.
- 4.8 Såfremt der oprettes et Vindue, skal punkt 4.3 - 4.5 samtidig være gældende. In case a Window is established, Clauses 4.3 - 4.5 shall apply simultaneously.
- 4.9 Warrants, der ikke udnyttes i forbindelse med et Vindue, bortfalder automatisk uden kompensation. Any Warrants that are not exercised in connection with a Window shall automatically become void without compensation.
- 4.9.1 Såfremt et Vindue ikke er blevet oprettet senest den 31. december 2036, bortfalder Warrants automatisk uden yderligere varsel og uden kompensation. In the event an Exit or a Window has not occurred on or before December 31, 2036, the Warrants shall automatically and without further notice or compensation lapse and become null and void.
- 4.10 I forbindelse med en notering af ADS'er på Nasdaq, USA, har Selskabets bestyrelse i henhold til pkt. 4.1 truffet beslutning om at fastsætte udnyttelsesvinduerne for udstedte warrants således: In connection with a listing of ADSs on Nasdaq, USA, the board of directors has resolved, pursuant to clause 4.1, to determine the exercise windows for issued warrants as follows:
-

Optjente warrants kan udnyttes i fire årlige udnyttelsesvinduer på 2 uger, som hver ligger to handelsdage efter offentliggørelsen af henholdsvis Selskabets årsrapport, halvårsregnskabet samt kvartalsmeddelelserne. Første udnyttelsesperiode indtræder dog tidligst 180 dage efter Selskabets notering af ADS'er på Nasdaq, USA, og i de første fire udnyttelsesperioder kan warrantindehaveren maksimalt udnytte 25% af de til warrantindehaveren tildelte warrants, forudsat altid at warrants er optjent.

Vested warrants may be exercised in four annual exercise windows of two weeks each that each commence two trading days following publication of the Company's annual report, the 6-month report and the interim reports. The first exercise window shall, however, be at least 180 days following the listing by the Company of ADSs on Nasdaq, USA and in the first four exercise periods the warrant holder may exercise a maximum of 25% of the warrants granted to the respective warrant holders, provided always that the warrants have vested.

5 Visse betingelser i relation til Exit

- 5.1 Efter udnyttelse af Warrants i forbindelse med en børsnotering skal Warrantindehaveren underskrive og tiltræde de aftaler eller forpligtelser, herunder i relation til en lock-up periode eller andre lock-up forpligtelser, som den udstedende bank måtte anmode om i forbindelse med en børsnotering.
- 5.2 Selskabet kan kræve, og Warrantindehaveren skal i så fald acceptere, at samtlige eller en del af Warrants ombyttes ligeligt til kapitalandele, warrants, konvertible værdipapirer eller et andet kapitalandelsbaseret instrument udstedt af en køber eller af en efterfølger af Selskabet eller af et af disses moderselskab eller datterselskab, eller til kapitalandele, warrants, konvertible værdipapirer eller andet kapitalandelsbaseret instrument udstedt af Selskabet efter omstrukturering, således at den pågældende Warrantindehaveres Warrants umiddelbart efter en sådan ombytning sammen med betaling af en eventuel kontant godtgørelse til Warrantindehaveren i alt væsentlig har samme værdi som Warrants, herunder de Warrants ejet af Warrantindehaveren umiddelbart før en sådan ombytning. Uanset ovenstående er Warrantindehaveren berettiget til en delvis kontant udbetaling i det omfang, dette er nødvendigt, for at Warrantindehaveren er i stand til at betale eventuel indkomst- eller kapitalgevinst skat, der umiddelbart forfalder som følge af en sådan ombytning af værdipapirer.

5 Certain Conditions relating to an Exit

Following exercise of Warrants in connection with an IPO, the Warrantee shall sign and accept such agreements or undertakings, including in respect of a period of lock-up and other lock-up obligations, which may be proposed by the issuing bank in connection with an IPO.

The Company may request, and the Warrantee shall then accept, that all or a portion of the Warrants shall be equitably exchanged for shares, warrants, convertibles or any other equity based instrument, issued by any purchaser of or successor to the Company, or by a parent or subsidiary of either of them, or shares, warrants, convertibles or any other equity based instrument issued by the Company as restructured, such that such Warrantee's Warrants immediately following such exchange, when aggregated with any cash consideration paid to such Warrantee, shall have substantially the same value as the Warrants, including any Warrants held by such Warrantee immediately prior to such exchange. Notwithstanding any of the foregoing, the Warrantee shall be entitled to partial consideration in cash to the extent necessary in order for the Warrantee to be able to pay any personal income or capital gains tax immediately falling due as a result of such exchange of securities.

- 5.3 Forud for en Exit er Selskabet (eller en tredjemand, der er udpeget af Selskabet) berettiget til at købe Warrants fra Warrantindehaveren til en pris, der fastsættes i overensstemmelse med punkt 5.5 nedenfor. Prior to an Exit, the Company (or a third party appointed by the Company) shall have a right to purchase the Warrants from the Warrantee for a price determined in accordance with Clause 5.5 below.
- 5.4 Hvis Selskabet ønsker at udnytte en af sine rettigheder i henhold til denne Aftale, skal der gives skriftlig meddelelse herom per email til Warrantindehaveren. En meddelelse betragtes som værende kommet Warrantindehaveren i hænde, og Selskabets rettighed derved udøvet, på tidspunktet for emailens afsendelse, forudsat at meddelelsen er stilet til den emailadresse, som Warrantindehaveren til enhver tid har oplyst Selskabet om. Udnyttelse af en rettighed i henhold til punkt 5.3 ovenfor er altid betinget af, at Exit faktisk er blevet gennemført. If the Company wishes to exercise any of its rights under this Agreement, a written notice to that effect shall be sent by email to the Warrantee. A notice shall be deemed to have reached a Warrantee, and hence the right of the Company shall be deemed to have been exercised, at the time of the dispatch of the email, provided the notice has been addressed to the email address of the Warrantee which the Warrantee has informed the Company at any time. The exercise of rights pursuant to Clause 5.3 above is always subject to the condition that the Exit is actually completed.
- 5.5 *Købspris i forbindelse med Exit* *Purchase Price in connection with an Exit*
- 5.5.1 Ved køb af Warrantindehaverens Warrants i henhold til punkt 5.3 skal værdien af Warrants være baseret på den rimelige markedsværdi som anført nedenfor. When the Warrantee's Warrants are purchased in accordance with Clause 5.3, the Warrants shall be based on the fair market value as set out below.
- 5.5.2 Den rimelige markedsværdi af Warrants beregnes af Selskabet på grundlag af den nettopris per kapitalandel i Selskabet, som sælgende kapitalejere vil modtage ved en Exit med fradrag af et forholdsmæssigt beløb for vederlag til rådgivere m.v. Ved beregningen af den rimelige markedsværdi af Warrants skal Selskabet fratække et beløb, som Selskabet anser som passende i betragtning af de sælgende kapitalejeres eventuelle forpligtelser i henhold til Exit. The fair market value of the Warrants shall be calculated by the Company based on the net price per share of the Company to be received by the selling shareholders in an Exit deducted the proportionate amount of any fees to advisors etc. When calculating the fair market value of the Warrants, the Company shall deduct from the fair market value an amount which the Company deems appropriate when considering the selling shareholders' potential liabilities pursuant to the Exit.
-

5.5.3 Når Warrants købes i forbindelse med en Exit som følge af salg eller overdragelse af samtlige eller en væsentlig del af Selskabets aktiver, er værdien af Warrants den rimelige markedsværdi på tidspunktet efter salget. I tilfælde af en sådan Exit skal der ved beregningen af den rimelige markedsværdi for Warrants tages højde for den købspris, Selskabet har modtaget for de solgte aktiver, med fradrag af gæld, der ikke er overdraget sammen med aktiverne, samt en forholdsmæssig andel af omkostninger, honorarer m.v. i forbindelse med transaktionen.

When the Warrants are purchased in connection with an Exit based on the sale or disposition of all or a material part of the Company's assets, the value of the Warrants shall be the fair market value at the time after such sale. In case of such Exit, the fair market value of the Warrants shall take into account the purchase price received by the Company for the assets sold, net of any debts not transferred together with the assets as well as a proportionate part of any cost, fees etc. related to the transaction.

5.5.4 Købsprisen for Warrants fastlagt i henhold til punkt 5.5.2 - 5.5.3 ovenfor skal betales 15 dage efter, at de sælgende kapitalejere i Selskabet har modtaget betaling for deres kapitalandele, og i tilfælde af køb i forbindelse med et salg af aktiver, når Selskabet har modtaget betaling for de solgte aktiver.

The purchase price for the Warrants determined in accordance with Clauses 5.5.2 - 5.5.3 above, as applicable, shall be paid 15 days after the selling shareholders of the Company have received payment for their shares, and in case of a purchase in connection with an asset sale, when the Company has received payment for the assets sold.

6 Opsigelse af ansættelsesforholdet

6 Termination of Employment

Dette gælder ligeledes, hvis ansættelsesforholdet bringes til ophør, fordi Warrantindehaveren har nået den alder, der gælder for pensionering fra Selskabet, eller fordi Warrantindehaveren kan oppebære folkepension eller alderspension fra Selskabet.

In the event the Company terminates the Warrantee's employment with the Company for any reason other than due to the Warrantee's breach (in Danish "misligholdelse"), the Warrantee shall have the right to exercise any Warrants granted pursuant to this Agreement in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company. The same applies if the employment relationship comes to an end because the Warrantee has reached the age of retirement from the Company or is entitled to old age pension (in Danish: "folkepension") or retirement pension (in Danish: "alderspension") from the Company.

- 6.3 Hvis Selskabet opsiger Warrantindehaverens ansættelse i Selskabet begrundet i Warrantindehaverens misligholdelse eller berettiget bortviser Warrantindehaveren, bortfalder samtlige Warrants, der er tildelt i henhold til denne Aftale, men som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden. In the event that the Company terminates the Warrantee's employment with the Company due to the Warrantee's breach (in Danish "misligholdelse") or summarily dismisses the Warrantee for cause (in Danish "bortvisning"), all Warrants granted pursuant to this Agreement, but not exercised at the time of the expiration of the notice period, becomes null and void.
- 6.4 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet inden den 31. december 2019 med en hvilken som helst begrundelse, bortset fra Selskabets grove misligholdelse, bortfalder samtlige Warrants, der er tildelt i henhold til denne Aftale, men som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden. In the event that the Warrantee terminates the employment with the Company before December 31 2019 for any reason other than due the Company's material breach (in Danish: "grov misligholdelse"), all Warrants granted pursuant to this Agreement, but not exercised at the time of the expiration of the notice period, become null and void.
- 6.5 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet fra og med den 31. december 2019 med en hvilken som helst begrundelse, bortset fra Selskabets grove misligholdelse, er Warrantindehaveren berettiget til at udnytte det antal Warrants tildelt i henhold til denne Aftale, som er anført nedenfor, i overensstemmelse med vilkårene i Aftalen, som om Warrantindehaveren stadig var ansat i Selskabet: If the Warrantee terminates the employment with the Company on or after December 2019 for any reason other than due the Company's material breach (in Danish: "grov misligholdelse") the Warrantee shall have the right to exercise such number of Warrants granted pursuant to this Agreement as set out below in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company:

<i>Dato for Warrantindehaverens opsigelse/</i>	<i>% af Warrants</i>	<i>Antal Warrants</i>
Date of termination notice being served by the Warrantee	% of Warrants	No. of Warrants

7 Ændring i retsstilling eller selskabskapital

7 Change of legal status or share capital

7.1 Ændring i selskabskapital

Change of Share Capital

7.1.1 I tilfælde af ændringer i Selskabets selskabskapital, herunder men ikke begrænset til:

In case of changes in the Company's share capital including but not limited to:

- (i) forøgelse af selskabskapitalen,
- (i) udstedelse af konvertible obligationer,
- (iii) udstedelse af nye tegningsretter, eller
- (iv) nedsættelse af selskabskapitalen,

- (i) increase of the share capital,
 - (ii) issuance of convertible bonds,
 - (iii) issuance of new subscription rights, or
 - (iv) decrease of the share capital,
-

uanset om dette sker til en kurs, der er lig med markedskursen for Selskabets kapitalandele, eller til en overkurs, eller hvis ændringerne nævnt i 7.1.1 (i)-(iv) sker til favørkurs, sker der ingen regulering i Warrants.

whether at a rate that is equal to the market price of the shares of the Company or at premium rate ("overkurs"), or if the changes mentioned in Clause 7.1.1 (i)-(iv) are made at a special price ("favørkurs"), no regulation of Warrants shall occur.

7.1.2 Hvis den nominelle værdi af Selskabets kapitalandele ændres, skal antallet af Warrants (antal af kapitalandele) og/eller Udnyttelsesprisen tilpasses, således at værdien af Warrants ikke bliver påvirket af sådanne ændringer.

If the nominal value of the shares of the Company is amended, the number of Warrants (number of shares) and/or the Exercise Price shall be adjusted, so that the value of the Warrants is not affected by the said amendments.

7.1.3 Hvis selskabskapitalen nedsættes til dækning af tab, skal antallet af kapitalandele, som Warrantindehaveren kan tegne gennem udnyttelse af Warrants, reduceres (nedrundet) forholdsmæssigt til den nominelle reduktion af kapitalen sammenholdt med Selskabets totale nominelle selskabskapital før reduktionen

If the share capital is reduced in order to cover losses, the number of shares for which the Warrantee may subscribe by exercising the Warrants shall be reduced (rounded down) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

7.2 Andre ændringer

Other Changes

7.2.1 Hvis der træffes beslutning om

If a resolution is made to

(i) at likvidere eller afvikle Selskabet,

(i) liquidate or wind up the Company,

(ii) at spalte Selskabet eller

(ii) demerge the Company, or

(iii) at gennemføre en kapitalandelsombytning, der omfatter samtlige kapitalandele i Selskabet (oprettelse af et holdingselskab/apportindskud),

(iii) effect an exchange of shares which includes all shares in the Company (establishment of a holding company/non-cash contribution),

er Warrantindehaveren berettiget til at udnytte Warrants på ikrafttrædelsesdatoen for den relevante ændring, jf. dog punkt 7.2.2. Selskabets Bestyrelse skal skriftligt meddele Warrantindehaveren, hvis der træffes en af de ovennævnte beslutninger, og Warrantindehaveren kan udnytte samtlige Warrants inden for 30 dage fra datoen for meddelelsen. Samtlige Warrants, som Selskabets Bestyrelse ikke har modtaget en Udnyttelsesmeddelelse for inden udgangen af 30 dages fristen, bortfalder automatisk uden yderligere varsel eller kompensation, medmindre de erstattes i henhold til punkt 7.2.2.

7.2.2 Hvis Selskabet indgår i en fusion, spaltning eller kapitalandelsombytning, der omfatter samtlige kapitalandele i Selskabet (oprettelse af et holdingselskab/apportindsud), er Selskabet berettiget, men ikke forpligtet til at anmode om, at Warrants erstattes med retten til at tegne kapitalandele i de(t) modtagende selskab(er), forudsat at de(t) fortsættende selskab(er) er enig heri.

8 Tegning af kapitalandele

8.1 Ved udnyttelse af et hvilket som helst antal Warrants gælder følgende for tegning af nye kapitalandele:

- (i) De andre kapitalejere i Selskabet har ikke fortegningsret med hensyn til Warrants eller kapitalandele udstedt gennem udnyttelse af Warrants
- (ii) Betaling af tegningsbeløbet og tegning af kapitalandele skal finde sted samtidigt. Warrantindehaverens rettigheder som kapitalejer efter udnyttelse af samtlige Warrants eller en del heraf træder i kraft, når uigenkaldelig kontant betaling til Selskabet har fundet sted. Selskabet skal registrere Warrantindehaveren som kapitalejer i Selskabets ejerbog.

the Warrantee shall be entitled to exercise his/her Warrants on the effective date of the relevant change, see however Clause 7.2.2. The Company's Board shall give written notice to the Warrantee if one of the above resolutions is made and the Warrantee may exercise all such Warrants within 30 days from the date of such notice. If the Board has not received an Exercise Notice prior to the expiry of the 30 days' notice, the Warrants will automatically and without further notice be cancelled and become void without notice or compensation unless replaced in accordance with Clause 7.2.2.

In the event of contribution of the Company by merger, de-merger or an exchange of shares which includes all shares in the Company (establishment of a holding company/non-cash contribution) the Company shall have the right, but not the obligation, to request that the Warrants are replaced by the right to subscribe to shares in the receiving company(ies) subject to written approval by the continuing company(ies).

8 Subscription of Shares

Upon exercise of any part of the Warrants, the following will apply for the subscription of new shares:

- (i) The other shareholders of the Company have no preemption rights with respect to the Warrants or shares issued by exercise of the Warrants.
- (ii) Payment of the subscription amount and subscription of shares shall take place simultaneously. The Warrantee's rights as a shareholder following exercise of the Warrants or part thereof shall come into force when an irrevocable cash payment has been made to the Company. The Company shall register the Warrantee as a shareholder in the Company's share register.

9 Skat

- 9.1 Punkterne 9.2 - 9.4 finder anvendelse, hvis Warrantindehaveren er ansat i Selskabet:
- 9.2 Warrants er underlagt ligningslovens § 7 P.
- 9.3 Selskabet har vurderet værdien af de tildelte warrants til DKK 1074,72 pr. styk (før udstedelse af fondsaktier og aktiesplit den 4. januar 2021).

9 Tax

- Clauses 9.2 - 9.4 shall apply provided the Warrantee is an employee of the Company:
- The Warrants shall be subject to Section 7 P of the Danish Tax Assessment Act.
- The Company has assessed the value of each granted warrants at DKK 1074.72 (before issuance of bonus shares and share split on 4 January 2021).
-

- 9.4 Selskabet giver ikke Warrantindehaveren nogen garanti for, at Warrants beskattes efter ligningslovens § 7 P med eventuelle senere ændringer, herunder om kravene til anvendelse af bestemmelsen ikke er opfyldt, eller om bestemmelsen fremover er ændret eller ophævet. The Company does not make any guarantees to the Warrantee that the Warrantee will be subject to the tax treatment under Section 7 P of the Danish Tax Assessment Act, as amended from time to time, including whether the requirements for the application of the provision are not met or if the provision is altered or repealed in the future.
- 9.5 De skattemæssige konsekvenser for Warrantindehaveren i forbindelse med denne Aftale, herunder men ikke begrænset til erhvervelse og/eller tildeling af Warrants, og/eller skattemæssige konsekvenser i forbindelse med udnyttelse af Warrants, er Selskabet uvedkommende. Warrantindehaveren opfordres til at søge skattemæssig rådgivning i forbindelse med indgåelsen af denne Aftale. The tax consequences for the Warrantee arising in connection with or out of this Agreement, including but not limited to the acquisition and/or granting of the Warrants and/or the tax consequences in connection with the exercise of the Warrants, are of no concern to the Company. The Warrantee is strongly encouraged to seek tax advice in connection with entering into this Agreement.

10 Ejeraftale

- 10.1 Warrantindehaveren skal på tidspunktet for udnyttelse af Warrants tildelt i henhold til denne Aftale tiltræde og acceptere at være bundet af enhver ejerftale, der gælder for kapitalejere i Selskabet til enhver tid ved at underskrive en tiltrædelseserklæring til en sådan ejerftale. Warrantindehaveren tiltræder og accepterer, at en sådan ejerftale kan indeholde betingelser, der alene gælder for Warrantindehaveren og ikke for de andre kapitalejere i Selskabet. Således har ikke alle kapitalejere i Selskabet de samme rettigheder i henhold til ejerftalen. En sådan tiltrædelseserklæring skal underskrives senest på tidspunktet for udnyttelse af Warrants, og udnyttelsen af Warrants skal være betinget heraf.

11 Overdragelse af Warrants

- 11.1 Warrants og andre rettigheder og/eller forpligtelser af Warrantindehaveren i henhold til denne Aftale må ikke være genstand for udlæg (pant, sikkerhed eller lignende), erhverves eller på anden måde overdrages af Warrantindehaveren.
- 11.2 Uanset det anførte under punkt 11.1 kan overdragelse i tilfælde af Warrantindehaverens død finde sted til Warrantindehaverens bo og/eller hans/hendes arvinger.

10 Shareholders' Agreement

The Warrantee shall at the time of exercise of the Warrants granted hereunder endorse and agree to be bound by any Shareholders' Agreement applicable to the shareholders of the Company from time to time by signing a deed of adherence to such Shareholders' Agreement. The Warrantee acknowledges and accepts that such Shareholders' Agreement may include terms only applicable on the Warrantee and not on the other shareholders of the Company. Thus, not all shareholders of the Company may have the same rights under the Shareholders Agreement. Such deed of adherence shall be signed no later than at the time of the exercise of the Warrants and the exercise of any Warrants shall be conditional hereupon.

11 Assignment of Warrants

The Warrants and any other rights and/or obligations granted to the Warrantee under this Agreement cannot be subject to any encumbrance (as pledge, security or similar), assignment or in any other way be transferred by the Warrantee.

Notwithstanding Clause 11.1, assignment to the estate left by the Warrantee and/or to his/her heir/heirress in the event of death shall be allowed.

- 11.3 Uanset det anførte under punkt 11.1 må Warrantindehaverens kapitalandele henholdsvis Warrants, herunder kapitalandele erhvervet gennem udnyttelse af Warrants, ikke være genstand for inkassoprocedurer, fagedforretninger eller anden form for fuldbyrdelse og må heller ikke bruges som pant over for tredjepart. Warrantindehaveren har dog ved forudgående skriftlig tilladelse fra Selskabets Bestyrelse ret til at bruge kapitalandele og warrants som pant i forbindelse med finansiering af køb af sådanne kapitalandele og warrants, hvis panttager forud for pantsætningen skriftligt bekræfter at ville respektere denne Aftale.
- Notwithstanding Clause 11.1, the Warrantee's shares and Warrants (as applicable), including shares acquired by the exercise of Warrants, are not to be subjected to debt collection proceedings, creditor enforcement or any other type of enforcement, nor are they to be pledged to any third party. However, subject to prior written approval from the board of the Company the Warrantee shall be entitled to pledge shares and warrants in connection with the funding of the purchase of such shares and warrants if the pledgee prior to the pledge accepts in writing to respect this Agreement.

12 Afkald

- 12.1 Warrantindehaveren garanterer ikke at ville påberåbe sig eller på anden måde benytte sig af minoritetsbeskyttelsesreglen i henhold Selskabsloven, herunder § 73, ifølge hvilken en minoritetskapital- ejer kan fordr sine kapitalandele indløst af en kapitalejer, der ejer mere end ni tiendedele af kapitalandelene (indløsningsret).

12 Waiver

The Warrantee undertakes not to invoke or otherwise rely upon the minority protection rule available under the Danish Companies Act, including Clause 73, stipulating the right to require a shareholder holding more than nineteenthths of the shares to acquire the shares of any minority shareholder (in Danish: "indløsningsret")

13 Pantsætning af kapitalandele

- 13.1 Warrantindehaveren forpligter sig herved at pantsætte kapitalandele i Selskabet tegnet gennem udnyttelse af Warrants (herunder eventuelle stemmerettigheder) til de andre kapitalejere i Selskabet som sikkerhed for (i) opfyldelse af Warrantindehaverens forpligtelser i henhold til Aftalen og (ii) opfyldelse af Warrantindehaverens forpligtelser i henhold til ejerftale, der er gældende for Warrantindehaverens kapitalandele i Selskabet.

13 Pledge of Shares

The Warrantee hereby undertakes to pledge any shares in the Company subscribed for by exercise of any Warrants (including voting rights (if any)) to the other shareholders of the Company as security for (i) the fulfilment of the Warrantee's obligations under this Agreement and (ii) the fulfilment of the Warrantee's obligations under any Shareholders' Agreement governing the shares in the Company held by the Warrantee.

14 Fuldmagt

- 14.1 Warrantindehaveren giver hermed Selskabets Bestyrelse fuldmagt til på Warrantindehaverens vegne at iværksætte enhver foranstaltning, der måtte være nødvendig til opfyldelse af denne Aftale.

14 Power of Attorney

The Warrantee hereby grants the Board power of attorney to undertake any necessary actions on behalf of the Warrantee to ensure fulfilment of this Agreement.

15 Tavshedspligt

15.1 Parterne forpligter sig til at behandle indholdet af denne Aftale og betingelserne for Aftalen fortroligt. En Part er berettiget til at fremlægge betingelserne i denne Aftale på skriftlig opfordring fra en offentlig myndighed, som har en lovlig ret til at kræve sådanne oplysninger, eller hvis en sådan fremlæggelse udspringer af lovgivningen.

16 Lovvalg

16.1 Denne Aftale er underlagt dansk ret.

17 Tvister

17.1 Enhver tvist mellem Parterne, der måtte udspringe af Aftalen, herunder dens indgåelse eller ophør, skal først søges afgjort ved forhandling. Kan Parterne ikke nå til enighed, afgøres tvisten ved de danske domstole i København.

18 Underskrift, hele Aftalen og ændringer hertil

18.1 Denne Aftale er udfærdiget i to eksemplarer, hvoraf det ene underskrevne eksemplar forbliver hos Selskabet, mens det andet underskrevne eksemplar udleveres til Warrantindehaveren. Aftalen træder i kraft på datoen for underskrivelsen.

18.2 Alle meddelelser eller lignende i henhold til eller i forbindelse med Aftalen skal foretages skriftligt fra den ene Part til den anden.

1 BAGGRUND OG OMFANG

1 BACKGROUND AND SCOPE

The Company's articles of association are attached hereto as Exhibit 1.2. The Warrantee hereby accepts all future changes to the Company's articles of association.

2 TILDELING AF WARRANTS

2 GRANT OF WARRANTS

2.1 I henhold til betingelserne i denne Aftale udsteder Selskabet hermed, og Warrantindehaveren modtager 617.184 warrants i Selskabet til Warrantindehaveren ("Warrants"). Subject to the terms and conditions set out in this Agreement, the Company hereby issues and the Warrantee receives 617,184 warrants in the Company to the Warrantee (the "Warrants").

- 2.2 Hver Warrant giver Warrantindehaveren ret, men ikke pligt, til at tegne én kapitalandel à nominelt kr. 1 i Selskabet. Each Warrant shall provide the Warrantee with a right, but not an obligation, to subscribe for one share with a nominal value of DKK 1 in the Company.
- 2.3 Warrants tildeles vederlagsfrit. The Warrants are granted free of charge.
- 2.4 Warrants giver ikke Warrantindehaveren kapital- ejerrettigheder, som f.eks. fondskapitalandele, eller fortegningsret i tilfælde af en kapitalforhøjelse i Selskabet. The Warrants shall not entitle the Warrantee to any shareholder rights such as bonus shares or pre-emption rights in the event of a capital increase of the Company.
- 2.5 Selskabet er forpligtet til at føre en fortegnelse over udstedte Warrants, som skal opbevares sammen med Selskabets ejerbog. The Company undertakes to keep and maintain a register of issued Warrants to be kept in connection with the Company's share register.

3 TEGNINGSRET

- 3.1 Hver Warrant giver Warrantindehaveren ret til at tegne én kapitalandel à nominelt kr. 1 i Selskabet til en pris af kr. 1 ("Tegningsprisen"). Each Warrant gives the Warrantee the right to subscribe for one share with a nominal value of DKK 1 in the Company at a price of DKK 1 (the "Subscription Price").

4 UDNYTTELSE AF WARRANTS

- 4.1 Warrantindehaveren kan udnytte alle eller en del af Warrants (i) i forbindelse med en Exit (se punkt 4.2) eller (ii) på et tidspunkt, der fastsættes af Bestyrelsen (et "Vindue"). The Warrantee may exercise all or part of the Warrants (i) in connection with an Exit (see Clause 4.2) or (ii) at any time determined by the Board (a "Window").
- 4.2 "Exit" betyder (a) en ændring i ejerforholdene i Selskabet, hvorved en uafhængig tredjemand erhverver 50 % eller mere af selskabskapitalen i Selskabet eller kommer til at kontrollere mere end 50 % af stemmerne i Selskabet; (b) en børsnotering af Selskabets aktier; (c) salg eller overdragelse af samtlige eller en væsentlig del af Selskabet aktiver; (d) en fusion med Selskabet som det ophørende selskab; eller (e) en kombination af (a) - (d). An "Exit" shall mean (a) a change of control in the Company whereby any independent third party acquires 50% or more of the share capital in the Company or comes to control more than 50% of the votes in the Company; (b) an initial public offering of the Company's shares ("IPO"); (c) the sale or disposition of all or a material part of the Company's assets; (d) a merger whereby the Company is the discontinuing entity; or (e) a combination of (a) - (d) above.
-

- 4.3 I tilfælde af en Exit skal Selskabet udstede en skriftlig meddelelse herom ("Meddelelse om Exit") til Warrantindehaveren. Meddelelsen om Exit skal indeholde relevante oplysninger om fremgangsmåden, bilagt en formular til meddelelse om udnyttelse ("Udnyttelsesmeddelelsen") samt eventuelt en yderligere forpligtelseserklæring, som Selskabet efter eget skøn måtte forlange (f.eks. tiltrædelsesdokument til en aftale om køb og salg af anparter eller lignende forpligtelser til overdragelse af anparter, der er tegnet ved udnyttelse af Warrants), og som skal underskrives af Warrantindehaveren ("Yderligere Forpligtelseserklæring").
- 4.4 Meddelelse om udnyttelse af Warrants finder sted, ved at Warrantindehaveren fremsender "Udnyttelsesmeddelelsen" til Selskabet med oplysning om det ønskede antal kapitalandele samt en eventuel Yderligere Forpligtelseserklæring. Samtidig med fremsendelsen af Udnyttelsesmeddelelsen og eventuelt Yderligere Forpligtelseserklæring skal Warrantindehaveren betale et kontant beløb til Selskabet svarende til det relevante tegningsbeløb.
- 4.5 Medmindre Selskabet bestemmer andet, vil samtlige Warrants automatisk bortfalde uden yderligere varsel og uden kompensation, hvis en Udnyttelsesmeddelelse og en eventuel Yderligere Forpligtelseserklæring samt betaling af det relevante tegningsbeløb ikke er fremsendt senest to uger efter datoen for Meddelelsen om Exit.
- 4.6 Warrants, der ikke udnyttes i forbindelse med en Exit, vil automatisk bortfalde uden kompensation efter gennemførelsen af den relevante begivenhed.
- 4.7 Såfremt der efter Meddelelsen om Exit ikke sker en endelig gennemførelse af Exit, beholder Warrantindehaveren sine Warrants i henhold til vilkårene i denne Aftale. Hvis Warrantindehaveren har tegnet kapitalandele i Selskabet gennem udnyttelse af Warrants, og disse nye kapitalandele er blevet registreret i Erhvervsstyrelsen, beholder Warrantindehaveren de tegnede kapitalandele, uanset at den bebudede Exit ikke er endeligt gennemført, og de udnyttede Warrants skal ikke tilbageføres. Både Selskabet og Warrantindehaveren har dog ret til efter eget skøn at forlange, at Selskabet tilbagekøber de erhvervede kapitalandele til Tegningsprisen.
- In the event of an Exit, the Company shall issue a written notice of Exit ("Exit Notice") to the Warrantee. The Exit Notice shall include relevant information on the process and be accompanied by a form of exercise notice (the "Exercise Notice") together with any supplementary undertakings as may be required by the Company at its discretion (for instance adherence documentation to a share sale and purchase agreement or similar undertakings to transfer the shares subscribed for by exercise of the Warrants) to be signed by the Warrantee (the "Supplementary Undertakings").
- Notification of exercise of the Warrants takes place by the Warrantee's submission to the Company of the Exercise Notice stating the number of shares requested together with any Supplementary Undertakings. At the same time of submitting the Exercise Notice and any Supplementary Undertakings, the Warrantee shall pay in cash to the Company an amount equal to the relevant subscription amount.
- Unless otherwise decided by the Company, if an Exercise Notice and any Supplementary Undertakings together with payment of the relevant sub- scription amount is not submitted no later than two (2) weeks from the date of the Exit Notice, all Warrants shall automatically and without further notice or compensation lapse and become null and void.
- Any Warrants that are not exercised in connection with an Exit shall automatically become void with- out compensation, following the completion the relevant event.
- In the event that an Exit is not finally completed following an Exit Notice, the Warrantee's right to the Warrants as set out in the Agreement shall be retained. In the event that shares have been sub- scribed for in the Company by exercise of War- rants and such new shares have been registered with the Danish Business Authority, the shares subscribed for shall be retained notwithstanding a notified Exit is not finally completed and the exercised Warrants shall not be reversed, however, both the Company and the Warrantee may on a discretionary basis request that the Company shall repurchase the shares acquired at the Subscription Price.

- 4.8 Såfremt der oprettes et Vindue, skal punkt 4.3 - 4.5 samtidig være gældende. In case a Window is established Clauses 4.3-4.5 shall apply simultaneously.
- 4.9 Warrants, der ikke udnyttes i forbindelse med et Vindue, bortfalder automatisk uden kompensation. Any Warrants that are not exercised in connection with a Window shall automatically become void without compensation.
- 4.10 Såfremt et Vindue ikke er blevet oprettet senest den 31. december 2036, bortfalder Warrants automatisk uden yderligere varsel og uden kompensation. In the event an Exit or a Window has not occurred on or before 31 December 2036, the Warrants shall automatically and without further notice or compensation lapse and become null and void.
- 4.11 I forbindelse med en notering af ADS'er på Nasdaq, USA, har Selskabets bestyrelse i henhold til pkt. 4.1 truffet beslutning om at fastsætte udnyttelsesvinduerne for udstedte warrants således: In connection with a listing of ADSs on Nasdaq, USA, the board of directors has resolved, pursuant to clause 4.1, to determine the exercise windows for issued warrants as follows:

Optjente warrants kan udnyttes i fire årlige udnyttelsesvinduer på 2 uger, som hver ligger to handelsdage efter offentliggørelsen af henholdsvis Selskabets årsrapport, halvårsregnskabet samt kvartalsmeddelelserne. Første udnyttelsesperiode indtræder dog tidligst 180 dage efter Selskabets notering af ADS'er på Nasdaq, USA, og i de første fire udnyttelsesperioder kan warrantindehaveren maksimalt udnytte 25% af de til warrantindehaveren tildelte warrants forudsat altid at warrants er optjent.

Vested warrants may be exercised in four annual exercise windows of two weeks each that each commence two trading days following publication of the Company's annual report, the 6-month report and the interim reports. The first exercise window shall, however, be at least 180 days following the listing by the Company of ADSs on Nasdaq, USA and in the first four exercise periods the warrant-holder may as a maximum exercise 25% of the warrants granted to the respective warrantholders, provided always that the warrants have vested.

5 VISSE BETINGELSER I RELATION TIL EXIT

- 5.1 Efter udnyttelse af Warrants i forbindelse med en børsnotering skal Warrantindehaveren under- skrive og tiltræde de aftaler eller forpligtelser, herunder i relation til en lock-up periode eller andre lock-up forpligtelser, som den udstedende bank måtte anmode om i forbindelse med en børsnotering.
- 5.2 Selskabet kan kræve, og Warrantindehaveren skal i så fald acceptere, at samtlige eller en del af Warrants ombyttes ligeligt til kapitalandele, warrants, konvertible værdipapirer eller et andet kapitalandelsbaseret instrument udstedt af en køber eller af en efterfølger af Selskabet eller af et af disses moderselskab eller datterselskab, eller til kapitalandele, warrants, konvertible værdipapirer eller andet kapitalandelsbaseret instrument udstedt af Selskabet efter omstrukturering, således at den pågældende Warrantindehavers Warrants umiddelbart efter en sådan ombytning sammen med betaling af en eventuel kontant godtgørelse til Warrantindehaveren - i alt væsentlig har samme værdi som Warrants, herunder de Warrants ejet af Warrantindehaveren umiddelbart før en sådan ombytning. Uanset ovenstående er Warrantindehaveren berettiget til en delvis kontant udbetaling i det omfang, dette er nødvendigt, for at Warrantindehaveren er i stand til at betale eventuel indkomst- eller kapitalgevinstskat, der umiddelbart forfalder som følge af en sådan ombytning af værdipapirer.
- 5.3 Forud for en Exit er Selskabet (eller en tredje- mand, der er udpeget af Selskabet) berettiget til at købe Warrants fra Warrantindehaveren til en pris, der fastsættes i overensstemmelse med punkt 5.5 nedenfor.
- 5.4 Hvis Selskabet ønsker at udnytte en af sine rettigheder i henhold til denne Aftale, skal der gives skriftlig meddelelse herom per email til Warrantindehaveren. En meddelelse betragtes værende kommet Warrantindehaveren i hænde, og Selskabets rettighed derved udøvet, på tidspunktet for emailens afsendelse, forudsat at meddelelsen er stilet til den emailadresse, som Warrantindehaveren til enhver tid har oplyst Selskabet om. Udnyttelse af en rettighed i henhold til punkt 5.3 ovenfor er altid betinget af, at Exit faktisk er blevet gennemført.

5 CERTAIN CONDITIONS RELATING TO AN EXIT

- Following exercise of Warrants in connection with an IPO, the Warrantee shall sign and accept such agreements or undertakings including in respect of period of lock-up and other lock-up obligations which may be proposed by the issuing bank in connection with an IPO.
- The Company may request, and the Warrantee shall then accept, that all or a portion of the Warrants shall be equitably exchanged for shares, warrants, convertibles or any other equity based instrument, issued by any purchaser of or successor to the Company, or by a parent or subsidiary of either of them, or shares, warrants, convertibles or any other equity based instrument issued by the Company as restructured, such that such Warrantee's Warrants immediately following such exchange, when aggregated with any cash consideration paid to such Warrantee, shall have substantially the same value as the Warrants, including any Warrants held by such Warrantee immediately prior to such exchange. Notwithstanding any of the foregoing, the Warrantee shall be entitled to partial consideration in cash to the extent necessary in order for the Warrantee to be able to pay any personal income or capital gains tax immediately falling due as a result of such exchange of securities.
- Prior to an Exit, the Company (or a third party appointed by the Company) shall have a right to purchase the Warrants from the Warrantee for a price determined in accordance with Clause 5.5 below.
- If the Company wishes to exercise any of its rights under this Agreement, a written notice to that effect shall be sent by email to the Warrantee. A notice shall be deemed to have reached a Warrantee, and hence the right of the Company shall be deemed to have been exercised, at the time of the dispatch of the email, provided the notice has been addressed to the email address of the Warrantee which the Warrantee has informed the Company at any time. The exercise of rights pursuant to Clause 5.3 above is always subject to the condition that the Exit is actually completed.

5.5 Købspris i forbindelse med Exit

Purchase Price in connection with an Exit

- 5.5.1 Ved køb af Warrantindehaverens Warrants i henhold til punkt 5.3 skal værdien af Warrants være baseret på den rimelige markedsværdi som anført nedenfor.
- 5.5.2 Den rimelige markedsværdi af Warrants beregnes af Selskabet på grundlag af den nettopris per kapitalandel i Selskabet, som sælgende kapital- ejere vil modtage ved en Exit med fradrag af et forholdsmæssigt beløb for vederlag til rådgivere m.v. Ved beregningen af den rimelige markedsværdi af Warrants skal Selskabet fratække et beløb, som Selskabet anser som passende i betragtning af de sælgende kapitalejeres eventuelle forpligtelser i henhold til Exit.
- 5.5.3 Når Warrants købes i forbindelse med en Exit som følge af salg eller overdragelse af samtlige eller en væsentlig del af Selskabets aktiver, er værdien af Warrants den rimelige markedsværdi på tidspunktet efter salget. I tilfælde af en sådan Exit skal der ved beregningen af den rimelige markedsværdi for Warrants tages højde for den købspris, Selskabet har modtaget for de solgte aktiver, med fradrag af gæld, der ikke er overdraget sammen med aktiverne, samt en forholdsmæssig andel af omkostninger, honorarer m.v. i forbindelse med transaktionen.
- 5.5.4 Købsprisen for Warrants fastlagt i henhold til punkt 5.5.2 - 5.5.3 ovenfor skal betales 15 dage efter, at de sælgende kapitalejere i Selskabet har modtaget betaling for deres kapitalandele, og i tilfælde af køb i forbindelse med et salg af aktiver, når Selskabet har modtaget betaling for de solgte aktiver.
- When the Warrantee's Warrants are purchased in accordance with Clause 5.3, the Warrants shall be based on the fair market value as set out below.
- The fair market value of the Warrants shall be calculated by the Company based on the net price per share of the Company to be received by the selling shareholders in an Exit deducted the proportionate amount of any fees to advisors etc. When calculating the fair market value of the Warrants, the Company shall deduct from the fair market value an amount which the Company deems appropriate when considering the selling shareholders' potential liabilities pursuant to the Exit.
- When the Warrants are purchased in connection with an Exit based on the sale or disposition of all or a material part of the Company's assets, the value of the Warrants shall be the fair market value at the time after such sale. In case of such Exit, the fair market value of the Warrants shall take into account the purchase price received by the Company for the assets sold, net of any debts not transferred together with the assets as well as a proportionate part of any cost, fees etc. related to the transaction.
- The purchase price for the Warrants determined in accordance with Clauses 5.5.2 - 5.5.3 above, as applicable, shall be paid 15 days after the selling shareholders of the Company have received payment for their shares, and in case of a purchase in connection with an asset sale, when the Company has received payment for the assets sold.

6 OPSIGELSE AF ANSÆTTELSESFORHOLDET

6.1 Hvis Selskabet opsiger Warrantindehaverens ansættelse i Selskabet med en hvilken som helst begrundelse bortset fra Warrantindehaverens misligholdelse, er Warrantindehaveren berettiget til at udnytte Warrants tildelt i henhold til denne Aftale i overensstemmelse med vilkårene i Aftalen, som om Warrantindehaveren stadig var ansat i Selskabet. Dette gælder ligeledes, hvis ansættelsesforholdet bringes til ophør, fordi Warrantindehaveren har nået den alder, der gælder for pensionering fra Selskabet, eller fordi Warrantindehaveren kan oppebære folkepension eller alderspension fra Selskabet.

6.2 Hvis Selskabet opsiger Warrantindehaverens ansættelse i Selskabet begrundet i Warrantindehaverens misligholdelse eller berettiget bortviser Warrantindehaveren, bortfalder samtlige Warrants, der er tildelt i henhold til denne Aftale, men som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden.

6.3 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet med en hvilken som helst begrundelse, bortset fra Selskabets grove misligholdelse, er Warrantindehaveren berettiget til at udnytte en procentdel af Warrants, der er tildelt i henhold til denne Aftale, som anført nedenfor, i overensstemmelse med vilkårene i Aftalen, som om Warrantindehaveren stadig var ansat i Selskabet.

6.3.1 Hvis Warrantindehaveren opsiger sin ansættelse inden udløbet af 1 år efter Ansættelsesdatoen: ingen Warrants.

6.3.2 Hvis Warrantindehaveren opsiger sin ansættelse inden udløbet af 2 år efter Ansættelsesdatoen: 20% af tildelte Warrants.

6 TERMINATION OF EMPLOYMENT

In the event the Company terminates the Warrantee's employment with the Company for any reason other than due to the Warrantee's breach (in Danish "misligholdelse"), the Warrantee shall have the right to exercise any Warrants granted pursuant to this Agreement in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company. The same applies if the employment relationship comes to an end because the Warrantee has reached the age of retirement from the Company or is entitled to old age pension (in Danish: "folkepension") or retirement pension (in Danish: "alderspension") from the Company.

In the event that the Company terminates the Warrantee's employment with the Company due to the Warrantee's breach (in Danish "misligholdelse") or summarily dismisses the Warrantee for cause (in Danish "bortvisning"), all Warrants granted pursuant to this Agreement, but not exercised at the time of the expiration of the notice period, become null and void.

If the Warrantee terminates the employment with the Company for any reason other than due to the Company's material breach (in Danish: "grov misligholdelse") the Warrantee shall have the right to exercise such percentage of the Warrants granted pursuant to this Agreement as set out below in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company:

If the Warrantee serves notice of termination before the first anniversary of the Employment Date: no Warrants;

If the Warrantee serves notice of termination on the first anniversary and up to the day prior to the second anniversary of the Employment Date: twenty per cent (20 %) of the Warrants;

- 6.3.3 Hvis Warrantindehaveren opsiger sin ansættelse inden udløbet af 3 år efter Ansættelsesdatoen: 40% af tildelte Warrants. If the Warrantee serves notice of termination on the second anniversary and up to the day prior to the third anniversary of the Employment Date: forty per cent (40 %) of the Warrants;
- 6.3.4 Hvis Warrantindehaveren opsiger sin ansættelse inden udløbet af 3 år efter Ansættelsesdatoen: 60% af tildelte Warrants. If the Warrantee serves notice of termination on the third anniversary and up to the day prior to the fourth anniversary of the Employment Date: sixty per cent (60 %) of the Warrants;
- 6.3.5 Hvis Warrantindehaveren opsiger sin ansættelse inden udløbet af 4 år efter Ansættelsesdatoen: 80% af tildelte Warrants. If the Warrantee serves notice of termination on the fourth anniversary and up to the day prior to the fifth anniversary of the Employment Date: eighty per cent (80 %) of the Warrants; and
- 6.3.6 Hvis Warrantindehaveren opsiger sin ansættelse inden udløbet af 5 år efter Ansættelsesdatoen: 100% af tildelte Warrants. If the Warrantee serves notice of termination on or after the fifth anniversary of the Employment Date: one hundred per cent (100 %) of the Warrants.
- Resterende Warrants, der ikke er udnyttet ved udløbet af opsigelsesperioden, bortfalder. Remaining Warrants not exercised at the time of the expiration of the notice period, become null and void.
- 6.4 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet begrundet i Selskabets grove misligholdelse, er Warrantindehaveren berettiget til at udnytte Warrants tildelt i henhold til denne Aftale i overensstemmelse med vilkårene i Aftalen, som om Warrantindehaveren stadig var ansat i Selskabet. In the event that the Warrantee terminates the employment with the Company due to the Company's material breach (in Danish: "grov misligholdelse"), the Warrantee shall have the right to exercise any Warrants granted pursuant to this Agreement in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company.
- 6.5 I tilfælde af Warrantindehaverens død, vil Warrantindehaverens bo eller Warrantindehaverens overlevende ægtefælle (hvis denne sidder i uskiftet bo) være berettiget til at udnytte Warrants i overensstemmelse med vilkårene i denne Aftale. In the event of the death of the Warrantee, the estate of the Warrantee or the spouse of the Warrantee (if the surviving spouse retains undivided possession of the estate) shall have the right to exercise any Warrants in accordance with the terms and conditions of this Agreement.

7 ÆNDRING I RETSSTILLING ELLER SELSKABSKAPITAL

7 CHANGE OF LEGAL STATUS OR SHARECAPITAL

7.1 Ændring i selskabskapital

Change of Share Capital

7.1.1 I tilfælde af ændringer i Selskabets selskabskapital, herunder men ikke begrænset til:

In case of changes in the Company's share capital including but not limited to

- (i) forøgelse af selskabskapitalen,
- (ii) udstedelse af konvertible obligationer,
- (iii) udstedelse af nye tegningsretter, eller
- (iv) nedsættelse af selskabskapitalen,

- (i) increase of the share capital,
- (ii) issuance of convertible bonds,
- (iii) issuance of new subscription rights, or
- (iv) decrease of the share capital,

uanset om dette sker til en kurs, der er lig med markedskursen for Selskabets kapitalandele, eller til en overkurs, eller hvis ændringerne nævnt i 7.1.1 (i) - (iv) sker til favørkurs, sker der ingen regulering i Warrants.

whether at a rate that is equal to the market price of the shares of the Company or at premium rate ("overkurs"), or if the changes mentioned in Clause 7.1.1 (i) - (iv) are made at a special price ("favørkurs") no regulation of Warrants shall occur.

7.1.2 Hvis den nominelle værdi af Selskabets kapitalandele ændres, skal antallet af Warrants (antal af kapitalandele) og/eller Udnyttelsesprisen tilpasses, således at værdien af Warrants ikke bliver påvirket af sådanne ændringer.

If the nominal value of the shares of the Company is amended, the number of Warrants (number of shares) and/or the Exercise Price shall be adjusted, so that the value of the Warrants is not affected by the said amendments.

7.1.3 Hvis selskabskapitalen nedsættes til dækning af tab, skal antallet af kapitalandele, som Warrantindehaveren kan tegne gennem udnyttelse af Warrants, reduceres (nedrundet) forholdsmæssigt til den nominelle reduktion af kapitalen sammenholdt med Selskabets totale nominelle selskabskapital før reduktionen.

If the share capital is reduced in order to cover losses, the number of shares for which the Warrantee may subscribe by exercising the Warrants shall be reduced (rounded down) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

7.2 Andre ændringer

Other Changes

7.2.1 Hvis der træffes beslutning om

If a resolution is made to

- (i) at likvidere eller afvikle Selskabet,
- (ii) at spalte Selskabet eller
- (iii) at gennemføre en kapitalandelsombytning, der omfatter samtlige kapitalandele i Selskabet (oprettelse af et holdingselskab/apportindskud),

- (i) liquidate or wind up the Company,
 - (ii) demerge the Company, or
 - (iii) effect an exchange of shares which includes all shares in the Company (establishment of a holding company/non-cash contribution),
-

er Warrantindehaveren berettiget til at udnytte Warrants på ikrafttrædelsesdatoen for den relevante ændring, jf. dog punkt 7.2.2. Selskabets Bestyrelse skal skriftligt meddele Warrantindehaveren, hvis der træffes en af de ovennævnte beslutninger, og Warrantindehaveren kan udnytte samtlige Warrants inden for 30 dage fra datoen for meddelelsen. Samtlige Warrants, som Selskabets Bestyrelse ikke har modtaget en Udnyttelsesmeddelelse for inden udgangen af 30 dages fristen, bortfalder automatisk uden yderligere varsel eller kompensation, medmindre de erstattes i henhold til punkt 7.2.2.

7.2.2 Hvis Selskabet indgår i en fusion, spaltning eller kapitalandelsombytning, der omfatter samtlige kapitalandele i Selskabet (oprettelse af et holdingselskab/apportindskud), er Selskabet berettiget, men ikke forpligtet til at anmode om, at Warrants erstattes med retten til at tegne kapitalandele i de(t) modtagende selskab(er), forudsat at de(t) fortsættende selskab(er) er enig heri.

8 TEGNING AF KAPITALANDELE

Ved udnyttelse af et hvilket som helst antal Warrants gælder følgende for tegning af nye kapitalandele:

- (i) De andre kapitalejere i Selskabet har ikke fortegningsret med hensyn til Warrants eller kapitalandele udstedt gennem udnyttelse af Warrants
- (ii) Betaling af tegningsbeløbet og tegning af kapitalandele skal finde sted samtidigt. Warrantindehaverens rettigheder som kapitalejer efter udnyttelse af samtlige Warrants eller en del heraf træder i kraft, når uigenkaldelig kontant betaling til Selskabet har fundet sted. Selskabet skal registrere Warrantindehaveren som kapitalejer i Selskabets ejerbog.

the Warrantee shall be entitled to exercise their Warrants on the effective date of the relevant change, see however Clause 7.2.2. The Company's Board shall give written notice to the Warrantee if one of the above resolutions is made and the Warrantee may exercise all such Warrants within 30 days from the date of such notice. If the Board has not received an Exercise Notice prior to the expiry of the 30 days' notice the Warrants will automatically and without further notice be cancelled and become void without notice or compensation unless replaced in accordance with Clause 7.2.2.

In the event of contribution of the Company by merger, de-merger or an exchange of shares which includes all shares in the Company (establishment of a holding company/non-cash contribution) the Company shall have the right, but not the obligation, to request that the Warrants are replaced by the right to subscribe to shares in the receiving company(ies) subject to written approval by the continuing company(ies).

8 SUBSCRIPTION OF SHARES

Upon exercise of any part of the Warrants, the following will apply for the subscription of new shares:

- (i) The other shareholders of the Company have no preemption rights with respect to the Warrants or shares issued by exercise of the Warrants.
- (ii) Payment of the subscription amount and subscription of shares shall take place simultaneously. The Warrantee's rights as a shareholder following exercise of the Warrants or part thereof shall come into force when an irrevocable cash payment has been made to the Company. The Company shall register the Warrantee as a shareholder in the Company's share register.

9 SKAT

- 9.1 Punkterne 9.2 - 9.4 finder anvendelse, hvis Warrantindehaveren er ansat i Selskabet:
- 9.2 Warrants er underlagt ligningslovens § 7 P.
- 9.3 Selskabet har vurderet værdien af de tildelte warrants til DKK 1.074,72 pr. styk baseret (før justering for fondsaktieudstedelse og aktiesplit af 4. januar 2021).

9 TAX

- Clauses 9.2 - 9.4 shall apply provided the Warrantee is an employee of the Company:
- The Warrants shall to the extent possible be subject to Section 7 P of the Danish Tax Assessment Act.
- The Company has assessed the value of each granted warrant as DKK 1,074.72 (before adjustment for bonus shares and share split adopted on 4 January 2021).
-

9.4 Selskabet giver ikke Warrantindehaveren nogen garanti for, at Warrants beskattes efter ligningslovens § 7 P med eventuelle senere ændringer, herunder om kravene til anvendelse af bestemmelsen ikke er opfyldt, eller om bestemmelsen fremover er ændret eller ophævet.

The Company does not make any guarantees to the Warrantee that the Warrantee will be subject to the tax treatment under Section 7 P of the Danish Tax Assessment Act, as amended from time to time, including whether the requirements for the application of the provision are not met or if the provision is altered or repealed in the future.

9.5 De skattemæssige konsekvenser for Warrantindehaveren i forbindelse med denne Aftale, herunder men ikke begrænset til erhvervelse og/eller tildeling af Warrants, og/eller skattemæssige konsekvenser i forbindelse med udnyttelse af Warrants, er Selskabet uvedkommende. Warrantindehaveren opfordres til at søge skattemæssig rådgivning i forbindelse med indgåelsen af denne Aftale.

The tax consequences for the Warrantee arising in connection with or out of this Agreement, including but not limited to the acquisition and/or granting of the Warrants and/or the tax consequences in connection with the exercise of the Warrants, are of no concern to the Company. The Warrantee is strongly encouraged to seek tax advice in connection with entering into this Agreement.

10 EJERAFTALE

10 SHAREHOLDERS' AGREEMENT

10.1 Warrantindehaveren skal på tidspunktet for udnyttelse af Warrants tildelt i henhold til denne Af- tale tiltræde og acceptere at være bundet af enhver ejerftale, der gælder for kapitalejere i Selskabet til enhver tid ved at underskrive en tiltrædelseserklæring til en sådan ejerftale. Warrantindehaveren tiltræder og accepterer, at en sådan ejerftale kan indeholde betingelser, der alene gælder for Warrantindehaveren og ikke for de andre kapitalejere i Selskabet. Således har ikke alle kapitalejere i Selskabet de samme rettigheder i henhold til ejerftalen. En sådan tiltrædelseserklæring skal underskrives senest på tidspunktet for udnyttelse af Warrants, og udnyttelsen af Warrants skal være betinget heraf.

The Warrantee shall at the time of exercise of the Warrants granted hereunder endorse and agree to be bound by any Shareholders' Agreement applicable to the shareholders of the Company from time to time by signing a deed of adherence to such Shareholders' Agreement. The Warrantee acknowledges and accepts that such Shareholders Agreement may include terms only applicable on the Warrantee and not on the other shareholders of the Company. Thus, not all shareholders of the Company may have the same rights under the Shareholders Agreement. Such deed of adherence shall be signed no later than at the time of the exercise of the Warrants and the exercise of any Warrants shall be conditional hereupon.

11 OVERDRAGELSE AF WARRANTS

11 ASSIGNMENT OF WARRANTS

11.1 Warrants og andre rettigheder og/eller forpligtelser af Warrantindehaveren i henhold til denne Af- tale må ikke være genstand for udlæg (pant, sikkerhed eller lignende), erhverves eller på anden måde overdrages af Warrantindehaveren.

The Warrants and any other rights and/or obligations granted to the Warrantee under this Agreement cannot be subject to any encumbrance (as pledge, security or similar), assignment or in any other way be transferred by the Warrantee.

- 11.2 Uanset det anførte under punkt 11.1 kan overdragelse i tilfælde af Warrantindehaverens død finde sted til Warrantindehaverens bo og/eller hans/hendes arvinger. Notwithstanding Clause 11.1, assignment to the estate left by the Warrantee and/or to his/her heir/heirress in the event of death shall be allowed.
- 11.3 Uanset det anførte under punkt 11.1 må Warrantindehaverens kapitalandele henholdsvis Warrants, herunder kapitalandele erhvervet gennem udnyttelse af Warrants, ikke være genstand for inkassoprocuderer, fogedforretninger eller anden form for fuldbyrdelse og må heller ikke bruges som pant over for tredjepart. Warrantindehaveren har dog ved forudgående skriftlig tilladelse fra Selskabets Bestyrelse ret til at bruge kapitalandele og warrants som pant i forbindelse med finansiering af køb af sådanne kapitalandele og warrants, hvis pantøver forud for pantsætningen skriftligt bekræfter at ville respektere denne Aftale. Notwithstanding Clause 11.1, the Warrantee's shares and Warrants (as applicable), including shares acquired by the exercise of Warrants, are not to be subjected to debt collection proceedings, creditor enforcement or any other type of enforcement, nor are they to be pledged to any third party. However, subject to prior written approval from the board of the Company the Warrantee shall be entitled to pledge shares and warrants in connection with the funding of the purchase of such shares and warrants if the pledgee prior to the pledge accepts in writing to respect this Agreement.

12 AFKALD

- 12.1 Warrantindehaveren garanterer ikke at ville påberåbe sig eller på anden måde benytte sig af minoritetsbeskyttelsesreglen i henhold Selskabsloven, herunder § 73, ifølge hvilken en minoritetskapitalejer kan fordre sine kapitalandele indløst af en kapitalejer, der ejer mere end ni tiendedele af kapitalandelene (indløsningsret).

13 PANTSÆTNING AF KAPITALANDELE

- 13.1 Warrantindehaveren forpligter sig herved at pantsætte kapitalandele i Selskabet tegnet gennem udnyttelse af Warrants (herunder eventuelle stemmerettigheder) til de andre kapitalejere i Selskabet som sikkerhed for (i) opfyldelse af Warrantindehaverens forpligtelser i henhold til Aftalen og (ii) opfyldelse af Warrantindehaverens forpligtelser i henhold til ejeraftale, der er gældende for Warrantindehaverens kapitalandele i Selskabet.

12 WAIVER

The Warrantee undertakes not to invoke or otherwise rely upon the minority protection rule available under the Danish Companies Act, including Clause 73, stipulating the right to require a shareholder holding more than nine-tenths of the shares to acquire the shares of any minority shareholder (in Danish: "indløsningsret").

13 PLEDGE OF SHARES

The Warrantee hereby undertakes to pledge any shares in the Company subscribed for by exercise of any Warrants (including voting rights (if any)) to the other shareholders of the Company as security for (i) the fulfilment of the Warrantee's obligations under this Agreement and (ii) the fulfilment of the Warrantee's obligations under any Shareholders' Agreement governing the shares in the Company held by the Warrantee.

14 FULDMAGT

14.1 Warrantindehaveren giver hermed Selskabets Bestyrelse fuldmagt til på Warrantindehaverens vegne at iværksætte enhver foranstaltning, der måtte være nødvendig til opfyldelse af denne Aftale.

15 TAVSHEDSPLIGT

15.1 Parterne forpligter sig til at behandle indholdet af denne Aftale og betingelserne for Aftalen fortroligt. En Part er berettiget til at fremlægge betingelserne i denne Aftale på skriftlig opfordring fra en offentlig myndighed, som har en lovlig ret til at kræve sådanne oplysninger, eller hvis en sådan fremlæggelse udspringer af lovgivningen.

16 LOVVALG

16.1 Denne Aftale er underlagt dansk ret.

17 TVISTER

17.1 Enhver tvist mellem Parterne, der måtte udspringe af Aftalen, herunder dens indgåelse eller ophør, skal først søges afgjort ved forhandling. Kan Parterne ikke nå til enighed, afgøres tvisten ved de danske domstole i København.

18 UNDERSKRIFT, HELE AFTALEN OG ÆNDRINGER HERTIL

18.1 Denne Aftale er udfærdiget i to eksemplarer, hvoraf det ene underskrevne eksemplar forbliver hos Selskabet, mens det andet underskrevne eksemplar udleveres til Warrantindehaveren. Aftalen træder i kraft på datoen for underskrivelsen.

18.2 Alle meddelelser eller lignende i henhold til eller i forbindelse med Aftalen skal foretages skriftligt fra den ene Part til den anden.

14 POWER OF ATTORNEY

The Warrantee hereby grants the Board power of attorney to undertake any necessary actions on behalf of the Warrantee to ensure fulfilment of this Agreement.

15 CONFIDENTIALITY

The Parties undertake to treat the content of this Agreement and its terms and conditions confidential. 2 TILDELING AF WARRANTS

2. GRANT OF WARRANTS

2.1 I henhold til betingelserne i denne Aftale udsteder Selskabet hermed, og Warrantindehaveren modtager [•] warrants i Selskabet ("Warrants").

2.1 Subject to the terms and conditions set out in this Agreement, the Company hereby issues and the Warrantee receives [•] warrants in the Company to the Warrantee (the "Warrants").

- 2.2 Hver Warrant giver Warrantindehaveren ret, men ikke pligt, til at tegne én kapitalandel à nominelt kr. 1 i Selskabet.
- 2.3 Warrants tildeles vederlagsfrit.
- 2.4 Warrants giver ikke Warrantindehaveren kapitalejerrettigheder, som f.eks. fondskapitalandele, eller fortegningsret i tilfælde af en kapitalforhøjelse i Selskabet.
- 2.5 Selskabet er forpligtet til at føre en fortegnelse over udstedte Warrants, som skal opbevares sammen med Selskabets ejerbog.
- 3 TEGNINGSRET**
- 3.1 Hver Warrant giver Warrantindehaveren ret til at tegne én kapitalandel à nominelt kr. 1 i Selskabet til en pris af kr. 1 ("Tegningsprisen").
- 4 UDNYTTELSE AF WARRANTS**
- 4.1 Warrantindehaveren kan udnytte alle eller en del af Warrants (i) i forbindelse med en Exit (se punkt 4.2) eller (ii) på et tidspunkt, der fastsættes af Bestyrelsen (et "Vindue")
- 4.2 "Exit" betyder (a) en ændring i ejerforholdene i Selskabet, hvorved en uafhængig tredjemand erhverver 50 % eller mere af selskabskapitalen i Selskabet eller kommer til at kontrollere mere end 50 % af stemmerne i Selskabet; (b) en børsnotering af Selskabets aktier; (c) salg eller overdragelse af samtlige eller en væsentlig del af Selskabet aktiver; (d) en fusion med Selskabet som det ophørende selskab; eller (e) en kombination af (a) - (d).
- 2.2 Each Warrant shall provide the Warrantee with a right, but not an obligation, to subscribe for one share with a nominal value of DKK 1 in the Company.
- 2.3 The Warrants are granted free of charge.
- 2.4 The Warrants shall not entitle the Warrantee to any shareholder rights such as bonus shares or pre-emption rights in the event of a capital increase of the Company.
- 2.5 The Company undertakes to keep and maintain a register of issued Warrants to be kept in connection with the Company's share register.
- 3. SUBSCRIPTION PRICE**
- 3.1 Each Warrant gives the Warrantee the right to subscribe for one share with a nominal value of DKK 1 in the Company at a price of DKK 1 (the "Subscription Price").
- 4. EXERCISE OF WARRANTS**
- 4.1 The Warrantee may exercise all or part of the Warrants (i) in connection with an Exit (see Clause 4.2) or (ii) at any time determined by the Board (a "Window").
- 4.2 An "Exit" shall mean (a) a change of control in the Company whereby any independent third party acquires 50% or more of the share capital in the Company or comes to control more than 50% of the votes in the Company; (b) an initial public offering of the Company's shares ("IPO"); (c) the sale or disposition of all or a material part of the Company's assets; (d) a merger whereby the Company is the discontinuing entity; or (e) a combination of (a) - (d) above.
-

- 4.3 I tilfælde af en Exit skal Selskabet udstede en skriftlig meddelelse herom ("Meddelelse om Exit") til Warrantindehaveren. Meddelelsen om Exit skal indeholde relevante oplysninger om fremgangsmåden, bilagt en formular til meddelelse om udnyttelse ("Udnyttelsesmeddelelsen") samt eventuelt en yderligere forpligtelseserklæring, som Selskabet efter eget skøn måtte forlange (f.eks. tiltrædelsesdokument til en aftale om køb og salg af anparter eller lignende forpligtelser til overdragelse af anparter, der er tegnet ved udnyttelse af Warrants), og som skal underskrives af Warrantindehaveren ("Yderligere Forpligtelseserklæring").
- 4.4 Meddelelse om udnyttelse af Warrants finder sted, ved at Warrantindehaveren fremsender "Udnyttelsesmeddelelsen" til Selskabet med oplysning om det ønskede antal kapitalandele samt en eventuel Yderligere Forpligtelseserklæring. Samtidig med fremsendelsen af Udnyttelsesmeddelelsen og eventuelt Yderligere Forpligtelseserklæring skal Warrantindehaveren betale et kontant beløb til Selskabet svarende til det relevante tegningsbeløb.
- 4.5 Medmindre Selskabet bestemmer andet, vil samtlige Warrants automatisk bortfalde uden yderligere varsel og uden kompensation, hvis en Udnyttelsesmeddelelse og en eventuel Yderligere Forpligtelseserklæring samt betaling af det relevante tegningsbeløb ikke er fremsendt senest to (2) uger efter datoen for Meddelelsen om Exit.
- 4.3 In the event of an Exit, the Company shall issue a written notice of Exit ("Exit Notice") to the Warrantee. The Exit Notice shall include relevant information on the process and be accompanied by a form of exercise notice (the "Exercise Notice") together with any supplementary undertakings as may be required by the Company at its discretion (for instance adherence documentation to a share sale and purchase agreement or similar undertakings to transfer the shares subscribed for by exercise of the Warrants) to be signed by the Warrantee (the "Supplementary Undertakings").
- 4.4 Notification of exercise of the Warrants takes place by the Warrantee's submission to the Company of the Exercise Notice stating the number of shares requested together with any Supplementary Undertakings. At the same time of submitting the Exercise Notice and any Supplementary Undertakings, the Warrantee shall pay in cash to the Company an amount equal to the relevant subscription amount.
- 4.5 Unless otherwise decided by the Company, if an Exercise Notice and any Supplementary Undertakings together with payment of the relevant subscription amount is not submitted no later than two (2) weeks from the date of the Exit Notice, all Warrants shall automatically and without further notice or compensation lapse and become null and void.
-

- 4.6 Warrants, der ikke udnyttes i forbindelse med en Exit, vil automatisk bortfalde uden kompensation efter gennemførelsen af den relevante begivenhed.
- 4.7 Såfremt der efter Meddelelsen om Exit ikke sker en endelig gennemførelse af Exit, beholder Warrantindehaveren sine Warrants i henhold til vilkårene i denne Aftale. Hvis Warrantindehaveren har tegnet kapitalandele i Selskabet gennem udnyttelse af Warrants, og disse nye kapitalandele er blevet registreret i Erhvervsstyrelsen, beholder Warrantindehaveren de tegnede kapitalandele, uanset at den bebudede Exit ikke er endeligt gennemført, og de udnyttede Warrants skal ikke tilbageføres. Både Selskabet og Warrantindehaveren har dog ret til efter eget skøn at forlange, at Selskabet tilbagekøber de erhvervede kapitalandele til Tegningsprisen.
- 4.8 Såfremt der oprettes et Vindue, skal punkt 4.3 - 4.5 samtidig være gældende.
- 4.9 Warrants, der ikke udnyttes i forbindelse med et Vindue, bortfalder automatisk uden kompensation.
- 4.10 Såfremt et Vindue ikke er blevet oprettet senest den 31. december 2036, bortfalder Warrants automatisk uden yderligere varsel og uden kompensation.
- 4.11 I forbindelse med en notering af ADS'er på Nasdaq, USA, har Selskabets bestyrelse i henhold til pkt. 4.1 truffet beslutning om at fastsætte udnyttelsesvinduerne for udstedte warrants således:
- 4.6 Any Warrants that are not exercised in connection with an Exit shall automatically become void without compensation, following the completion of the relevant event.
- 4.7 In the event that an Exit is not finally completed following an Exit Notice, the Warrantee's right to the Warrants as set out in the Agreement shall be retained. In the event that shares have been subscribed for in the Company by exercise of Warrants and such new shares have been registered with the Danish Business Authority, the shares subscribed for shall be retained notwithstanding a notified Exit is not finally completed and the exercised Warrants shall not be reversed, however, both the Company and the Warrantee may on a discretionary basis request that the Company shall repurchase the shares acquired at the Subscription Price.
- 4.8 In case a Window is established Clauses 4.3- 4.5 shall apply simultaneously.
- 4.9 Any Warrants that are not exercised in connection with a Window shall automatically become void without compensation.
- 4.10 In the event an Exit or a Window has not occurred on or before December 31, 2036, the Warrants shall automatically and without further notice or compensation lapse and become null and void.
- 4.11 In connection with a listing of ADSs on Nasdaq, USA, the board of directors has resolved, pursuant to clause 4.1, to determine the exercise windows for issued warrants as follows:
-

Optjente warrants kan udnyttes i fire årlige udnyttelsesvinduer på 2 uger, som hver ligger to handelsdage efter offentliggørelsen af henholdsvis Selskabets årsrapport, halvårsregnskabet samt kvartalsmeddelelserne. Første udnyttelsesperiode indtræder dog tidligst 180 dage efter Selskabets notering af ADS'er på Nasdaq, USA, og i de første fire udnyttelsesperioder kan warrantindehaveren maksimalt udnytte 25% af de til warrantindehaveren tildelte warrants forudsat altid at warrants er optjent.

Vested warrants may be exercised in four annual exercise windows of two weeks each that each commence two trading days following publication of the Company's annual report, the 6-month report and the interim reports. The first exercise window shall, however, be at least 180 days following the listing by the Company of ADSs on Nasdaq, USA and in the first four exercise periods the warrant holder may as a maximum exercise 25% of the warrants granted to the respective warrant holders, provided always that the warrants have vested.

5 VISSE BETINGELSER I RELATION TIL EXIT

5.1 Efter udnyttelse af Warrants i forbindelse med en børsnotering skal Warrantindehaveren underskrive og tiltræde de aftaler eller forpligtelser, herunder i relation til en lock-up periode eller andre lock-up forpligtelser, som den udstedende bank måtte anmode om i forbindelse med en børsnotering.

5.2 Selskabet kan kræve, og Warrantindehaveren skal i så fald acceptere, at samtlige eller en del af Warrants ombyttes ligeligt til kapitalandele, warrants, konvertible værdipapirer eller et andet kapitalandelsbaseret instrument udstedt af en køber eller af en efterfølger af Selskabet eller af et af disses moderselskaber eller datterselskaber, eller til kapitalandele, warrants, konvertible værdipapirer eller andet kapitalandelsbaseret instrument udstedt af Selskabet efter omstrukturering, således at den pågældende Warrantindehavers Warrants umiddelbart efter en sådan ombytning - sammen med betaling af en eventuel kontant godtgørelse til Warrantindehaveren - i alt væsentlig har samme værdi som de pågældende Warrants, herunder de Warrants ejet af Warrantindehaveren umiddelbart før en sådan ombytning. Uanset ovenstående er Warrantindehaveren berettiget til en delvis kontant udbetaling i det omfang, dette er nødvendigt, for at Warrantindehaveren er i stand til at betale eventuel indkomst- eller kapitalgevinstskat, der umiddelbart forfalder som følge af en sådan ombytning af værdipapirer.

5. CERTAIN CONDITIONS RELATING TO AN EXIT

5.1 Following exercise of Warrants in connection with an IPO, the Warrantee shall sign and accept such agreements or undertakings, including in respect of a period of lock-up and other lock-up obligations, which may be proposed by the issuing bank in connection with an IPO.

5.2 The Company may request, and the Warrantee shall then accept, that all or a portion of the Warrants shall be equitably exchanged for shares, warrants, convertibles or any other equity based instrument, issued by any purchaser of or successor to the Company, or by a parent or subsidiary of either of them, or shares, warrants, convertibles or any other equity based instrument issued by the Company as restructured, such that such Warrantee's Warrants immediately following such exchange, when aggregated with any cash consideration paid to such Warrantee, shall have substantially the same value as the Warrants, including any Warrants held by such Warrantee immediately prior to such exchange. Notwithstanding any of the foregoing, the Warrantee shall be entitled to partial consideration in cash to the extent necessary in order for the Warrantee to be able to pay any personal income or capital gains tax immediately falling due as a result of such exchange of securities.

- 5.3 Forud for en Exit er Selskabet (eller en tredjemand, der er udpeget af Selskabet) berettiget til at købe Warrants fra Warrantindehaveren til en pris, der fastsættes i overensstemmelse med punkt 5.5 nedenfor.
- 5.4 Hvis Selskabet ønsker at udnytte en af sine rettigheder i henhold til denne Aftale, skal der gives skriftlig meddelelse herom per e-mail til Warrantindehaveren. En meddelelse betragtes som værende kommet Warrantindehaveren i hænde, og Selskabets rettighed derved udøvet, på tidspunktet for e-mailens afsendelse, forudsat at meddelelsen er stilet til den e-mailadresse, som Warrantindehaveren til enhver tid har oplyst Selskabet om. Udnyttelse af en rettighed i henhold til punkt 5.3 ovenfor er altid betinget af, at Exit faktisk er blevet gennemført.
- 5.5 *Købspris i forbindelse med Exit*
- 5.5.1 Ved køb af Warrantindehaverens Warrants i henhold til punkt 5.3 skal værdien af Warrants være baseret på den rimelige markedsværdi, som anført nedenfor.
- 5.3 Prior to an Exit, the Company (or a third party appointed by the Company) shall have a right to purchase the Warrants from the Warrantee for a price determined in accordance with Clause 5.5 below.
- 5.4 If the Company wishes to exercise any of its rights under this Agreement, a written notice to that effect shall be sent by email to the Warrantee. A notice shall be deemed to have reached a Warrantee, and hence the right of the Company shall be deemed to have been exercised, at the time of the dispatch of the email, provided the notice has been addressed to the email address of the Warrantee which the Warrantee has informed the Company at any time. The exercise of rights pursuant to Clause 5.3 above is always subject to the condition that the Exit is actually completed.
- 5.5 *Purchase Price in connection with an Exit*
- 5.5.1 When the Warrantee's Warrants are purchased in accordance with Clause 5.3, the Warrants shall be based on the fair market value as set out below.
-

- 5.5.2 Den rimelige markedsværdi af Warrants beregnes af Selskabet på grundlag af den nettopris per kapitalandel i Selskabet, som sælgende kapitalejere vil modtage ved en Exit med fradrag af et forholdsmæssigt beløb for vederlag til rådgivere m.v. Ved beregningen af den rimelige markedsværdi af Warrants skal Selskabet fratække et beløb, som Selskabet anser som passende i betragtning af de sælgende kapitalejeres eventuelle forpligtelser i henhold til Exit.
- 5.5.2 The fair market value of the Warrants shall be calculated by the Company based on the net price per share of the Company to be received by the selling shareholders in an Exit deducted the proportionate amount of any fees to advisors etc. When calculating the fair market value of the Warrants, the Company shall deduct from the fair market value an amount which the Company deems appropriate when considering the selling shareholders' potential liabilities pursuant to the Exit.
- 5.5.3 Når Warrants købes i forbindelse med en Exit som følge af salg eller overdragelse af samtlige eller en væsentlig del af Selskabets aktiver, er værdien af Warrants den rimelige markedsværdi på tidspunktet efter salget. I tilfælde af en sådan Exit skal der ved beregningen af den rimelige markedsværdi for Warrants tages højde for den købspris, Selskabet har modtaget for de solgte aktiver, med fradrag af gæld, der ikke er overdraget sammen med aktiverne, samt en forholdsmæssig andel af omkostninger, honorarer m.v. i forbindelse med transaktionen.
- 5.5.3 When the Warrants are purchased in connection with an Exit based on the sale or disposition of all or a material part of the Company's assets, the value of the Warrants shall be the fair market value at the time after such sale. In case of such Exit, the fair market value of the Warrants shall take into account the purchase price received by the Company for the assets sold, net of any debts not transferred together with the assets as well as a proportionate part of any cost, fees etc. related to the transaction.
- 5.5.4 Købsprisen for Warrants fastlagt i henhold til punkt 5.5.2 - 5.5.3 ovenfor skal betales 15 dage efter, at de sælgende kapitalejere i Selskabet har modtaget betaling for deres kapitalandele, og i tilfælde af køb i forbindelse med et salg af aktiver, når Selskabet har modtaget betaling for de solgte aktiver.
- 5.5.4 The purchase price for the Warrants determined in accordance with Clauses 5.5.2 - 5.5.3 above, as applicable, shall be paid 15 days after the selling shareholders of the Company have received payment for their shares, and in case of a purchase in connection with an asset sale, when the Company has received payment for the assets sold.
-

6 OPSIGELSE AF ANSÆTTELSES-FORHOLDET

- 6.1 Punkterne 6.2 -6.6 finder anvendelse, hvis Warrantindehaveren er ansat i Selskabet
- 6.2 Hvis Selskabet opsiger Warrantindehaverens ansættelse i Selskabet med en hvilken som helst begrundelse bortset fra Warrantindehaverens misligholdelse, er Warrantindehaveren berettiget til at udnytte Warrants tildelt i henhold til denne Aftale i overensstemmelse med vilkårene i Aftalen, som om Warrantindehaveren stadig var ansat i Selskabet. Dette gælder ligeledes, hvis ansættelsesforholdet bringes til ophør, fordi Warrantindehaveren har nået den alder, der gælder for pensionering fra Selskabet, eller fordi Warrantindehaveren kan oppebære folkepension eller alderspension fra Selskabet.
- 6.3 Hvis Selskabet opsiger Warrantindehaverens ansættelse i Selskabet begrundet i Warrantindehaverens misligholdelse eller berettiget bortviser Warrantindehaveren, bortfalder samtlige Warrants, der er tildelt i henhold til denne Aftale, men som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden.
- 6.4 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet inden den 31. december 2020 med en hvilken som helst begrundelse, bortset fra Selskabets grove misligholdelse, bortfalder samtlige Warrants, der er tildelt i henhold til denne Aftale, men som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden.
- 6.5 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet fra og med den 31. december 2020 med en hvilken som helst begrundelse, bortset fra Selskabets grove misligholdelse, er Warrantindehaveren berettiget til at udnytte det antal Warrants tildelt i henhold til denne Aftale, som er anført nedenfor, i overensstemmelse med vilkårene i Aftalen, som om Warrantindehaveren stadig var ansat i Selskabet.

6. TERMINATION OF EMPLOYMENT

- 6.1 Clauses 6.2 - 6.6 shall apply provided the Warrantee is an employee of the Company:
- 6.2 In the event the Company terminates the Warrantee's employment with the Company for any reason other than due to the Warrantee's breach (in Danish "misligholdelse"), the Warrantee shall have the right to exercise any Warrants granted pursuant to this Agreement in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company. The same applies if the employment relationship comes to an end because the Warrantee has reached the age of retirement from the Company or is entitled to old age pension (in Danish: "folkepension") or retirement pension (in Danish: "alderspension") from the Company.
- 6.3 In the event that the Company terminates the Warrantee's employment with the Company due to the Warrantee's breach (in Danish "misligholdelse") or summarily dismisses the Warrantee for cause (in Danish "bortvisning"), all Warrants granted pursuant to this Agreement, but not exercised at the time of the expiration of the notice period, becomes null and void.

Resterende Warrants, som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden, bortfalder.

Remaining Warrants not exercised at the time of the expiration of the notice period, become null and void.

6.6 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet begrundet i Selskabets grove misligholdelse, er Warrantindehaveren berettiget til at udnytte Warrants tildelt i henhold til denne Aftale i overensstemmelse med vilkårene i Aftalen, som om Warrantindehaveren stadig var ansat i Selskabet.

6.6 In the event that the Warrantee terminates the employment with the Company due to the Company's material breach (in Danish: "grove misligholdelse"), the Warrantee shall have the right to exercise any Warrants granted pursuant to this Agreement in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company.

6.7 I tilfælde af Warrantindehaverens død, vil Warrantindehaverens bo eller Warrantindehaverens overlevende ægtefælle (hvis denne sidder i uskiftet bo) være berettiget til at udnytte Warrants i overensstemmelse med vilkårene i denne Aftale.

6.7 In the event of the death of the Warrantee, the estate of the Warrantee or the spouse of the Warrantee (if the surviving spouse retains undivided possession of the estate) shall have the right to exercise any Warrants in accordance with the terms and conditions of this Agreement.

7 ÆNDRING I RETSSTILLING ELLER SELSKABSKAPITAL

7.1 Ændring i selskabskapital

7.1.1 I tilfælde af ændringer i Selskabets selskabskapital, herunder men ikke begrænset til:

- (i) forøgelse af selskabskapitalen,
- (ii) udstedelse af konvertible obligationer,
- (iii) udstedelse af nye tegningsretter, eller
- (iv) nedsættelse af selskabskapitalen,

uanset om dette sker til en kurs, der er lig med markedskursen for Selskabets kapitalandele, eller til en overkurs, eller hvis ændringerne nævnt i 7.1.1 (i) - (iv) sker til favørkurs, sker der ingen regulering i Warrants.

7.1.2 Hvis den nominelle værdi af Selskabets kapitalandele ændres, skal antallet af Warrants (antal af kapitalandele) og/eller Udnyttelsesprisen tilpasses, således at værdien af Warrants ikke bliver påvirket af sådanne ændringer.

7.1.3 Hvis selskabskapitalen nedsættes til dækning af tab, skal antallet af kapitalandele, som Warrantindehaveren kan tegne gennem udnyttelse af Warrants, reduceres (nedrundet) forholdsmæssigt til den nominelle reduktion af kapitalen sammenholdt med Selskabets totale nominelle selskabskapital før reduktionen.

7. CHANGE OF LEGAL STATUS OR SHARE CAPITAL

7.1 Change of Share Capital

7.1.1 In case of changes in the Company's share capital including but not limited to

- (i) increase of the share capital,
- (ii) issuance of convertible bonds,
- (iii) issuance of new subscription rights, or
- (iv) decrease of the share capital,

whether at a rate that is equal to the market price of the shares of the Company or at premium rate ("overkurs"), or if the changes mentioned in Clause 7.1.1 (i) - (iv) are made at a special price ("favørkurs") no regulation of Warrants shall occur.

7.1.2 If the nominal value of the shares of the Company is amended, the number of Warrants (number of shares) and/or the Exercise Price shall be adjusted, so that the value of the Warrants is not affected by the said amendments.

7.1.3 If the share capital is reduced in order to cover losses, the number of shares for which the Warrantee may subscribe by exercising the Warrants shall be reduced (rounded down) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

7.2 Andre ændringer

7.2.1 Hvis der træffes beslutning om

- (i) at likvidere eller afvikle Selskabet,
- (ii) at spalte Selskabet eller
- (iii) at gennemføre en kapitalandelsombytning, der omfatter samtlige kapitalandele i Selskabet (oprettelse af et holdingselskab/apportindskud),

er Warrantindehaveren berettiget til at udnytte Warrants på ikrafttrædelsesdatoen for den relevante ændring, jf. dog punkt 7.2.2. Selskabets Bestyrelse skal skriftligt meddele Warrantindehaveren, hvis der træffes en af de ovennævnte beslutninger, og Warrantindehaveren kan udnytte samtlige Warrants inden for 30 dage fra datoen for meddelelsen. Samtlige Warrants, som Selskabets Bestyrelse ikke har modtaget en Udnyttelsesmeddelelse for inden udgangen af 30-dages fristen, bortfalder automatisk uden yderligere varsel eller kompensation, medmindre de erstattes i henhold til punkt 7.2.2.

- 7.2.2 Hvis Selskabet indgår i en fusion, spaltning eller kapitalandelsombytning, der omfatter samtlige kapitalandele i Selskabet (oprettelse af et holdingselskab/apportindskud), er Selskabet berettiget, men ikke forpligtet til at anmode om, at Warrants erstattes med retten til at tegne kapitalandele i de(t) modtagende selskab(er), forudsat at de(t) fortsættende selskab(er) er enig heri.

7.2 Other Changes

7.2.1 If a resolution is made to

- (i) liquidate or wind up the Company,
- (ii) demerge the Company, or
- (iii) effect an exchange of shares which includes all shares in the Company (establishment of a holding company/non-cash contribution),

the Warrantee shall be entitled to exercise their Warrants on the effective date of the relevant change, see however Clause 7.2.2. The Company's Board shall give written notice to the Warrantee if one of the above resolutions is made and the Warrantee may exercise all such Warrants within 30 days from the date of such notice. If the Board has not received an Exercise Notice prior to the expiry of the 30 days' notice the Warrants will automatically and without further notice be cancelled and become void without notice or compensation unless replaced in accordance with Clause 7.2.2.

- 7.2.2 In the event of contribution of the Company by merger, de-merger or an ex-change of shares which includes all shares in the Company (establishment of a holding company/non-cash contribution) the Company shall have the right, but not the obligation, to request that the Warrants are replaced by the right to subscribe to shares in the receiving company(ies) subject to written approval by the continuing company(ies).

8 TEGNING AF KAPITALANDELE

- 8.1 Ved udnyttelse af et hvilket som helst antal Warrants gælder følgende for tegning af nye kapitalandele:
- (i) De andre kapitalejere i Selskabet har ikke fortegningsret med hensyn til Warrants eller kapitalandele udstedt gennem udnyttelse af Warrants
 - (ii) Betaling af tegningsbeløbet og tegning af kapitalandele skal finde sted samtidigt. Warrantindehaverens rettigheder som kapitalejer efter udnyttelse af samtlige Warrants eller en del heraf træder i kraft, når uigenkaldelig kontant betaling til Selskabet har fundet sted. Selskabet skal registrere Warrantindehaveren som kapitalejer i Selskabets ejerbog.
 - (iii) De nye kapitalandele udstedes i kapitalandele à nominelt kr. 1 eller multipla heraf.
 - (iv) De nye kapitalandele skal udstedes på navn, indføres i Selskabets ejerbog og er ikke-omsættelige.
 - (v) Restriktionerne på eksisterende kapitalandele vedrørende omsættelighed gælder også for de nye kapitalandele.
 - (vi) Fortegningsret for nye kapitalandele i forbindelse med fremtidige kapitalforhøjelser er begrænsede for så vidt angår udstedelse af warrants eller tegning af kapitalandele gennem udnyttelse af sådanne warrants eller ved andre begivenheder i henhold til generalforsamlingens beslutning

8. SUBSCRIPTION OF SHARES

- 8.1 Upon exercise of any part of the Warrants, the following will apply for the subscription of new shares:
- (i) The other shareholders of the Company have no pre-emption rights with respect to the Warrants or shares issued by exercise of the Warrants.
 - (ii) Payment of the subscription amount and subscription of shares shall take place simultaneously. The Warrantee's rights as a shareholder following exercise of the Warrants or part thereof shall come into force when an irrevocable cash payment has been made to the Company. The Company shall register the Warrantee as a shareholder in the Company's share register.
 - (iii) The new shares are issued in shares of nominally DKK 1 or multiples hereof.
 - (iv) The new shares are issued on name, shall be registered in the Company's share register and are non-negotiable shares.
 - (v) The restrictions on the current shares as to negotiability shall also apply for the new shares.
 - (vi) The pre-emptive rights of the new shares in connection with future capital increases shall be limited in connection with the issuance of warrants or subscription of shares by exercising such warrants or other events as decided by the general meeting of the Company.
-

- (vii) De nye kapitalandele giver ret til dividende og andre rettigheder i Selskabet til enhver tid, når den relevante kapitalforhøjelse er registreret i Erhvervsstyrelsen.
- (viii) Selskabet betaler omkostningerne i forbindelse med udstedelse og udnyttelse af Warrants.
- 9 SKAT**
- 9.1 Punkterne 9.2 - 9.4 finder anvendelse, hvis Warrantindehaveren er ansat i Selskabet.
- 9.2 Warrants er underlagt ligningslovens § 7 P.
- 9.3 Selskabet har vurderet værdien af de tildelte warrants til DKK 1.901 pr. stk. (før justering for fondsaktieudstedelse og aktiesplit af 4. januar 2021).
- 9.4 Selskabet giver ikke Warrantindehaveren nogen garanti for, at Warrants beskattes efter ligningslovens § 7 P med eventuelle senere ændringer, herunder om kravene til anvendelse af bestemmelsen ikke er opfyldt, eller om bestemmelsen fremover er ændret eller ophævet.
- 9.5 De skattemæssige konsekvenser for Warrantindehaveren i forbindelse med denne Aftale, herunder men ikke begrænset til erhvervelse og/eller tildeling af Warrants, og/eller skattemæssige konsekvenser i forbindelse med udnyttelse af Warrants, er Selskabet uvedkommende. Warrantindehaveren opfordres til at søge skattemæssig rådgivning i forbindelse med indgåelsen af denne Aftale.
- (vii) The new shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority.
- (viii) The Company shall pay the costs in connection with the issuance and exercise of Warrants.
- 9. TAX**
- 9.1 Clauses 9.2 - 9.4 shall apply provided the Warrantee is an employee of the Company:
- 9.2 The Warrants shall be subject to Section 7 P of the Danish Tax Assessment Act.
- 9.3 The Company has assessed the value of each granted warrants as DKK 1901 (before adjustment for bonus shares and share split of 4 January 2021).
- 9.4 The Company does not make any guarantees to the Warrantee that the Warrantee will be subject to the tax treatment under Section 7 P of the Danish Tax Assessment Act, as amended from time to time, including whether the requirements for the application of the provision are not met or if the provision is altered or repealed in the future.
- 9.5 The tax consequences for the Warrantee arising in connection with or out of this Agreement, including but not limited to the acquisition and/or granting of the Warrants and/or the tax consequences in connection with the exercise of the Warrants, are of no concern to the Company. The Warrantee is strongly encouraged to seek tax advice in connection with entering into this Agreement.

10 EJERAFTALE

10.1 Warrantindehaveren skal på tidspunktet for udnyttelse af Warrants tildelt i henhold til denne Aftale tiltræde og acceptere at være bundet af enhver ejerftale, der gælder for kapitalejere i Selskabet til enhver tid ved at underskrive en tiltrædelseserklæring til en sådan ejerftale. Warrantindehaveren tiltræder og accepterer, at en sådan ejerftale kan indeholde betingelser, der alene gælder for Warrantindehaveren og ikke for de andre kapitalejere i Selskabet. Således har ikke alle kapitalejere i Selskabet de samme rettigheder i henhold til ejerftalen. En sådan tiltrædelseserklæring skal underskrives senest på tidspunktet for udnyttelse af Warrants, og udnyttelsen af Warrants skal være betinget heraf.

11 OVERDRAGELSE AF WARRANTS

11.1 Warrants og andre rettigheder og/eller forpligtelser af Warrantindehaveren i henhold til denne Aftale må ikke være genstand for udlæg (pant, sikkerhed eller lignende), erhverves eller på anden måde overdrages af Warrantindehaveren.

11.2 Uanset det anførte under punkt 11.1 kan overdragelse i tilfælde af Warrantindehaverens død finde sted til Warrantindehaverens bo og/eller hans/hendes arvinger.

11.3 Uanset det anførte under punkt 11.1 må Warrantindehaverens kapitalandele henholdsvis Warrants, herunder kapitalandele erhvervet gennem udnyttelse af Warrants, ikke være genstand for inkassoprocédurer, fogedforretninger eller anden form for fuldbyrdelse og må heller ikke bruges som pant over for tredjepart. Warrantindehaveren har dog ved forudgående skriftlig tilladelse fra Selskabets Bestyrelse ret til at bruge kapitalandele og warrants som pant i forbindelse med finansiering af køb af sådanne kapitalandele og warrants, hvis pantthaver forud for pantsætningen skriftligt bekræfter at ville respektere denne Aftale.

10. SHAREHOLDERS' AGREEMENT

10.1 The Warrantee shall at the time of exercise of the Warrants granted hereunder endorse and agree to be bound by any Shareholders' Agreement applicable to the shareholders of the Company from time to time by signing a deed of adherence to such Shareholders' Agreement. The Warrantee acknowledges and accepts that such Shareholders Agreement may include terms only applicable on the Warrantee and not on the other shareholders of the Company. Thus, not all shareholders of the Company may have the same rights under the Shareholders Agreement. Such deed of adherence shall be signed no later than at the time of the exercise of the Warrants and the exercise of any Warrants shall be conditional hereupon.

11. ASSIGNMENT OF WARRANTS

11.1 The Warrants and any other rights and/or obligations granted to the Warrantee under this Agreement cannot be subject to any encumbrance (as pledge, security or similar), assignment or in any other way be transferred by the Warrantee.

11.2 Notwithstanding Clause 11.1, assignment to the estate left by the Warrantee and/or to his/her heir/heirress in the event of death shall be allowed.

11.3 Notwithstanding Clause 11.1, the Warrantee's shares and Warrants (as applicable), including shares acquired by the exercise of Warrants, are not to be subjected to debt collection proceedings, creditor enforcement or any other type of enforcement, nor are they to be pledged to any third party. However, subject to prior written approval from the board of the Company the Warrantee shall be entitled to pledge shares and warrants in connection with the funding of the purchase of such shares and warrants if the pledgee prior to the pledge accepts in writing to respect this Agreement.

12 AFKALD

12.1 Warrantindehaveren garanterer ikke at ville påberåbe sig eller på anden måde benytte sig af minoritetsbeskyttelsesreglen i henhold Selskabsloven, herunder § 73, ifølge hvilken en minoritetskapitalejer kan fordre sine kapitalandele indløst af en kapitalejer, der ejer mere end ni tiendedele af kapitalandelene (indløsningsret).

13 PANTSÆTNING AF KAPITALANDELE

13.1 Warrantindehaveren forpligter sig herved at pantsætte kapitalandele i Selskabet tegnet gennem udnyttelse af Warrants (herunder eventuelle stemmerettigheder) til de andre kapitalejere i Selskabet som sikkerhed for (i) opfyldelse af Warrantindehaverens forpligtelser i henhold til Aftalen og (ii) opfyldelse af Warrantindehaverens forpligtelser i henhold til ejeraftale, der er gældende for Warrantindehaverens kapitalandele i Selskabet.

14 FULDMAGT

14.1 Warrantindehaveren giver hermed Selskabets Bestyrelse fuldmagt til på Warrantindehaverens vegne at iværksætte enhver foranstaltning, der måtte være nødvendig til opfyldelse af denne Aftale.

12. WAIVER

12.1 The Warrantee undertakes not to invoke or otherwise rely upon the minority protection rule available under the Danish Companies Act, including Clause 73, stipulating the right to require a shareholder holding more than nine-tenths of the shares to acquire the shares of any minority shareholder (in Danish: "indløsningsret").

13. PLEDGE OF SHARES

13.1 The Warrantee hereby undertakes to pledge any shares in the Company sub-scribed for by exercise of any Warrants (including voting rights (if any)) to the other shareholders of the Company as security for (i) the fulfilment of the Warrantee's obligations under this Agreement and (ii) the fulfilment of the Warrantee's obligations under any Shareholders' Agreement governing the shares in the Company held by the Warrantee.

14. POWER OF ATTORNEY

14.1 The Warrantee hereby grants the Board power of attorney to undertake any necessary actions on behalf of the Warrantee to ensure fulfilment of this Agreement.

15 TAVSHEDSPLIGT

15.1 Parterne forpligter sig til at behandle indholdet af denne Aftale og betingelserne for Aftalen fortroligt. En Part er berettiget til at fremlægge betingelserne i denne Aftale på skriftlig opfordring fra en offentlig myndighed, som har en lovlig ret til at kræve sådanne oplysninger, eller hvis en sådan fremlæggelse udspringer af lovgivningen.

16 LOVVALG

16.1 Denne Aftale er underlagt dansk ret.

17 VISTER

17.1 Enhver tvist mellem Parterne, der måtte udspringe af Aftalen, herunder dens indgåelse eller ophør, skal først søges afgjort ved forhandling. Kan Parterne ikke nå til enighed, afgøres tvisten ved de danske domstole i København.

18 UNDERSKRIFT, HELE AFTALEN OG ÆNDRINGER HERTIL

18.1 Denne Aftale er udfærdiget i to eksemplarer, hvoraf det ene underskrevne eksemplar forbliver hos Selskabet, mens det andet underskrevne eksemplar udleveres til Warrantindehaveren. Aftalen træder i kraft på datoen for underskrivelsen.

18.2 Alle meddelelser eller lignende i henhold til eller i forbindelse med Aftalen skal foretages skriftligt fra den ene Part til den anden.

15. CONFIDENTIALITY

15.1 The Parties undertake to treat the content of this Agreement and its terms and conditions confidential. A Party shall be entitled to disclose the terms and conditions of this Agreement upon written request from a public authority that has a legal right to require this information or if such disclosure follows from statutory law.

16. GOVERNING LAW

16.1 This Agreement shall be governed by the laws of Denmark.

17. DISPUTES

17.1 The Parties shall primarily seek to amicably settle any dispute arising out of or in connection with this Agreement, including its conclusion or termination. If the Parties cannot reach an agreement, the dispute shall be settled by the Danish courts in Copenhagen.

18. SIGNATURES, ENTIRE AGREEMENT, AND AMENDMENTS

18.1 This Agreement is signed in two copies; one shall be held by the Company and the other by the Warrantee. The Agreement shall be in force from the date of signing.

18.2 All notifications, demands or similar pursuant to or relating to this Agreement shall be made in writing to the other Party.

Evaxion Biotech A/S

Warrant Terms

1. RESOLUTION

1.1 The Board of Directors has on 17 December 2020, pursuant to the authorisation set out in article 2.8 of Evaxion Biotech A/S's (the "Company") articles of association, determined that the following terms and conditions (the "Warrant Terms") shall apply to warrants (the "Warrants") issued to the European Investment Bank (the "Warrant Holder") according to the authorisation.

2. ISSUE OF WARRANTS AND WARRANT CONSIDERATION

2.1 The Warrants are issued to the Warrant Holder in connection with the disbursement of loans according to the loan facility entered into between the Warrant Holder and the Company. In connection with each issuance of Warrants the Warrant Holder shall sign a warrant certificate (the "Warrant Certificate"). Warrants are issued free of charge, without payment of any kind from the Warrant Holder.

2.2 The Warrants and any shares subscribed for upon the exercise of the Warrants shall be issued without pre-emptive subscription rights for the Company's shareholders in accordance with the resolution referred to in paragraph 1.1 above

2.3 The Company will, along with the Company's register of shareholders, keep a list of the issued Warrants.

3. EXERCISE OF WARRANTS

3.1 Each Warrant may be exercised against payment of a subscription price in cash to the Company of DKK 1 per share of a nominal value of DKK 1 (the "Exercise Price"), subject, however, to the adjustment mechanisms set forth in clause 5.

3.2 As an alternative to receiving shares in the Company, the Warrant Holder has the right to require that the Company satisfy the exercise of the Warrants by way of net settlement.

3.3 The Warrant Holder is entitled to exercise the Warrants in full or in part at any time. Unexercised Warrants shall remain in the Warrant Holder's possession and shall not expire and lapse.

3.4 The Warrant Holder agrees and accepts to be bound by a customary lock-up agreement in the event of an IPO according to which Warrants may not be exercised/or settled for cash within 180 days from the date of completion of an initial public offering and official listing of shares of the Company (or the shares in any company or vehicle created by the Company's shareholders for such purpose) on a stock exchange or regulated market, including but not limited to a listing of American Depositary Shares (ADS) in the United States (here and elsewhere in this document referred to as an "IPO"). Following an IPO clause 7.1 (f) shall cease to be of effective and shall become null and void. Additionally, the Warrant Holder agrees not to exercise the Warrants and/or claim settlement for a period of one (1) month following the first public filing of the prospectus relating to an IPO. In no event shall the aggregate lock-up period exceed 180 days from the date of completion of the IPO.

3.6 The Parties agree that the lock-up agreement as set out in clause 3.4 shall cease to be effective and shall become null and void in the event that there is a materially adverse event relating to the Company and thereby affecting the Company in a materially adverse manner during the lock-up period described in clause 3.4, including but not limited to if the Company or its management is subject to a criminal investigation or is involved in any kind of fraudulent activities, money laundering activities, terror financing tax evasion and tax havens. The definition of a materially adverse event shall be determined according to ordinary principles of Danish law taking into account specifically the Company.

4. PROCEDURE FOR EXERCISE OF WARRANTS

4.1 To exercise a Warrant, the Warrant Holder must give the Company written notice thereof (the "Exercise Notice"). Exercise Notice may be given by a Warrant Holder more than once, reference is made to section 3.3.

4.2 The Warrant Holder must within 10 business days from the date of the Exercise Notice pay in cash the Exercise Price for Warrants exercised into the bank account designated by the Company in the subscription list, failing which the Exercise Notice shall be deemed cancelled.

4.3 Upon the timely receipt by the Company of an Exercise Notice and the Exercise Price from the Warrant Holder, the Company shall carry out the increase of the Company's share capital reflecting the exercise of Warrants and shall ensure and procure that the resolution is duly registered with the Danish Business Authority in accordance with applicable law. The Company's register of shareholders shall be updated to reflect the Warrant Holder's shareholding.

5. CHANGES IN THE COMPANY'S CAPITAL STRUCTURE

5.1 Changes in the Company's capital structure which are not carried out at market price and thereby cause a change of the potential possibility of gain attached to a Warrant shall require an adjustment of the Warrants in accordance with this clause 5.

5.2 Adjustments shall be made so that the potential possibility of gain attached to a Warrant, in so far as possible, shall remain the same before and after the occurrence of the incident causing the adjustment. The adjustment shall be carried out by the Company's auditor according to recognized principles. The adjustment may be carried out either by an increase or decrease of the number of shares that can be issued following an exercise of a Warrant and/or an increase or decrease of the Exercise Price. The exercise price cannot, however, at any time be below nominal value of the shares.

- 5.3 Warrants shall not be adjusted as a result of the Company's issuance of additional employee shares, share options and/or warrants as part of employee share option schemes (including options to board members, advisors and consultants) as well as future exercise of such options and/or warrants. Warrants shall, furthermore, not be adjusted as a result of capital increases following the Warrant Holders' and others' exercise of warrants in the Company. In addition the Warrant Holder shall, irrespective of this clause 5, not be entitled to adjustments in the event of capital increases in directed issues following an IPO (including a listing of ADSs in the USA) with customary discounts to market price of up to 10% on the listed price.
- 5.4 In the event of a merger where the Company is not the surviving company, unexercised Warrants shall be exchanged for new warrants in the surviving company, which shall entitle the Warrant Holder to subscribe for shares in the surviving company. The number of shares in the surviving company that can be subscribed for on the basis of the new warrants, and/or the Exercise Price, shall be adjusted to the extent that the terms of the exchange set out in the merger plan for the Company (compared to the value of the shares in the surviving company) provide a basis therefore. If funds are distributed to the shareholders of the Company in connection with the merger, the Exercise Price shall be reduced on the basis thereof.
- 5.5 In the event of a demerger of the Company, the Warrant Holder shall receive warrants in the receiving company (or companies) to an extent and on terms that entail that the terms for the Warrant Holder to the widest possible extent remain the same after the demerger. If funds are distributed to the shareholders of the Company in connection with the demerger, the Exercise Price shall be reduced on the basis thereof. The number of Warrants shall entitle the Warrant Holder to the same potential shareholding which an exercise of all Warrants prior to the demerger would have resulted in. Moreover, the terms applying to the warrants issued by the receiving company (or companies) shall be the same as the terms stipulated herein.
- 6. LIQUIDATION**
- 6.1 In the event of a solvent liquidation of the Company, the Warrant Holder may in whole or in part exercise all of its unexercised Warrants.
- 6.2 The Company must notify the Warrant Holder in writing of any resolution to enter into a solvent liquidation immediately after the adopting of such resolution. The Warrant Holder must within 3 months following the date of receipt of such notification deliver an Exercise Notice to the chairman of the Company's board of directors (on behalf of the Company) in accordance with clause 4 above, which shall apply *mutatis mutandis*, if the Warrant Holder elects to exercise its Warrants. Any Warrants not exercised upon such 3 months period ending will lapse automatically, without notice and without any compensation.
-

7. PUT OPTION

7.1 Subject to mandatory applicable law, the Company irrevocably grants the Warrant Holder the right (but not the obligation) to require the Company to cancel or purchase any Warrant granted to the Warrant Holder in consideration of the payment by the Company to the Warrant Holder of the Fair Market Value of the Warrants (as defined in clause 8) (the "Put Option"). The Warrant Holder may exercise the Put Option in relation to any Warrant on and at any time after the occurrence of any of the following events ("Put Event"):

- (a) at any point in time on or after the occurrence of the sixth anniversary after the Warrant Holder has been granted the first Warrant;
- (b) any mandatory or voluntary prepayment in whole or in part of the Company's debt to the Warrant Holder;
an initial public offering and admission to trading and official listing of shares of the Company (or the shares in any company or vehicle created by the Company's shareholders for such purpose) on a stock exchange or regulated market, including but not limited to listing of American Depositary Shares (ADS) in the United States;
- (c) a sale, assignment, transfer or other disposal of all (or substantially all) of the issued share capital in the Company;
- (d) a sale, assignment, transfer or other disposal of all (or substantially all) of the assets and undertakings of the Company;
- (e) any person or group of persons acting in concert gains Control of the Company or of any entity directly or ultimately Controlling the Company; or
- (f) Andreas Holm Mattsson and Niels Iversen Møller (individually or together) cease to own and Control directly or indirectly more than 25% (twenty five per cent) of the voting rights or economic interest of the Company or be the beneficial owners directly or indirectly through wholly owned subsidiaries of more than 25% (twenty five per cent) of the issued share capital of the Company.

7.1.1 For the purpose of clause 7.1, "Control" shall mean the power (directly or indirectly) to (i) cast, or to control the casting of, more than 50% (fifty per cent.) of the maximum number of votes that might be cast at a general meeting of an entity, (ii) appoint or remove all, or the majority, of the directors of an entity; and/or (iii) give directions with respect to the operating and financial policies of an entity with which the directors of that entity are obliged to comply.

- 7.2 The Put Option shall be exercised by the Warrant Holder serving upon the Company an irrevocable notification ("Put Option Notice"). The Put Option Notice shall specify the Fair Market Value of the relevant Warrants, taking into account any adjustment under clause 5.
- 7.3 If within 20 business days from the Company's receipt of the Put Option Notice, the Company has not delivered a notice in writing to the Warrant Holder disputing the Fair Market Value ("Objection Notice"), the Company shall be deemed to have agreed the Fair Market Value specified in the Put Option Notice, and the Put Option Notice shall automatically become final and binding on the Parties.
- 7.3.1 If the Company has delivered an Objection Notice, the Warrant Holder shall refer the matter to an independent, international and leading investment bank or a leading global firm of accountants (the "Expert") for determination in accordance with clause 8.
- 7.3.2 The Expert must within one month of the matter being referred to it, give written notice of its determination of Fair Market Value to the Company and the Warrant Holder, together with a written explanation setting out in reasonable detail the basis and methods used for the purposes of the calculations performed. The Expert's decision on Fair Market Value is binding upon the Company and the Warrant Holder, and the Fair Market Value set out in the Put Option Notice shall be deemed adjusted in accordance with the Expert's decision on Fair Market Value.
- 7.4 Within 20 business days of the Fair Market Value becoming final and binding, the Company must pay the aggregate Fair Market Value in respect of the relevant Warrants in cash by electronic transfer of funds for same day value to such bank account as the Warrant Holder has specified in the Put Option Notice, whereupon the relevant Warrants will be cancelled and of no further force and effect.

8. FAIR MARKET VALUE

- 8.1 The valuation of the Fair Market Value prior to an IPO shall be determined:
- (a) on a fully diluted basis assuming exercise of all warrants outstanding;
 - (b) by applying techniques that are appropriate in light of the nature, facts, and circumstances of the financial instrument;
 - (c) using reasonable current market data and inputs combined with market participant assumptions; and
 - (d) based on the price that would be received for an asset or paid to transfer a liability in an Orderly Transaction (as defined below), given market conditions at the measurement date, between market participants that are (i) independent of each other, (ii) knowledgeable of the market, (iii) able to transact and willing to transact, that is, they are motivated but not forced or otherwise compelled to do so.
-

- 8.2 The valuation shall be by guided by the International Private Equity and Venture Capital Valuation Guidelines as such are amended from time to time.
- 8.3 Following an IPO the Fair Market Value shall mean the average VWAP of the Company's shares calculated for a period of six (6) months following the date of notification that the Put Option is being exercised. In the first six (6) months after an IPO, the Fair Market Value shall mean the average VWAP of the Company's shares calculated for the entire period from the IPO until the date of notification that the Put Option is being exercised.
- 8.4 For the purposes of this clause 8, "Orderly Transaction" means a transaction that assumes exposure to the market for a period prior to the measurement date to allow for marketing activities that are usual and customary for transactions involving the respective assets or liabilities.

9. TERMS OF THE ISSUE OF SHARES

- 9.1 The following shall apply for the new shares issued in connection with the exercise of Warrants in accordance with these Warrant Terms:

 - (h) the new shares shall carry the same rights as the existing shares in the Company.
-

BILAG 5 TIL SELSKABETS VEDTÆGTER

EVAXION BIOTECH A/S

("Selskabet")

INTRODUKTION

Bestyrelsen har den 17. december 2020 bestemt, at følgende vilkår og betingelser skal være gældende for visse warrants, der udstedes til bestyrelse, direktion, øvrige medarbejdere samt rådgivere/konsulenter i henhold til bemyndigelsen i vedtægternes pkt. 2.5:

1. GENERELT

- 1.1. Selskabet har besluttet at indføre et incitamentsprogram for bestyrelse, direktion, øvrige medarbejdere samt rådgivere/konsulenter (herefter samlet benævnt "Warrantindehavere") i/for Selskabet og dets eventuelle datterselskaber (herefter benævnt "Selskabet"). Programmet er baseret på vederlagsfri tildeling af warrants.
- 1.2. En warrant er en ret, men ikke en pligt, til i nærmere fastlagte perioder (udnyttelsesperioder) at tegne nye aktier i Selskabet til en kurs, der er fastsat på forhånd (udnyttelsesprisen). Udnyttelsesprisen fastsættes af bestyrelsen i forbindelse med hver udstedelse/tildeling af warrants. Én warrant giver ret til at tegne én ordinær aktie i Selskabet á nominelt DKK 1,00.

APPENDIX 5 TO ARTICLES OF ASSOCIATION

EVAXION BIOTECH A/S

(the "Company")

INTRODUCTION

The board of directors has on 17 December 2020 resolved that the following terms and conditions shall apply to certain warrants which are granted to board members, management, other employees and advisors/consultants according to the authorization in article 2.5 of the articles of association:

GENERAL

The Company has decided to introduce an incentive program for board members, management, other employees and advisors/consultants (hereinafter collectively referred to as "Warrant-holders") in/on behalf of the Company and its subsidiaries (collectively the "Company"). The program is based on grant of warrants without payment.

A warrant is a right, but not an obligation, during fixed periods (exercise periods) to subscribe for new ordinary shares in the Company at a fixed price (the exercise price) in advance. The exercise price shall be determined by the board of directors. Each warrant carries the right to subscribe for nominal DKK 1.00 per ordinary share in the Company.

1.3. Warrants tildeles efter bestyrelsens diskretionære skøn.

Warrants are offered at the discretion of the board of directors.

2. TILDELING AF WARRANTS

GRANT OF WARRANTS

2.1. Det skal fremgå af den enkelte Warrantindehavers warrantaftale, hvor mange warrants Warrantindehaveren får tildelt, samt til hvilken kurs warrants kan udnyttes.

The individual Warrantholder's warrant agreement shall describe how many warrants have been granted to the Warrantholder and the exercise price for the warrants.

2.2. Warrantindehaverne skal ikke betale noget vederlag for at få tildelt warrants.

The grant of warrants shall not be subject to payment from the Warrantholders.

2.3. Selskabet eller den til hvem kompetencen er delegeret fører en fortegnelse over tildelte warrants, der ajourføres løbende.

The Company or the Company's proxy shall keep records of granted warrants and update the records at regular intervals.

3. OPTJENING

VESTING

3.1. Warrantindehaveren optjener som udgangspunkt ret til at udnytte warrants med 1/36 pr. måned regnet fra tildelingstidspunktet. Bestyrelsen skal dog være berettiget til at fravige nævnte udgangspunkt og bestemme, at tildelte warrants anses for optjent pr. tildelingstidspunktet, eller at der skal gælde særlige regler for optjeningen. Sådanne eventuelle fravigelser skal specificeres i vedtægterne i forbindelse med udstedelsen.

The warrants granted shall, as a general rule, vest for exercise with 1/36 per month from the date of grant. The board of directors shall, however, be entitled to deviate from the general rule and determine that warrants shall vest as of the grant date, or that special rules shall apply in relation to vesting. Such deviations, if any, shall be specified in the articles of association in connection with the issuance.

3.2. En Warrantindehaver optjener kun warrants, så længe vedkommende er bestyrelsesmedlem eller ansat i Selskabet eller dets eventuelle datterselskaber.

Warrants shall only vest to the extent that the Warrantholder is currently a board member or employed by the Company or its subsidiaries, if any.

4. UDNYTTELSE

- 4.1. Optjente warrants kan udnyttes i to udnyttelsesperioder årligt på 21 dage. Hvis ikke andet fastsættes af bestyrelsen løber udnyttelsesperioderne i 21 dage fra og med henholdsvis den 1. maj og 1. oktober hvert år i perioden 2021-2031. I hvert af de første 4 udnyttelsesvinduer efter en børsnotering eller ADS listing i USA vil en Warrantindehaver imidlertid maksimalt kunne udnytte 25% af sine samlede warrants (optjente og ikke optjente), forudsat yderligere at disse er optjent, jf. her særligt punkt 4.6 nedenfor. Har Warrantindehaveren færre end 100 optjente warrants, kan disse Warrants altid udnyttes i et enkelt vindue. Herefter vil alle optjente warrants kunne udnyttes i de mulige udnyttelsesvinduer.
- 4.2. Hvis den sidste dag i en udnyttelsesperiode er en lørdag eller en søndag, omfatter udnyttelsesperioden også den herefter førstkommande hverdag.
- 4.3. Warrantindehaveren kan frit vælge, i hvilken udnyttelsesperiode optjente warrants skal udnyttes, jf. dog punkt 4.5 nedenfor vedrørende væsentlig misligholdelse. Det er dog en betingelse for udnyttelsen, at Warrantindehaveren i en given udnyttelsesperiode udnytter optjente warrants, der giver ret til tegning af minimum nominelt DKK 100 aktier i Selskabet (eller det mindre antal, som Warrantindehaveren er blevet tildelt, eller som Warrantindehaveren fortsat ejer).

EXERCISE

- Vested warrants may be exercised in two annual exercise periods that run for 21 days. Unless the board of directors determines otherwise the exercise periods will run for 21 days from and including respectively 1 May and 1 October each year during the period 2021-2031. In each of the first 4 exercise windows following a listing of the Company's shares or an ADS listing a Warranholder shall, however, only be entitled to exercise 25% of his/her warrants (vested and unvested), provided further that these are vested, see also clause 4.6 below. If the Warranholder holds less than 100 vested warrants the warrants can always exercised in one separate window. After these 4 first exercise windows all vested warrants can be exercised in a window.
- If the last day of an exercise period is a Saturday or Sunday, the exercise period shall also include the first weekday immediately following the stipulated period.
- The Warranholder shall be free to choose in which exercise vested warrants shall be exercised, cf. however, clause 4.5 below regarding material breach. It is, however, a condition for exercise that the Warranholder in a given exercise period exercises vested warrants, which provides for subscription of minimum nominal DKK 100 shares in the Company (or such lower amount as the Warranholder has been granted or still holds).
-

- 4.4. De warrants, som Warrantindehaveren ikke udnytter i den sidste udnyttelsesperiode, bortfalder uden yderligere varsel og uden kompensation eller vederlag af nogen art til Warrantindehaveren.
- 4.5. Warrantindehaverens udnyttelse af warrants forudsætter som udgangspunkt, at Warrantindehaveren er ansat i Selskabet eller et koncernforbundet selskab på det tidspunkt, hvor warrants udnyttes. I tilfælde af ansættelsesforholdets ophør gælder de i punkt 5 nedenfor indeholdte bestemmelser.
- 4.6. Selskabets bestyrelse er i tilfælde af at Selskabet børsnoteres eller der noteres ADS'er i USA berettiget til énsidigt at ændre udnyttelsesperioderne, således at udnyttelsesperioderne tilpasses de til enhver tid gældende regler for insiderhandel, hvilket medmindre bestyrelsen beslutter andet vil sige at der vil være fire udnyttelsesperioder på to uger hver, som ligger umiddelbart efter selskabets aflæggelse af årsrapporten, kvartalsrapporterne og halvårsrapporten.
- 4.7. I forbindelse med en notering af ADS'er på Nasdaq, USA, har Selskabets bestyrelse i henhold til pkt. 4.1 truffet beslutning om at fastsætte udnyttelsesvinduerne for udstedte warrants således:
- Optjente warrants kan udnyttes i fire årlige udnyttelsesvinduer på 2 uger, som hver ligger to handelsdage efter offentliggørelsen af henholdsvis Selskabets årsrapport, halvårsregnskabet samt kvartalsmeddelelserne. Første udnyttelsesperiode indtræder dog tidligst 180 dage efter Selskabets notering af ADS'er på Nasdaq, USA, og i de første fire udnyttelsesperioder kan warrantindehaveren maksimalt udnytte 25% af de til warrantindehaveren tildelte warrants forudsat altid at warrants er optjent.
- Warrants not exercised by the Warrantholder during the last exercise period shall become null and void without further notice and without compensation or payment of any kind to the Warrantholder.
- The Warrantholder's exercise of warrants shall generally require that the Warrantholder is employed by the Company or any affiliated group company at the time of exercise. In the event of termination of the employment the terms and conditions included in clause 5 below shall apply.
- In the event of a listing of the Company's shares, or an ADS listing on a stock exchange, the Company's board of directors, at its discretion, is entitled to change the exercise periods in order to adapt to applicable rules on insider trading, which unless the board of directors determine otherwise will mean that there will be four exercise periods of two weeks each following respectively the reporting of an annual report, quarterly reports and the interim 6-months' report.
- In connection with a listing of ADSs on Nasdaq, USA, the board of directors has resolved, pursuant to clause 4.1, to determine the exercise windows for issued warrants as follows:
- Vested warrants may be exercised in four annual exercise windows of two weeks each that each commence two trading days following publication of the Company's annual report, the 6-month report and the interim reports. The first exercise window shall, however, be at least 180 days following the listing by the Company of ADSs on Nasdaq, USA and in the first four exercise periods the warrantholder may as a maximum exercise 25% of the warrants granted to the respective warrantholders, provided always that the warrants have vested.
-

5. FRATRÆDEN

5.1. Warrantindehaverens udnyttelse af optjente warrants er reguleret ovenfor i punkt 4.

I tilfælde af bestyrelshvervets eller ansættelsesforholdets ophør bevarer Warrantindehaveren retten til at udnytte warrants, som allerede er optjente på tidspunktet for bestyrelshvervet eller ansættelsesforholdets ophør, dvs. fra og med den første dag, hvor Warrantindehaveren ikke længere har krav på at modtage honorar eller løn fra Selskabet, uanset om Warrantindehaveren faktisk ophører med at fungere på et tidligere tidspunkt, samt retten til at udnytte eventuelle warrants, som senere måtte blive optjent i henhold til punkt 3 ovenfor.

5.2. Uanset det ovenfor anførte gælder, at såfremt bestyrelshvervet eller ansættelsesforholdet med Warrantindehaveren bringes til ophør af Selskabet som en følge af Warrantindehaverens misligholdelse, bortfalder alle warrants (optjente og ikke-optjente) dog uden yderligere varsel og uden compensation eller vederlag af nogen art til Warrantindehaveren.

RESIGNATION

The Warranholder's exercise of vested warrants is regulated above in section 4.

In the event of termination of the board position or employment, the Warranholder keeps his/her right to exercise warrants already vested at the time the board position or employment is terminated, meaning from the first day when the Warranholder is no longer entitled to a salary or fees from the Company, notwithstanding that the Warranholder has actually ceased to perform his/her duties at an earlier date, as well as his/her right to exercise any warrants that may vest later pursuant to section 3 above.

Irrespective of the above, if the Company terminates the board membership or employment contract due to the Warranholder's breach of contract, all warrants (vested and unvested) shall become null and void without further notice and without compensation or payment of any kind to the Warranholder.

6. JUSTERING AF WARRANTS

- 6.1. Hvis der sker ændringer i Selskabets kapitalforhold, der medfører en ændring af den potentielle gevinstmulighed, der er knyttet til en warrant, skal warrants justeres i henhold til nærværende punkt 6.
- 6.2. En justering skal ske, således at den potentielle gevinstmulighed, der er knyttet til en warrant, så vidt muligt er den samme som før og efter indtræden af den hændelse, der begrundet justeringen. Justeringen gennemføres med bistand fra Selskabets eksterne rådgiver. Justeringen kan ske enten ved en forøgelse eller en formindskelse af det antal aktier, der kan udstedes i henhold til en warrant, og/eller en forøgelse eller formindskelse af udnyttelseskursen.
- 6.3. Selskabets udstedelse af medarbejderaktier, aktieoptioner og/eller yderligere warrants som led i medarbejderaktieordninger (herunder til bestyrelsesmedlemmer) såvel som senere udnyttelse af sådanne optioner og/eller warrants, medfører ikke krav på justering af warrants. Den kapitalforhøjelse, der finder sted som følge af Warrantindehavernes udnyttelse af warrants i Selskabet, medfører heller ikke justering af warrants. Herudover skal warrantindehaveren, uanset punkt 6.5, ikke være berettiget til justering, såfremt der sker aktieudstedelser til under markedskurs, som en følge af eksempelvis udvandingsbestemmelser i den for Selskabets aktionærers gældende ejerftale som medfører en udvanding af Selskabets ordinære aktier eller ved konvertering af konvertible obligationer, som blev udstedt til markedskurs, uanset, at selve konverteringen sker til favørkurs på konverteringstidspunktet.

ADJUSTMENT OF WARRANTS

- Changes in the Company's capital structure causing a change of the potential possibility of gain attached to a warrant shall require an adjustment of the warrants in accordance with this clause 6.
- Adjustments shall be made so that the potential possibility of gain attached to a warrant, in so far as possible, shall remain the same before and after the occurrence of the incident causing the adjustment. The adjustment shall be carried out with the assistance of the Company's external advisor. The adjustment may be effected either by an increase or decrease of the number of shares that can be issued following an exercise of a warrant and/or an increase or decrease of the exercise price.
- Warrants shall not be adjusted as a result of the Company's issue of additional employee shares, share options and/or warrants as part of employee share option program (including options to board members) as well as future exercise of such options and/or warrants. Warrants shall, furthermore, not be adjusted as a result of capital increases following the Warranholders' and others' exercise of warrants in the Company. In addition the Warranholder shall, irrespective of clause 6.5, not be entitled to adjustments in the event of capital increases below market price if e.g. anti-dilution provisions in the shareholders' agreement for the Company's shareholders results in a dilution of the Company's ordinary shares or in connection with convertible bonds, issued at market price, irrespective of whether the conversion itself takes place at a discount upon conversion.

Enhver regulering af udnyttelseskursen og/eller det antal aktier som kan tegnes ved udnyttelse af warrants i henhold til dette pkt. 6 skal alene gælde for warrants, som endnu ikke er udnyttet på det tidspunkt, der medfører en regulering. Allerede udnyttede warrants påvirkes ikke af reguleringer.

Any adjustments of the exercise price and/or and/or the number of shares that can be subscribed for by exercising the warrants pursuant to this clause 6 shall only apply to warrants not exercised by the Warrantholder at the time of the event triggering the adjustment. No adjustment shall affect already exercised warrants.

6.4. Fondsaktier:

Bonus Shares

Hvis det besluttes at udstede fondsaktier i Selskabet, skal warrants justeres således:

If it is decided to issue bonus shares in the Company, warrants shall be adjusted as follows:

Udnyttelsesprisen på enhver endnu ikke udnyttet warrant ganges med faktoren:

The exercise price for each warrant not yet exercised shall be multiplied by the factor:

$$a = \frac{A}{(A+B)}$$

$$a = \frac{A}{(A+B)}$$

og antallet af endnu ikke udnyttede warrants ganges med faktoren:

and the number of warrants not yet exercised shall be multiplied by the factor:

$$\frac{1}{a}$$

$$\frac{1}{a}$$

hvor:

where:

A = den nominelle aktiekapital før udstedelsen af fondsaktier, og

A = the nominal share capital before issue of bonus shares, and

B = den samlede nominelle værdi på fondsaktierne.

B = the total nominal value of bonus shares.

Hvis det justerede antal aktier ikke er et helt tal, skal der afrundes nedad til det nærmeste hele tal.

If the adjusted number of shares does not amount to a whole number, the number shall be rounded down to the nearest whole number.

6.5. Kapitalændringer til en anden kurs end markedskursen:

Changes of capital at a price different from the market price:

Hvis det besluttes at forhøje eller nedsætte aktiekapitalen i Selskabet til en kurs under markedskursen (vedrørende kapitalnedsættelser også til over markedskursen), skal warrants justeres således:

If it is decided to increase or decrease the share capital in the Company at a price below the market price (in relation to capital decreases also above the market price), warrants shall be adjusted as follows:

Udnyttelsesprisen på enhver endnu ikke udnyttet warrant ganges med faktoren:

The exercise price for each non-exercised warrants shall be multiplied by the factor:

$$a = \frac{(A \times K) + (B \times T)}{(A+B) \times K}$$

$$a = \frac{(A \times K) + (B \times T)}{(A+B) \times K}$$

og antallet af endnu ikke udnyttede warrants ganges med faktoren

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{a}$$

$$\frac{1}{a}$$

hvor:

where:

A = den nominelle aktiekapital før ændringen i kapitalen

A = nominal share capital before the change in capital

B = den nominelle ændring i aktiekapitalen

B = nominal change in the share capital

K = aktiens markedskurs / lukkekurs dagen forinden annoncering af ændringen i aktiekapitalen, og

K = market price / closing price of the share on the day prior to the announcement of the change in the share capital, and

T = tegningskurs/nedsættelseskurs ved ændringen i aktiekapitalen

T = subscription price/reduction price in relation to the change in the share capital

Hvis det justerede antal aktier ikke er et helt tal, skal der afrundes nedad til det nærmeste hele tal.

If the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

Såfremt Selskabet er børsnoteret skal der ikke ske regulering i tilfælde af fravigelser fra den noterede kurs på 10% eller mindre.

In the event the Company is listed no adjustments shall take place in the event that the deviation from the listed price is 10% or less.

6.6. Ændringer i den enkelte aktie pålydende værdi:

Changes in the nominal value of each individual share:

Hvis det besluttes at ændre aktiernes pålydende værdi, skal warrants justeres således:

If it is decided to change the nominal value of the shares, warrants shall be adjusted as follows:

Udnyttelsesprisen på enhver endnu ikke udnyttet warrant ganges med faktoren:

The exercise price for each non-exercised warrant shall be multiplied by the factor:

$$a = \frac{A}{B}$$

$$a = \frac{A}{B}$$

og antallet af endnu ikke udnyttede warrants ganges med faktoren:

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{a}$$

$$\frac{1}{a}$$

hvor:

where:

A = den enkelte aktie nominelle værdi efter ændringen, og

A = nominal value of each share after the change, and

B = den enkelte aktie nominelle værdi før ændringen.

B = nominal value of each share before the change.

Hvis det justerede antal aktier ikke er et helt tal, skal der afrundes nedad til det nærmeste hele tal.

If the adjusted number of shares does not amount to a whole number, the number shall be rounded down to the nearest whole number.

6.7. Udbetaling af udbytte:

Hvis det besluttet at udbetale udbytte, skal den del af udbyttet, der overstiger 10 % af egenkapitalen, medføre en justering af udnyttelsesprisen efter denne formel:

$$E2 = E1 - \frac{U - U_{\max}}{A}$$

hvor:

E2 = den justerede udnyttelsespris

E1 = den oprindelige udnyttelsespris

U = det udbetalte udbytte

U_{max} = 10 % af egenkapitalen, og

A = det samlede antal aktier i Selskabet.

Den egenkapital, der skal lægges til grund ved ovenstående justering, er egenkapitalen anført i den årsrapport som godkendes af generalforsamlingen hvor udbytte besluttet, men justeret til markedsværdi. Hvis Selskabet er børsnoteret, fastsættes markedsværdien til aktiernes noterede pris på tidspunktet for beslutningen om at udbetale udbytte. Hvis Selskabet er unoteret, fastsættes markedsværdien fra seneste kapitalrunde i Selskabet hvor en eller flere investorer har tegnet aktier.

Payment of dividend:

If it is decided to pay dividends, the part of the dividends exceeding 10 per cent of the equity capital shall lead to adjustment of the exercise price according to the following formula:

$$E2 = E1 - \frac{U - U_{\max}}{A}$$

where:

E2 = the adjusted exercise price

E1 = the original exercise price

U = dividends paid out

U_{max} = 10 per cent of the equity capital, and

A = total number of shares in the Company.

The equity capital which shall form the basis of the abovementioned adjustment is the equity capital stipulated in the Annual Report to be adopted at the General Meeting where dividends shall be approved before allocation, but adjusted to market price. If the Company is listed then the market price shall be the listed price of the shares at the time of the decision to pay dividends. If the Company is unlisted then the market price shall be determined by the latest investment round in the Company, in which one or more investors have subscribed shares.

6.8. Andre ændringer i Selskabets kapitalforhold:

Hvis der sker andre ændringer i Selskabets kapitalforhold, der medfører en ændring i warrants økonomiske værdi, skal (medmindre andet er angivet ovenfor) warrants justeres, således at ændringen ikke påvirker warrants økonomiske værdi.

Den beregningsmetode, der skal anvendes ved justeringen, fastsættes af en af bestyrelsen valgt ekstern rådgiver.

Det præciseres, at forhøjelse eller nedsættelse af Selskabets aktiekapital til markedskurs ikke medfører, at der skal finde regulering sted af tegningskursen eller antallet af aktier, der kan tegnes.

6.9. Likvidation:

Hvis Selskabet bliver likvideret, fremskyndes et evt. optjeningstidspunkt for alle uudnyttede warrants, således at Warrantindehaveren kan udnytte warrants i en ekstraordinær udnyttelsesperiode umiddelbart før den pågældende transaktion finder sted.

6.10. Fusion og spaltning:

Hvis Selskabet indgår i en fusion som det fortsættende selskab, bliver warrants ikke påvirket, medmindre der i forbindelse med fusionen sker en kapitalforhøjelse til en anden kurs end markedskursen, idet warrants i så fald justeres i henhold til punkt 6.5.

Other changes in the Company's capital position:

In the event of other changes in the Company's capital position causing changes to the financial value of warrants, warrants shall (unless otherwise indicated above) be adjusted in order to ensure that the changes do not influence the financial value of the warrants.

The calculation method to be applied to the adjustment shall be decided by an external advisor appointed by the board of directors.

It is emphasized that increase or decrease of the Company's share capital at market price does not lead to an adjustment of the subscription price or the number of shares to be subscribed.

Liquidation:

Should the Company be liquidated, the vesting time, if any, for all non-exercised warrants shall be changed so that the Warrantholder may exercise his/her warrants in an extraordinary exercise period immediately preceding the relevant transaction.

Merger and split:

If the Company merges as the continuing company, warrants shall remain unaffected unless, in connection with the merger, the capital is increased at a price other than the market price and in that case warrants shall be adjusted in accordance with clause 6.5.

Hvis Selskabet fusionerer som det ophørende selskab eller bliver spaltet, kan det fortsættende selskabs bestyrelse vælge én af disse muligheder:

- a) Warrantindehaveren kan umiddelbart inden fusionen/spaltningen udnytte alle ikke udnyttede warrants, der ikke er bortfaldet (inklusive warrants der endnu ikke er optjent), eller
- b) warrants erstattes af nye aktie/aktieinstrumenter i de(t) fortsættende selskab(er) af tilsvarende økonomisk værdi før skat. Ved spaltning kan de fortsættende selskaber selv bestemme, i hvilke(t) selskab(er) Warrantindehaverne skal modtage de nye aktie/aktieinstrumenter.

6.11. Salg og aktieombytning:

Hvis mere end 50% af aktiekapitalen i Selskabet bliver solgt (ikke tegnet eller udstedt) eller indgår i en aktieombytning, kan bestyrelsen vælge én af disse muligheder:

- a) Warrantindehaveren kan umiddelbart inden salget/aktieombytningen udnytte alle ikke-udnyttede warrants, der ikke er bortfaldet (inklusive warrants der endnu ikke er optjent). Herudover indtræder der en pligt, hvorefter Warrantindehaverne skal sælge de tegnede aktier på samme vilkår som de øvrige aktionærer (ved salg).

If the Company merges as the terminating company or is split, the continuing company's board of directors may elect one of the following possibilities:

- a) The Warrantholder may exercise all non-exercised warrants that are not declared null and void (inclusive of warrants not yet vested) immediately before the merger/split, or
- b) new share instruments in the continuing company/companies of a corresponding financial pre-tax value shall replace the warrants. On split the continuing companies may decide in which company/companies the Warrantholders shall receive the new share instruments.

Sale and exchange of shares:

If more than 50 per cent of the share capital in the Company is sold (not subscribed or issued) or is part of a share swap, the board of directors may elect one of the following possibilities:

- a) The Warrantholder may exercise all non-exercised warrants that are not declared null and void (inclusive of warrants not yet vested) immediately before the sale/swap of shares. Furthermore, the Warrantholder shall undertake an obligation to sell the subscribed shares on the same conditions as the other shareholders (when selling)
-

b) Tildelte warrants erstattes af aktieinstrumenter i det erhvervende selskab af tilsvarende økonomisk værdi før skat.

c) Tildelte warrants fortsætter uændret.

b) Share instruments in the acquiring company of a corresponding pre-tax value shall replace the granted warrants.

a) Granted warrants continue unchanged.

6.12. Fælles bestemmelser vedrørende 6.9–6.11:

Selskabet er forpligtet til at give Warrantindehaveren skriftlig meddelelse, hvis en af de ovenfor nævnte transaktioner finder sted. Når Warrantindehaveren har modtaget den skriftlige meddelelse, har Warrantindehaveren – i de tilfælde, hvor Warrantindehaveren ekstraordinært kan udnytte warrants, jf. 6.9-6.11 – 2 uger til skriftligt at informere Selskabet om, hvorvidt han/hun vil gøre brug af tilbuddet. Hvis Warrantindehaveren ikke har givet Selskabet skriftligt svar inden 2-uger eller undlader at betale inden for den betalingsfrist, der er fastsat, bortfalder warrants uden yderligere varsel og uden kompensation. Udnyttelseskursen kan ikke komme under aktiernes nominelle værdi.

Warrantindehaverens rettigheder i anledning af en beslutning truffet af et kompetent organ i selskabet, jf. 6.9-6.11, er betinget af, at den relevante beslutning efterfølgende registreres i Erhvervsstyrelsen, hvis registrering er en gyldighedsbetingelse.

Common provisions regarding 6.9-6.11:

If one of the transactions mentioned above is made, the Company shall inform the Warrantholder hereof by written notice. Upon receipt of the written notice, the Warrantholder shall – in cases where the Warrantholder may extraordinarily exercise warrants, see 6.9-6.11 – inform the Company in writing whether he/she will make use of the offer. If the Warrantholder has not answered the Company in writing within 2 weeks or fails to pay within the fixed time, warrants shall become null and void without further notice or compensation. The exercise price cannot go below the nominal value of the shares.

The Warrantholder's rights in connection with decisions made by any competent company body, see clause 6.9-6.11, shall be contingent on subsequent registration of the relevant decision with the Danish Business Authority provided that registration is a condition of its validity.

**7. OVERDRAGELSE, PANTSÆTNING OG TRANSFER, PLEDGE AND ENFORCEMENT
KREDITORFORFØLGNING**

7.1. Tildelte warrants kan ikke gøres til genstand for udlæg, overdrages eller på anden måde overføres, ej heller i forbindelse med bodeling, og hverken til eje eller til sikkerhed, uden bestyrelsens samtykke. Warrantindehaverens warrants kan dog overgå til Warrantindehaverens ægtefælle/samlever og/eller livsarvinger i tilfælde af Warrantindehaverens død. Det er en betingelse herfor, at modtageren underskriver den gældende warrantaftale samt, såfremt dette kræves af bestyrelsen, en ejerftale.

Warrants shall not be subject to charging orders, transfer of any kind, including in connection with division of property on divorce or legal separation, for ownership or as security without the consent of the board of directors. The Warrantholder's warrants may, however, be transferred to the Warrantholder's spouse/cohabitant and/or issue in the event of the Warrantholder's death. It is a condition precedent that the recipient signs the applicable warrant agreement and, to the extent required by the board of directors, a shareholders' agreement.

8. TEGNING AF NYE AKTIER VED UDNYTTELSE AF WARRANTS

SUBSCRIPTION FOR NEW SHARES BY EXERCISE OF WARRANTS

8.1. Tegning af nye aktier ved udnyttelse af tildelte warrants finder sted ved, at Warrantindehaveren afleverer en af Selskabet udarbejdet udnyttelsesmeddelelse til Selskabet senest kl. 16:00 CET den sidste dag i den relevante udnyttelsesperiode. Udnyttelsesmeddelelsen skal være udfyldt med alle informationer. Udnyttelsesprisen for de nye aktier, der skal betales ved et kontant indskud, skal være modtaget af Selskabet senest på den sidste dag i den relevante udnyttelsesperiode.

Subscription for new shares by exercise of granted warrants must be made through submission by the Warrantholder no later than the last day of the relevant exercise period at 16:00 CET to the Company of an exercise notice drafted by the Company. The exercise notice shall be filled in with all information. The Company must have received the exercise price for the new shares, payable as a cash contribution, by the last day of the relevant exercise period.

8.2. Hvis den i punkt. 8.1 angivne frist overskrides, enten således at udnyttelsesmeddelelsen i udfyldt stand eller betalingen ikke er Selskabet i hænde inden kl. 16 på den sidste dag i udnyttelsesperioden, anses tegningen for ugyldig, og Warrantindehaveren kan i denne situation ikke anses for herved at have udnyttet sine warrants for en eventuel efterfølgende udnyttelsesperiode.

If the limitation period set forth in clause 8.1 expires as a result of the Company not having received the filled-in exercise notice or the payment by 16:00 of the last day of the exercise period, the subscription shall be deemed invalid, and in this situation the Warrantholder shall not be considered as having exercised his/her warrants for a possible subsequent exercise period.

- 8.3. De warrants, som Warrantindehaveren ikke har udnyttet i den sidste udnyttelsesperiode, bortfalder uden yderligere varsel og uden kompensation. Warrants not exercised by the Warrantholder during the last exercise period shall become null and void without further notice and without compensation.
- 8.4. Når den kapitalforhøjelse, som udnyttelsen af warrants har medført, er registreret i Erhvervsstyrelsen, modtager Warrantindehaveren fra Selskabet dokumentation for sit ejerskab til aktier i Selskabet. When the capital increase caused by exercise of warrants has been registered with the Danish Business Authority, the Warrantholder shall receive, from the Company, proof of his shareholding in the Company.
- 8.5. Forud for udnyttelse skal Warrantindehaveren tiltræde Selskabets til enhver tid gældende ejerftale eller en særskilt ejerftale omfattende de af Selskabets aktionærer, som har tegnet aktier ved udnyttelse af warrants. Det samme gælder Warrantindehaverens arvinger /dødsbo. Prior to exercise of warrants, the Warrantholder shall adhere to the Company's shareholders' agreement or a separate shareholders' agreement comprising those shareholders of the Company that have subscribed for shares by exercise of warrants. The same applies to the heirs/estate of the Warrantholder.

Warrantindehaveren er bekendt med og accepterer, at ovennævnte ejerftaler kan indeholde i) forpligtelser til at sælge aktierne ved Warrantindehaverens fratreden, uanset årsag, til en pris der kan afvige fra markedsværdien, ii) konkurrence- og kundeklausuler, iii) salgsbegrænsninger og iv) andre restriktioner på Warrantindehaveren, som kan være byrdefulde for Warrantindehaveren.

The Warrantholder accepts and acknowledges that the above-mentioned shareholders' agreement may contain i) obligations to sell shares upon termination of the Warrantholder's employment, irrespective of the cause, at a price which may deviate from the market value; ii) non-competition and non-solicitation clauses; iii) sales restrictions and iv) other restrictions which may be burdensome for the Warrantholder.

9. DE NYE ORDINÆRE AKTIERS RETTIGHEDER

THE RIGHTS OF NEW ORDINARY SHARES

- 9.1. Udover de ovenfor anførte vilkår for den til de udstedte warrants hørende kapitalforhøjelse gælder følgende vilkår:

In addition to the terms and conditions set forth above, the increase of the share capital relating to the warrants granted shall be subject to the following terms and conditions:

- De nye aktier udstedes i aktier à DKK 1,00 eller multipla heraf,
 - De nye aktier skal give ret til udbytte i selskabet for det løbende regnskabsår, hvori aktierne tegnes, på lige fod med de eksisterende aktier og andre rettigheder i selskabet fra og med datoen for tegningen af aktierne,
 - De nye aktier skal tilhøre samme aktieklasser, som de eksisterende aktier i selskabet,
 - Kapitalforhøjelsen sker uden fortegningsret for de hidtidige aktionærer, idet tegningen sker på baggrund af warrants tildelt til Selskabets eller dets datterselskabers direktionsmedlemmer og øvrige medarbejdere,
 - Der skal ikke gælde indskrænkninger i den til de nye aktier knyttede fortegningsret ved fremtidige kapitalforhøjelser,
 - Fristen for tegning af de nye aktier beregnes på baggrund af bestemmelserne ovenfor,
 - Det fulde beløb til tegning af det antal aktier, som de omfattede medarbejdere mv. ønsker at tegne, skal indbetales kontant og senest samtidig med tegningen af de pågældende aktier, og
 - The new shares will be divided into shares of nominal DKK 1.00 or multiples hereof;
 - The new shares will carry dividend rights for the financial year in which subscription takes place on equal terms with the existing shares as well as other rights in the company as from the day of subscription of the shares;
 - The new shares shall belong to the same share class as the existing shares in the company;
 - The capital increase shall be made without any pre-emption rights for the existing shareholders, given that the subscription is based on warrants granted to the Company's or its subsidiaries' members of the management or other employees;
 - The pre-emption rights attached to the new shares shall not be subject to any restrictions in the event of future capital increases;
 - The deadline for subscription of the new shares shall be calculated pursuant to the provisions set forth above;
 - The full subscription amount for the number of shares which the employees etc. wish to subscribe for, shall be paid in cash no later than on the day of subscription of the shares in question; and
-

- De nye aktier skal lyde på navn, noteres i selskabets ejerbog og være ikke-omsætningspapirer.

9.2. Selskabet afholder omkostninger i forbindelse med udstedelsen af warrants og senere udnyttelse heraf. Selskabets omkostninger forbundet med udstedelsen af warrants og den hertil hørende kapitalforhøjelse anslås til DKK 25.000.

10. ANDRE BESTEMMELSER

10.1. Tildeling af warrants har ingen umiddelbare økonomiske konsekvenser for Warrantindehaveren. Værdien af warrants indgår ikke i beregningen af feriepenge, pensionsbidrag eller øvrige vederlagsafhængige ydelser fra Selskabet eller et evt. datterselskab.

10.2. Det forhold, at Selskabet tilbyder Warrantindehavere warrants, forpligter ikke på nogen måde Selskabet til at opretholde ansættelsesforholdet.

11. SKATTEMÆSSIGE KONSEKVENSER

11.1. De personlige skattemæssige konsekvenser forbundet med Warrantindehaverens tegning eller udnyttelse af warrants er Selskabet uvedkommende.

12. LOVVALG OG VÆRNETING

12.1. Tegningen af warrants, vilkårene herfor og udnyttelsen, og vilkårene for senere tegning af aktier i Selskabet skal reguleres af dansk ret.

- The new shares shall be made out in the name of the holder, be recorded in the company's register of shareholders and be non-negotiable instruments.

The Company shall pay all costs connected with granting of warrants and later exercise thereof. The Company's costs in connection with issue of warrants and the related capital increase are estimated to DKK 25,000.

OTHER PROVISIONS

Grant of warrants has no immediate economic consequences for Warrantholder. The value of warrants will not form part of the calculation of holiday allowances, pension contributions or other contributions or payments, which are based on your remuneration from the Company or a subsidiary, if any.

The fact that the Company offers warrants to Warrantholders shall not in any way obligate the Company to maintain the employment.

TAX CONSEQUENCES

The personal tax implications connected to the Warrantholder's subscription for or exercise of warrants shall be of no concern to the Company.

LAW AND VENUE

Acceptance of warrants, the terms and conditions thereto and the exercise, and terms and conditions for future subscription for shares in the Company shall be governed by Danish law.

- 12.2. Hvis der måtte opstå en tvist mellem Warrantindehaveren og Selskabet i relation til forståelsen eller gennemførelsen af warrantprogrammet, skal denne søges bilagt i mindelighed ved en forhandling mellem parterne. Any disagreement between the Warrantholder and the Company in relation to the understanding or implementation of the warrant scheme shall be settled amicably by negotiation between the parties.
- 12.3. Hvis parterne ikke kan opnå enighed, skal eventuelle tvister afgøres ved de almindelige danske domstole. If the parties fail to reach consensus, any disputes shall be settled by the ordinary Danish courts.

(CVR-NR. 31762863)

("Selskabet")

INTRODUKTION

I henhold til bemyndigelse i vedtægternes punkt 2.10 har bestyrelsen bestemt, at følgende vilkår og betingelser skal være gældende for op til 9.726.898 warrants ("**Warrants**"), der er udstedt til investorer ("**Warrantindehavere**") i forbindelse med tegning af aktier og warrants ("**Udbudte Værdipapirer**") i forbindelse med den rettede emission gennemført 21. december 2023.

En warrant giver ret til at tegne én ordinær aktie i Selskabet à nominelt DKK 1.

APPENDIX 6 TO ARTICLES OF ASSOCIATION

EVAXION BIOTECH A/S

(COMPANY REG. NO. (CBR) 31762863)

(the "**Company**")

INTRODUCTION

Pursuant to the authorisation in article 2.10 of the articles of association, the Board of Directors has resolved that the following terms and conditions shall apply to up to 9,726,898 warrants (the "**Warrants**") which have been granted to investors ("**Warrantholders**") in connection with the subscription of ordinary shares and warrants (together, the "**Offer Securities**") in the private placement directed issue carried out 21 December 2023.

GENERAL

A warrant is a right, but not an obligation, during a fixed period (exercise period) to subscribe for new ordinary shares in the Company at USD 0.707 (the "**Exercise Price**"), converted into DKK using the official exchange rate between DKK and USD on the exercise day, however no less than DKK 1 per share of nominal DKK 1. Each warrant carries the right to subscribe for nominal DKK 1 ordinary share in the Company.

2. TILDELING AF WARRANTS

Warrants er tildelt i forbindelse med tegning af Udbudte Værdipapirer.

3. OPTJENING

Alle Warrants anses for optjent og kan udnyttes straks på tildelingstidspunktet.

4. UDNYTTELSE

Warrants kan udnyttes i perioden begyndende 15. december 2023 og indtil 15. december 2026:

("Udnyttelsesperioden").

Warrantindehaveren kan i Udnyttelsesperioden frit udnytte alle eller en del af sine Warrants på alle dage, hvor The Nasdaq Capital Market eller anden US handelsplads, hvor selskabets værdipapirer er noterede er åben for handel ("**Handelsdag**") med virkning fra den dag, hvor en Warrant Udnyttelsesmeddelelse leveres til Selskabet ("**Udnyttelsesdagen**") under Warrant Udnyttelsesperioden.

På hver valgt Udnyttelsesdag kan Warrantindehaveren udnytte alle eller en del af sine Warrants ved at give meddelelse til Udstederen ("**Warrant Udnyttelsesmeddelelsen**") og kontant betale den modsvarende Udnyttelsespris, herunder ved bankoverførsel.

GRANT OF WARRANTS

The Warranholder is granted warrants in connection with subscription of Offer Securities.

VESTING

All Warrants shall be deemed vested and immediately exercisable as per the grant date.

EXERCISE

Warrants may be exercised in the period commencing 15 December 2023 until 15 December 2026:

(the "**Warrant Exercise Period**").

The Warranholder may exercise all or part of its Warrants on any day The Nasdaq Capital Market or any other U.S. trading market on which the securities of the Company are listed is open for business ("**Trading Day**") of its choice effective at the date of its delivery of a Warrant Exercise Notice (the "**Warrant Exercise Date**") during the Warrant Exercise Period.

On each chosen Warrant Exercise Date, the Warranholder shall exercise all or part of its Warrants by giving notice to the Company (the "**Warrant Exercise Notice**") and pay the corresponding Exercise Price in cash (including by wire transfer).

Hvis den sidste dag i en Udnyttelsesperiode er en lørdag eller en søndag, omfatter Udnyttelsesperioden også den herefter førstkommande hverdag.

De Warrants, som Warrantindehaveren ikke udnytter i Udnyttelsesperioden, bortfalder uden yderligere varsel og uden kompensation eller vederlag af nogen art til Warrantindehaveren.

Selskabet skal indenfor fem (5) Handelsdage fra udløbet af Udnyttelsesperioden, iværksætte registrering enhver relateret og påkrævet registrering hos Erhvervsstyrelsen.

5. JUSTERING AF WARRANTS

Hvis der sker ændringer i Selskabets kapitalforhold (herunder men ikke begrænset til aktiesplit, omvendt aktiesplit, sammenlægning eller anden lignende begivenhed, som giver anledning til sådan ændring), der medfører en ændring af værdien af en warrant, skal Warrants justeres i henhold til nærværende punkt 5.

En justering skal ske, således at den potentielle gevinstmulighed, der er knyttet til en warrant, for så vidt angår de underliggende aktier, så vidt muligt er den samme som før og efter indtræden af den hændelse, der begrundes justeringen. Justeringen gennemføres med bistand fra en ekstern uafhængig rådgiver, som vælges af Selskabets bestyrelse. Justeringen kan ske enten ved en forøgelse eller en formindskelse af det antal aktier, der kan udstedes i henhold til en warrant, og/eller en forøgelse eller formindskelse af udnyttelseskursen.

If the last day of the Warrant Exercise Period is a Saturday or Sunday, the Warrant Exercise Period shall also include the first Trading Day immediately following the stipulated period.

Warrants not exercised by the Warrant-holder during the Warrant Exercise Period shall become null and void without further notice and without compensation or payment of any kind to the Warrantholder.

The Company shall, within five (5) Trading Days from the expiration of the Warrant Exercise Period, initiate any related required filing with the Danish Business Authority.

ADJUSTMENT OF WARRANTS

Changes in the Company's capital structure (including, but not limited to a stock splits, reverse stock split, consolidation or other similar event giving rise to such change) causing a change of the value of a Warrant shall require an adjustment of the Warrants in accordance with this clause 5.

Adjustments shall be made so that the change of the value of a Warrant with respect to the underlying ordinary shares of the Company shall remain the same before and after the occurrence of the event causing the adjustment. The adjustment shall be carried out with the assistance of an external independent advisor appointed by the Company's board of directors. The adjustment may be completed either by an increase or decrease of the number of shares that can be issued following an exercise of a warrant and/or an increase or decrease of the Exercise Price.

Selskabets udstedelse af medarbejderaktier, aktieoptioner og/eller warrants som led i medarbejderaktieordninger (herunder til bestyrelsesmedlemmer, rådgivere og konsulenter) såvel som senere udnyttelse af sådanne optioner og/eller warrants, medfører ikke krav på justering af warrants. Den kapitalforhøjelse, der finder sted i) som følge af Warrantindehaverne udnyttelse af warrants i Selskabet eller ii) Warrantindehaverens udnyttelse af konvertible obligationer, medfører heller ikke justering af warrants.

Enhver regulering af Udnyttelseskursen og/eller det antal aktier som kan tegnes ved udnyttelse af Warrants i henhold til dette pkt. 5 skal alene gælde for Warrants, som endnu ikke er udnyttet på det tidspunkt, der medfører en regulering. Allerede udnyttede Warrants påvirkes ikke af reguleringer.

5.3 **Fondsaktier:**

Hvis det besluttes at udstede fondsaktier i Selskabet, skal Warrants justeres således:

Udnyttelsesprisen på enhver endnu ikke udnyttet Warrant ganges med faktoren:

$$a = \frac{A}{(A+B)}$$

Warrants shall not be adjusted solely as a result of the Company's issue of employee shares, share options and/or warrants as part of employee share option schemes (including options to Directors, advisors and consultants) as well as future exercise of such options and/or warrants. Warrants shall, furthermore, not be adjusted solely as a result of i) capital increases following the Warrantholders' exercise of Warrants in the Company or ii) the Warrantholder's conversion of convertible notes issued by the Company.

Any adjustments of the Exercise Price and/or the number of shares that can be subscribed for by exercising the Warrants pursuant to this clause 5 shall only apply to Warrants not exercised by the Warrantholder at the time of the event triggering the adjustment. No adjustment shall affect already exercised Warrants.

Treasury Shares

If it is decided to issue treasury shares in the Company, Warrants shall be adjusted as follows:

The Exercise Price for each Warrant not yet exercised shall be multiplied by the factor:

$$a = \frac{A}{(A+B)}$$

og antallet af endnu ikke udnyttede Warrants ganges med faktoren:

$$\frac{1}{a}$$

hvor:

A = den nominelle aktiekapital før udstedelsen af fondsaktier, og

B = den samlede nominelle værdi på fondsaktierne.

Hvis det justerede antal aktier ikke er et helt tal, skal der afrundes nedad til det nærmeste hele tal.

5.4 Kapitalændringer til en anden kurs end markedskursen:

Hvis det besluttes at forhøje eller nedsætte aktiekapitalen i Selskabet til en kurs under markedskursen (vedrørende kapitalnedsættelser også til over markedskursen), eller nye warrants med en udnyttelsespris under markedskursen for Selskabets aktier (undtagen medarbejderincitaments programmer) skal Warrants justeres således:

Udnyttelsesprisen på enhver endnu ikke udnyttet warrant ganges med faktoren:

and the number of Warrants not yet exercised shall be multiplied by the factor:

$$\frac{1}{a}$$

where:

A = the nominal share capital before issue of treasury shares, and

B = the total nominal value of treasury shares.

If the adjusted number of shares does not amount to a whole number, the number shall be rounded down to the nearest whole number.

Changes of capital at a price different from the market price:

If it is decided to increase or decrease the share capital in the Company at a price below the market price (in relation to capital decreases also above the market price), or if new warrants with an exercise price below market price of the Company's shares are issued to third parties (not including warrant incentive programs) Warrants shall be adjusted as follows:

The Exercise Price for each non-exercised Warrant shall be multiplied by the factor:

$$a = \frac{(A \times K) + (B \times T)}{(A+B) \times x}$$

og antallet af endnu ikke udnyttede Warrants ganges med faktoren:

$$\frac{1}{a}$$

hvor:

A = den nominelle aktiekapital før ændringen i kapitalen

B = den nominelle ændring i aktie- kapitalen

K = aktiens markedskurs / lukkekurs dagen forinden annoncering af ændringen i aktiekapitalen, og

T = tegningskurs/nedsættelseskurs ved ændringen i aktiekapitalen

Hvis det justerede antal aktier ikke er et helt tal, skal der afrundes nedad til det nærmeste hele tal. Der skal uanset ovenstående ikke ske regulering af Warrants, såfremt Selskabet gennemfører rettede emissioner på markedsvilkår uanset at der i den forbindelse sker tegning til under den noterede kurs.

$$a = \frac{(A \times K) + (B \times T)}{(A+B) \times K}$$

and the number of non-exercised Warrants shall be multiplied by the factor:

$$\frac{1}{a}$$

where:

A = nominal share capital before the change in capital

B = nominal change in the share capital

K = market price / closing price of the share on the day prior to the announcement of the change in the share capital, and

T = subscription price/reduction price in relation to the change in the share capital

If the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number. Irrespective of the above no regulation shall take place to the extent that the Company carries out directed issuances of securities on market terms irrespective of whether shares in connection therewith are subscribed below the listed price.

5.5 Ændringer i den enkelte akties pålydende værdi:

Hvis det besluttes at ændre aktiernes pålydende værdi, skal Warrants justeres således:

Udnyttelsesprisen på enhver endnu ikke udnyttet Warrant ganges med faktoren:

$$a = \frac{A}{B}$$

og antallet af endnu ikke udnyttede warrants ganges med faktoren:

$$\frac{1}{a}$$

hvor:

A = den enkelte akties nominelle værdi efter ændringen, og

B = den enkelte akties nominelle værdi før ændringen.

Hvis det justerede antal aktier ikke er et helt tal, skal der afrundes nedad til det nærmeste hele tal.

5.6 Udbetaling af udbytte:

Hvis det besluttes at udbetale udbytte, skal den del af udbyttet, der overstiger 10 % af egenkapitalen, medføre en justering af udnyttelsesprisen efter denne formel:

Changes in the nominal value of each individual share:

If it is decided to change the nominal value of the shares, Warrants shall be adjusted as follows:

The Exercise Price for each non-exercised Warrant shall be multiplied by the factor:

$$a = \frac{A}{B}$$

and the number of non-exercised Warrants shall be multiplied by the factor:

$$\frac{1}{a}$$

where:

A = nominal value of each share after the change, and

B = nominal value of each share before the change.

If the adjusted number of shares does not amount to a whole number, the number shall be rounded down to the nearest whole number.

Payment of dividend:

If it is decided to pay dividends, the part of the dividends exceeding 10 per cent of the equity capital shall lead to adjustment of the Exercise Price according to the following formula:

$$E2 = E1 - \frac{U - U_{max}}{A}$$

hvor:

E2 = den justerede Udnyttelsespris

E1 = den oprindelige Udnyttelsespris

U = det udbetalte udbytte

U_{max} = 10 % af egenkapitalen, og

A = det samlede antal aktier i Selskabet.

Den egenkapital, der skal lægges til grund ved ovenstående justering, er egenkapitalen anført i den årsrapport som godkendes af generalforsamlingen hvor udbytte beslutes, men justeret til markedsværdi. Hvis Selskabet er børsnoteret, fastsættes markedsværdien til aktiernes noterede pris på tidspunktet for beslutningen om at udbetale udbytte. Hvis Selskabet er unoteret fastsættes markedsværdien fra seneste kapitalrunde i Selskabet hvor en eller flere investorer har tegnet aktier.

5.7 Andre ændringer i Selskabets kapitalforhold:

Hvis der sker andre ændringer i Selskabets kapitalforhold, der medfører en ændring i Warrants værdi, skal (medmindre andet er angivet ovenfor) Warrants justeres, således at ændringen ikke påvirker Warrants økonomiske værdi.

$$E2 = E1 - \frac{U - U_{max}}{A}$$

where:

E2 = the adjusted Exercise Price

E1 = the original Exercise Price

U = dividends paid out

U_{max} = 10 per cent of the equity capital, and

A = total number of shares in the Company.

The equity capital which shall form the basis of the abovementioned adjustment, is the equity capital stipulated in the Annual Report to be adopted at the General Meeting where dividends shall be approved before allocation, but adjusted to market price. If the Company is listed then the market price shall be the listed price of the shares at the time of the decision to pay dividends. If the Company is unlisted then the market price shall be determined by the latest investment round in the Company, in which one or more investors have subscribed shares.

Other changes in the Company's capital position:

In the event of other changes in the Company's capital position causing changes to the value of Warrants, Warrants shall (unless otherwise indicated above) be adjusted in order to ensure that the changes do not influence the financial value of the Warrants.

Den beregningsmetode, der skal anvendes ved justeringen, fastsættes af en af bestyrelsen valgt eksternt uafhængig rådgiver.

The calculation method to be applied to the adjustment shall be decided by an external independent advisor appointed by the Board of Directors.

5.8 Likvidation:

Hvis Selskabet bliver likvideret, kan Warrantindehaveren udnytte Warrants i en ekstraordinær udnyttelsesperiode umiddelbart før den pågældende transaktion finder sted.

Liquidation or Winding-up:

Should the Company be liquidated the Warrantholder may exercise his/her Warrants in an extraordinary exercise period immediately preceding the relevant transaction.

5.9 Fusion og spaltning:

Hvis Selskabet indgår i en fusion som det fortsættende selskab, bliver Warrants ikke påvirket, medmindre der i forbindelse med fusionen sker en kapitalforhøjelse til en anden kurs end markedskursen, idet Warrants i så fald justeres i henhold til ovenstående.

Merger and demerger:

If the Company merges as the continuing company, Warrants shall remain unaffected unless, in connection with the merger, the capital is increased at a price other than the market price and in that case Warrants shall be adjusted in accordance with the above.

Hvis Selskabet fusionerer som det ophørende selskab eller bliver spaltet, kan det fortsættende selskab vælge én af disse muligheder:

If the Company merges as the terminating company or is demerged, the continuing company may choose one of the following possibilities:

- (a) Warrantindehaveren kan umiddelbart inden fusionen/spaltningen udnytte alle ikke udnyttede Warrants, der ikke er bortfaldet (inklusive Warrants der endnu ikke er optjent), eller (b) Warrants bliver erstattet af nye aktie/aktieinstrumenter i de(t) fortsættende selskab(er) af tilsvarende økonomisk værdi før skat. Ved spaltning kan de fortsættende selskaber selv bestemme, i hvilke(t) selskab(er) Warrantindehaverne skal modtage de nye aktier/aktieinstrumenter.

- (a) The Warrantholder may exercise all non-exercised Warrants that are not declared null and void (inclusive of Warrants not yet vested) immediately before the merger/demerger, or (b) new share instruments in the continuing company/companies of a corresponding financial pre-tax value shall replace the Warrants. Upon demerger, the continuing companies may decide in which company/companies the Warrantholders shall receive the new shares or share instruments.
-

5.10 Salg og aktieombytning:

Hvis mere end 50% af aktiekapitalen i Selskabet bliver solgt (ikke tegnet eller udstedt) eller indgår i en aktieombytning,

- kan Warrantindehaveren umiddelbart inden salget/aktieombytningen udnytte alle ikke-udnyttede Warrants, der ikke er bortfaldet. Såfremt det erhvervende selskab tilbyder aktieinstrumenter i det erhvervende selskab af tilsvarende økonomisk værdi før skat kan Warrantindehaveren vælge i stedet at modtage sådanne aktieinstrumenter.

5.11 Fælles bestemmelser vedrørende 5.8-5.10:

Selskabet er forpligtet til at give Warrantindehaveren skriftlig meddelelse, hvis en af de ovenfor nævnte transaktioner finder sted. Når Warrantindehaveren har modtaget den skriftlige meddelelse, har Warrantindehaveren – i de tilfælde, hvor Warrantindehaveren ekstraordinært kan udnytte Warrants, jf. 5.8-5.10 – 2 uger til skriftligt at informere Selskabet om, hvorvidt Warrantindehaveren vil gøre brug af tilbuddet. Hvis Warrantindehaveren ikke har givet Selskabet skriftligt svar inden 2-uger eller undlader at betale inden for den betalingsfrist, der er fastsat, bortfalder Warrants uden yderligere varsel og uden kompensation. Udnyttelsesprisen kan ikke komme under aktiernes nominelle værdi.

Sale and exchange of shares:

If more than 50 per cent of the share capital in the Company is sold (not subscribed or issued) or is part of a share swap,

- the Warrantholder may exercise all non-exercised Warrants that are not declared null and void immediately before the sale/swap of shares. In the event that the acquiring company offers share instruments of a corresponding pre-tax value the Warrantholder may elect instead to replace the issued Warrants with such share instrument.

Common provisions regarding 5.8-5.10:

If one of the transactions mentioned above is made, the Company shall inform the Warrantholder hereof by written notice. Upon receipt of the written notice, the Warrantholder shall – in cases where the Warrantholder may extraordinarily exercise Warrants, see 5.8-5.10 – inform the Company in writing whether the Warrantholder will make use of the offer. If the Warrant-holder has not answered the Company in writing within 2 weeks or fails to pay within the fixed time, Warrants shall become null and void without further notice or compensation. The Exercise Price cannot go below the nominal value of the shares.

Warrantindehaverens rettigheder i anledning af en beslutning truffet af et kompetent organ i selskabet, jf. 5.10-5.12, er betinget af, at den relevante beslutning efterfølgende registreres i Erhvervsstyrelsen, hvis registrering er en gyldighedsbetingelse.

The Warrantholder's rights in connection with decisions made by any competent company body, see clause 5.10-5.12, shall be contingent on subsequent registration of the relevant decision with the Danish Business Authority provided that registration is a condition of its validity.

6. TEGNING AF NYE AKTIER VED UDNYTTELSE AF WARRANTS

Tegning af nye aktier ved udnyttelse af tildelte Warrants finder sted ved, at Warrantindehaveren senest kl. 16:00 CET den sidste dag i Udnyttelsesperioden den 15. december 2026,

- (i) giver meddelelse til Selskabet eller Selskabets kontoførende institut herom ved indgivelse af Warrant Udnyttelsesmeddelelse udarbejdet af Selskabet eller Selskabets kontoførende institut indeholdende angivelse af hvor mange aktier, der ønskes tegnet, og
- (ii) foretager betaling til en af Selskabet eller Selskabets kontoførende institut angivet konto.

SUBSCRIPTION FOR NEW SHARES BY EXERCISE OF WARRANTS

Subscription for new shares by exercise of issued Warrants must be made by the Warrantholder's at the latest at 16:00 CET on 15 December 2026,

- (i) submission to the Company or the Company's custodian bank of a Warrant Exercise Notice made available by the Company or the Company's custodian bank including information about the number of shares to be subscribed, and
 - (ii) payment of the Exercise Price by the Warrantholder to the Company or the Company's custodian bank.
-

Warrant Udnyttelsesmeddelelsen skal afgives og betaling skal ske i overensstemmelse hermed.

Hvis den i punkt. 6.1 angivne frist overskrides, enten således at Udnyttelsesmeddelelsen i udfyldt stand eller betalingen ikke er Selskabet i hænde inden kl. 16 på den sidste dag i Udnyttelsesperioden, anses tegningen for ugyldig, og Warrantindehaveren kan i denne situation ikke anses for herved at have udnyttet sine warrants for en eventuel efterfølgende Udnyttelsesperiode.

De warrants, som Warrantindehaveren ikke har udnyttet i den sidste dag i Udnyttelsesperioden, bortfalder uden yderligere varsel og uden kompensation.

7. DE NYE ORDINÆRE AKTIERS RETTIGHEDER

Udover de ovenfor anførte vilkår for den til de udstedte Warrants hørende kapitalforhøjelse gælder følgende vilkår:

- De nye aktier udstedes i aktier à DKK 1 eller multipla heraf,
- De nye aktier skal give ret til udbytte i selskabet for det løbende regnskabsår, hvori aktierne tegnes, på lige fod med de eksisterende aktier og andre rettigheder i selskabet fra og med datoen for tegningen af aktierne,

The submission of the Warrant Exercise Notice and the payment of the Exercise Price must be made in accordance herewith.

If the limitation period set forth in clause 6.1 expires as a result of the Company not having received the filled -in Warrant Exercise Notice or the payment by 16:00 of the last day of the Warrant Exercise Period, the subscription shall be deemed invalid, and in this situation the Warrantholder shall not be considered as having exercised his/her/its Warrants for a possible subsequent Warrant Exercise Period.

Warrants not exercised by the Warrantholder prior to the last day in the Warrant Exercise Period shall become null and void without further notice and without compensation.

THE RIGHTS OF NEW ORDINARY SHARES

In addition to the terms and conditions set forth above, the increase of the share capital relating to the Warrants granted shall be subject to the following terms and conditions:

- The new shares will be divided into shares of nominally DKK 1 or multiples hereof;

- De nye aktier skal tilhøre samme aktieklasse, som de eksisterende aktier i selskabet,
- Kapitalforhøjelsen sker uden fortegningsret for de eksisterende aktionærer, idet tegningen sker på baggrund af Warrants udstedt til Warrantindehaveren,
- Der skal ikke gælde indskrænkninger i den til de nye aktiers knyttede fortegningsret ved fremtidige kapitalforhøjelser,
- Fristen for tegning af de nye aktier beregnes på baggrund af bestemmelserne ovenfor,
- Det fulde beløb til tegning af det antal aktier, som ønskes tegnet, skal indbetales kontant og senest samtidig med tegningen af de pågældende aktier, og
- De nye aktier skal lyde på navn, noteres i selskabets ejerbog og være omsætningspapirer.
- The new shares shall belong to the same share class as the existing shares in the company;
- The capital increase shall be made without any pre-emption rights for the existing shareholders, given that the subscription is based on Warrants issued to the Warrantholder;
- The pre-emption rights attached to the new shares shall not be subject to any restrictions in the event of future capital increases;
- The deadline for subscription of the new shares shall be calculated pursuant to the provisions set forth above;
- The full subscription amount for the number of shares which are to be subscribed, shall be paid in cash no later than on the day of subscription of the shares in question; and
- The new shares shall be made out in the name of the holder, be recorded in the company's register of shareholders and be negotiable instruments.

Selskabet afholder omkostninger i forbindelse med udstedelsen af Warrants og senere udnyttelse heraf. Selskabets omkostninger forbundet med udstedelsen af Warrants og den hertil hørende kapitalforhøjelse anslås til DKK 10.000.

The Company shall pay all costs connected with granting of Warrants and later exercise thereof. The Company's costs in connection with issue of Warrants and the related capital increase are estimated to DKK 10,000.

8. SKATTEMÆSSIGE KONUSDVENSER

De skattemæssige konsekvenser forbundet med Warrantindehaverens tegning eller udnyttelse af Warrants er Selskabet uvedkommende.

9. LOVVALG OG VÆRNETING

Tegningen af Warrants, vilkårene herfor og udnyttelsen, og vilkårene for senere tegning af aktier i Selskabet skal reguleres af dansk ret.

Hvis der måtte opstå en tvist mellem Warrantindehaveren og Selskabet i relation til forståelsen eller gennemførelsen af warrantprogrammet, skal denne søges bilagt i mindelighed ved en forhandling mellem parterne.

Hvis parterne ikke kan opnå enighed, skal eventuelle tvister afgøres ved de almindelige danske domstole.

TAX CONSEQUENCES

The tax implications connected to the Warrantholder's subscription for or exercise of Warrants shall be of no concern to the Company.

LAW AND VENUE

Acceptance of Warrants, the terms and conditions thereto and the exercise, and terms and conditions for future subscription for shares in the Company shall be governed by Danish law.

Any disagreement between the Warrant-holder and the Company in relation to the understanding or implementation of the warrant scheme shall be settled amicably by negotiation between the parties.

If the parties fail to reach consensus, any disputes shall be settled by the ordinary Danish courts.

Section 2. Exercise.

a) Exercise of Warrant. This Warrant may be exercised, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed PDF copy submitted by e-mail (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the “Notice of Exercise”). On the Trading Day (based on New York City time) on which the delivery of the Notice of Exercise occurs, the Holder shall deliver to the Company Danish Counsel the aggregate Exercise Price for the Warrant ADSs specified in the applicable Notice of Exercise by wire transfer to the Company Danish Counsel pursuant to the bank wire transfer instructions set forth on the Notice of Exercise attached hereto. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has subscribed for all of the Warrant ADSs available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation as soon as reasonably practicable following the date on which the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in the subscription of a portion of the total number of Warrant ADSs available hereunder shall have the effect of reducing the outstanding number of Warrant ADSs purchasable hereunder in an amount equal to the applicable number of Warrant ADSs subscribed. The Company shall record the number of Warrants issued to the Holder and the number of Warrant ADSs subscribed through exercise and the date of such subscription of the Warrant ADSs. The Company shall deliver any objection to any Notice of Exercise within one (1) Trading Day of receipt of such notice. The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the subscription for a portion of the Warrant ADSs hereunder, the number of Warrant ADSs available for subscription hereunder at any given time may be less than the amount stated on the face hereof.

b) Exercise Price. The aggregate exercise price of this Warrant, except for a nominal exercise price of \$1.4537 per Warrant ADS, was pre-funded to the Company on or prior to the Initial Exercise Date and, consequently, no additional consideration (other than the nominal exercise price of \$1.4537 per Warrant ADS) shall be required to be paid by the Holder to any Person to effect any exercise of this Warrant. The Holder shall not be entitled to the return or refund of all, or any portion, of such pre-paid aggregate exercise price under any circumstance or for any reason whatsoever. The remaining unpaid exercise price per Warrant ADS under this Warrant shall be \$1.4537, subject to adjustment hereunder (the “Exercise Price”), provided, however, that in no event shall the Exercise Price paid by the Holder be less than the amount in US dollars (rounded to four decimal places) equal to 10 Danish Krone, at the exchange rate published by the Danish National Bank, on the date of the Holder’s delivery of the Notice of Exercise.

c) Unavailability of Registration Statement. Notwithstanding anything to the contrary contained herein, if there is no effective registration statement registering, or the prospectus contained therein is not available for, the sale of all of Warrant ADSs, representing the underlying Warrant Shares, issuable under this Warrant at any time following the Initial Exercise Date and ending on the Termination Date, the Holder shall be permitted to exercise this Warrant by delivery of a Notice of Exercise to the Company, and, within one (1) Trading Day (based on New York City time) following the delivery of such Notice of Exercise, deliver to the Company Danish Counsel the aggregate Exercise Price with respect to such exercise of this Warrant. Upon delivery by the Holder of a Notice of Exercise during a Registration Failure Period (as defined below) and the timely payment by the Holder of the aggregate Exercise Price, the Company shall be required to (1) pay in cash to the Holder on each Trading Day during the Registration Failure Period an amount equal to 1.0% of the product of (A) the number of Warrant ADSs subject to the exercise by the Holder pursuant to the immediately preceding sentence and (B) the VWAP of the ADSs on the date of delivery of the Notice of Exercise to the Company, and (2) on the Trading Day immediately following the date on which the Registration Failure Period ends, deliver all of the Warrant ADSs required to be delivered pursuant to such Notice of Exercise by crediting the account of the Holder’s prime broker with The Depository Trust Company through DWAC (as defined below). The Company shall pay any cash amounts owed pursuant to clause (1) of the immediately preceding sentence on each corresponding Trading Day during the Registration Failure Period. As used herein, “Registration Failure Period” means the period (x) beginning on the date of delivery of a Notice of Exercise at a time when there is no registration statement registering, or the prospectus contained therein is not available for, the sale of all of the Warrant ADSs, representing the underlying Warrant Shares, issuable under this Warrant, and (y) ending on the later of (A) the date that there is an effective registration statement registering, and the prospectus contained therein is available for, the sale of all of the Warrant ADSs, representing the underlying Warrant Shares, issuable hereunder and (B) the date of delivery of all of the Warrant ADSs required to be delivered pursuant to the Notice of Exercise by crediting the account of the Holder’s prime broker with The Depository Trust Company through DWAC.

d) Mechanics of Exercise.

i. Delivery of Warrant ADSs Upon Exercise. Upon the exercise of this Warrant, the Company shall enter the Warrant Shares in the name of the Holder in the Company's share register, deposit the Warrant Shares in connection with such exercise with the Depository for the ADSs, and instruct the Depository to transmit the Warrant ADSs purchased hereunder to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit/Withdrawal At Custodian system ("DWAC") if the Depository is then a participant in such system and there is an effective registration statement permitting the issuance of the Warrant ADSs, representing the underlying Warrant Shares, to the Holder, by the date that is the earlier of (i) two (2) Trading Days after the delivery to the Company of the Notice of Exercise and (ii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the "Warrant ADS Delivery Date"), provided that the Company shall not be obligated to deliver the Warrant ADSs hereunder unless the Company Danish Counsel has received the aggregate Exercise Price on or before the Trading Day (based on New York City time) immediately prior to the Warrant ADS Delivery Date. Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant ADSs with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant ADSs, provided that payment of the aggregate Exercise Price is received by the Warrant ADS Delivery Date. If the Company fails for any reason to cause the Depository to deliver to the Holder the Warrant ADSs subject to a Notice of Exercise by the Warrant ADS Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant ADSs subject to such exercise (based on the VWAP of the ADSs on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the third Trading Day after the Warrant ADS Delivery Date) for each Trading Day after such Warrant ADS Delivery Date until such Warrant ADSs are delivered or the Holder rescinds such exercise. The Company agrees to maintain a depository and a transfer agent that each are a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the ADSs as in effect on the date of delivery of the Notice of Exercise. Notwithstanding the foregoing, with respect to any Notice(s) of Exercise delivered on or prior to 12:00 p.m. (New York City time) on the Trading Day prior to the Initial Exercise Date, which may be delivered at any time after the time of execution of the Purchase Agreement, the Company agrees to deliver the Warrant ADSs subject to such notice(s) by 4:00 p.m. (New York City time) on the Initial Exercise Date and the Initial Exercise Date shall be the Warrant ADS Delivery Date for purposes hereunder, provided that payment of the aggregate Exercise Price is delivered to Company Danish Counsel by 12:00 p.m. (New York City time) on the Trading Day prior to the Initial Exercise Date.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant ADSs, deliver to the Holder a new Warrant certificate evidencing the rights of the Holder to subscribe for the unsubscribed Warrant ADSs called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Depository to transmit to the Holder the Warrant ADSs pursuant to Section 2(d)(i) by the Warrant ADS Delivery Date, then the Holder will have the right to rescind such exercise prior to the delivery of such Warrant ADSs hereunder (with the effect that the Holder's right to acquire such Warrant ADSs pursuant to this Warrant shall be restored) and the Company shall return to the Holder the aggregate Exercise Price paid to the Company Danish Counsel for such Warrant ADSs.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant ADSs Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Depository to deliver to the Holder the Warrant ADSs in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant ADS Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, ADSs to deliver in satisfaction of a sale by the Holder of the Warrant ADSs which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the ADSs so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant ADSs that the Company failed to deliver to the Holder in connection with the exercise at issue by (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant in respect of the equivalent number of Warrant ADSs for which such exercise was not honored and return any amount received by the Company Danish Counsel in respect of the Exercise Price for those Warrant ADSs (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of Warrant ADSs that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases ADSs having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of Warrants for ADSs with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver Warrant ADSs upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Ordinary Shares or Warrant ADSs. No fractional Warrant Shares or Warrant ADSs shall be issued upon the exercise of this Warrant. As to any fraction of a Warrant ADS which the Holder would otherwise be entitled to subscribe upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole ADS, provided that the fraction of an ADS shall not be rounded up to the next whole ADS if such rounding would result in the issue price being lower than the nominal value of the Ordinary Shares.

vi. Charges, Taxes and Expenses. Issuance of Warrant ADSs shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant ADSs, all of which taxes and expenses shall be paid by the Company, and such Warrant ADSs shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that, in the event that Warrant ADSs are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Depository and Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic issuance and delivery of the Warrant ADSs. The Company shall pay all applicable fees and expenses of the Depository and Transfer Agent in connection with the issuance of the Warrants ADSs hereunder.

vii. Closing of Books. The Company will not close its shareholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Ordinary Shares beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of Ordinary Shares underlying such Warrant ADSs issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of Ordinary Shares underlying Warrant ADSs which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Ordinary Share Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding Ordinary Shares, a Holder may rely on the number of outstanding Ordinary Shares as reflected in (A) the Company's most recent annual report on Form 20-F, Report on Form 6-K or other public filings filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Depositary or the Transfer Agent setting forth the number of Ordinary Shares outstanding. Upon the written or oral request of a Holder, the Company shall within one (1) Trading Day confirm orally and in writing to the Holder the number of Ordinary Shares then outstanding. In any case, the number of outstanding Ordinary Shares shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding Ordinary Shares was reported. The "Beneficial Ownership Limitation" shall be 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of the Ordinary Shares issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 3. Certain Adjustments.

a) Share Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a share dividend or otherwise makes a distribution or distributions on its ADSs or Ordinary Shares or any other equity or equity equivalent securities payable in ADSs or Ordinary Shares (which, for avoidance of doubt, shall not include any Warrant Shares or Warrant ADSs issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding Ordinary Shares or ADSs into a larger number of Ordinary Shares or ADSs, as applicable, (iii) combines (including by way of reverse share split) outstanding ADSs or Ordinary Shares into a smaller number of Ordinary Shares or ADSs, as applicable, or (iv) issues by reclassification of ADSs, Ordinary Shares or any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of Ordinary Shares or ADSs as applicable (excluding treasury Ordinary Shares, if any) outstanding immediately before such event and of which the denominator shall be the number of Ordinary Shares or ADSs, as applicable, outstanding immediately after such event, and the number of ADSs issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged, provided that any reduction in the nominal value of the Ordinary Shares without any dividend or distribution shall not lead to any such adjustment and provided, further, that the Exercise Price cannot be adjusted to a price that is less than the nominal value of the Ordinary Shares. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company or any Subsidiary, directly or indirectly, effects any sale, lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Ordinary Shares (including Ordinary Shares underlying the ADSs) are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Ordinary Shares (including Ordinary Shares underlying the ADSs) or 50% or more of the voting power of the common equity of the Company, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Ordinary Shares or any compulsory share exchange pursuant to which the Ordinary Shares effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires 50% or more of the outstanding Ordinary Shares (including Ordinary Shares underlying the ADSs) or 50% or more of the voting power of the common equity of the Company (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share represented by the Warrant ADSs that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares of capital stock of the successor or acquiring corporation or of the Company, if the Company is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of Warrant Shares represented by the Warrant ADSs for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Ordinary Share (including any Warrant Shares underlying the ADSs), in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Ordinary Shares are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Section 3(b) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant, a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the Warrant Shares underlying the Warrant ADSs acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the Ordinary Shares underlying the Warrant ADSs pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall be added to the term "Company" under this Warrant (so that from and after the occurrence or consummation of such Fundamental Transaction, each and every provision of this Warrant referring to the "Company" shall refer instead to each of the Company and the Successor Entity or Successor Entities, jointly and severally), and the Successor Entity or Successor Entities, jointly and severally with the Company, may exercise every right and power of the Company prior thereto and the Successor Entity or Successor Entities shall assume all of the obligations of the Company prior thereto under this Warrant with the same effect as if the Company and such Successor Entity or Successor Entities, jointly and severally, had been named as the Company herein. For the avoidance of doubt, the Holder shall be entitled to the benefits of the provisions of this Section 3(b) regardless of (i) whether the Company has sufficient authorized Ordinary Shares for the issuance of Warrant Shares represented by Warrant ADSs and/or (ii) whether a Fundamental Transaction occurs prior to the Initial Exercise Date.

c) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of an ADS, as the case may be. For purposes of this Section 3, the number of Ordinary Shares deemed to be issued and outstanding as of a given date shall be the sum of the number of Ordinary Shares (including Ordinary Shares underlying ADSs, but excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant ADSs and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Ordinary Shares or ADSs, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Ordinary Shares or ADSs, (C) the Company shall authorize the granting to all holders of the Ordinary Shares or ADSs rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any shareholders of the Company shall be required in connection with any reclassification of the Ordinary Shares or ADSs, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Ordinary Shares are converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Ordinary Shares or ADSs of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer, share exchange or action is expected to become effective or close, and the date as of which it is expected that holders of the Ordinary Shares (including Warrant Shares underlying Warrant ADSs) of record shall be entitled to exchange their Ordinary Shares for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer, share exchange or action; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non- public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Report on Form 6-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

e) The Company shall take no action that would result in the Exercise Price per ADS being adjusted hereunder to less than ten (10) Danish Krone, the nominal amount per share of the Ordinary Shares for ten (10) Ordinary Shares, as expressed in United States dollars at the applicable exchange rate published by the Danish National Bank.

Section 4. Transfer of Warrant.

a) Transferability. This Warrant and all rights hereunder are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the subscription for Warrant ADSs without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant ADSs issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “Warrant Register”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

Section 5. Miscellaneous.

a) No Rights as Shareholder Until Exercise; No Settlement in Cash. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a shareholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive cash payments pursuant to Section 2(d)(i) and Section 2(d)(iv) herein, in no event shall the Company be required to net cash settle an exercise of this Warrant.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant ADSs, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period that the Warrant is outstanding, it shall allot a sufficient number of shares to provide for the issuance of the Warrant ADSs and the underlying Ordinary Shares upon the exercise of any subscription rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the requisite Warrant Shares for the Depositary to issue the necessary Warrant ADSs upon the exercise of the subscription rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares and Warrant ADSs may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the ADSs and/or Ordinary Shares may be listed. The Company covenants that all Warrant Shares represented by Warrant ADSs which may be issued upon the exercise of the subscription rights represented by this Warrant will, upon exercise of the subscription rights represented by this Warrant and payment for such Warrant ADSs in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than any taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its articles of association or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will

(i) not increase the nominal value of any Warrant Shares represented by Warrant ADSs above the amount payable therefor upon such exercise immediately prior to such increase in nominal value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares represented by Warrant ADSs upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant ADSs for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the Kingdom of Denmark, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of this Warrant shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the "New York Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Warrant. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If any party shall commence an action or proceeding to enforce any provisions of this Warrant, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

f) Restrictions. The Holder acknowledges that the Warrant Shares represented by Warrant ADSs acquired upon the exercise of this Warrant, if not registered, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Exercise, shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service, addressed to the Company, at Dr. Neergaards Vej 5f, DK-2970 Hoersholm, Denmark, Attention: **Anne-Sofie Wiemann** and **Susanne Bech**, email addresses **awi@evaxion-biotech.com** and **sbe@evaxion-biotech.com** and **investor@evaxion-biotech.com** or such other email address or address as the Company may specify for such purposes by notice to the Holders. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service addressed to each Holder at the email number or address of such Holder appearing on the books of the Company, or if no such email number or address appears on the books of the Company, then to the most recent email, number or address such Holder has provided to Company. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the time of transmission, if such notice or communication is delivered via email at the email address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the time of transmission, if such notice or communication is delivered via email at the email address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to subscribe for Warrant ADSs, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the subscription price of any Warrant Shares or Warrant ADSs or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant ADSs.

l) Company Acknowledgement; Notice of Successor Danish Counsel; Payment of Aggregate Exercise Price. The Company acknowledges and agrees that the Holder's payment of the aggregate Exercise Price to Company Danish Counsel in connection with any exercise hereunder shall be deemed to be the delivery by the Holder of the aggregate Exercise Price to the Company and shall satisfy the Holder's obligations under this Warrant for the payment of the aggregate Exercise Price in connection with any exercise hereunder and shall require the Company to deliver the Warrant ADSs upon such exercise to the Holder pursuant to the terms hereunder. If the Company changes its Company Danish Counsel after the Initial Exercise Date, the Company shall promptly deliver notice of the successor Company Danish Counsel (including the bank wire transfer instructions of such successor Company Danish Counsel) to the Holder (including, without limitation, any successor holder of this Warrant) on Company letterhead and executed by the Chief Executive Officer or Chief Financial Officer of the Company, with instructions in writing to pay the aggregate Exercise Price of this Warrant to such successor Company Danish Counsel. The Company acknowledges that, if the Company Danish Counsel has received from the Holder the aggregate Exercise Price of the Warrant ADSs issuable upon exercise of this Warrant pursuant to Section 2.2(b)(ii) of the Purchase Agreement, the Company Danish Counsel shall convert such aggregate Exercise Price of this Warrant into Danish Krone on the Initial Exercise Date and shall hold such amount in trust for the Holder and shall release the applicable portion of such amount to the Company to apply it in connection with exercises of this Warrant pursuant to Section 2 herein by the Holder or any subsequent assignee of this Warrant.

m) Reimbursement. The Company shall reimburse the Holder for any fees charged to the Holder by the Depository in connection with the issuance or holding or sale of the Warrant ADSs.

n) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

o) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

p) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

a) Exercise of Warrant. This Warrant may be exercised, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed PDF copy submitted by e-mail (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the “Notice of Exercise”). On the Trading Day (based on New York City time) on which the delivery of the Notice of Exercise occurs, the Holder shall deliver to the Company Danish Counsel the aggregate Exercise Price for the Warrant ADSs specified in the applicable Notice of Exercise by wire transfer to the Company Danish Counsel pursuant to the bank wire transfer instructions set forth on the Notice of Exercise attached hereto. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has subscribed for all of the Warrant ADSs available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation as soon as reasonably practicable following the date on which the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in the subscription of a portion of the total number of Warrant ADSs available hereunder shall have the effect of reducing the outstanding number of Warrant ADSs purchasable hereunder in an amount equal to the applicable number of Warrant ADSs subscribed. The Company shall record the number of Warrants issued to the Holder and the number of Warrant ADSs subscribed through exercise and the date of such subscription of the Warrant ADSs. The Company shall deliver any objection to any Notice of Exercise within one (1) Trading Day of receipt of such notice. The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the subscription for a portion of the Warrant ADSs hereunder, the number of Warrant ADSs available for subscription hereunder at any given time may be less than the amount stated on the face hereof.

b) Exercise Price. The exercise price per ADS under this Warrant shall be **\$4.00**, subject to adjustment hereunder (the "Exercise Price").

c) Unavailability of Registration Statement. Notwithstanding anything to the contrary contained herein, if there is no effective registration statement registering, or the prospectus contained therein is not available for, the sale of all of Warrant ADSs, representing the underlying Warrant Shares, issuable under this Warrant at any time following the Initial Exercise Date and ending on the Termination Date, the Holder shall be permitted to exercise this Warrant by delivery of a Notice of Exercise to the Company, and, within one (1) Trading Day (based on New York City time) following the delivery of such Notice of Exercise, deliver to the Company Danish Counsel the aggregate Exercise Price with respect to such exercise of this Warrant. Upon delivery by the Holder of a Notice of Exercise during a Registration Failure Period (as defined below) and the timely payment by the Holder of the aggregate Exercise Price, the Company shall be required to (1) pay in cash to the Holder on each Trading Day during the Registration Failure Period an amount equal to 1.0% of the product of (A) the number of Warrant ADSs subject to the exercise by the Holder pursuant to the immediately preceding sentence and (B) the VWAP of the ADSs on the date of delivery of the Notice of Exercise to the Company, and (2) on the Trading Day immediately following the date on which the Registration Failure Period ends, deliver all of the Warrant ADSs required to be delivered pursuant to such Notice of Exercise by crediting the account of the Holder's prime broker with The Depository Trust Company through DWAC (as defined below). The Company shall pay any cash amounts owed pursuant to clause (1) of the immediately preceding sentence on each corresponding Trading Day during the Registration Failure Period. As used herein, "Registration Failure Period" means the period (x) beginning on the date of delivery of a Notice of Exercise at a time when there is no registration statement registering, or the prospectus contained therein is not available for, the sale of all of the Warrant ADSs, representing the underlying Warrant Shares, issuable under this Warrant, and (y) ending on the later of (A) the date that there is an effective registration statement registering, and the prospectus contained therein is available for, the sale of all of the Warrant ADSs, representing the underlying Warrant Shares, issuable hereunder and (B) the date of delivery of all of the Warrant ADSs required to be delivered pursuant to the Notice of Exercise by crediting the account of the Holder's prime broker with The Depository Trust Company through DWAC.

d) Mechanics of Exercise.

i. Delivery of Warrant ADSs Upon Exercise. Upon the exercise of this Warrant, the Company shall enter the Warrant Shares in the name of the Holder in the Company's share register, deposit the Warrant Shares in connection with such exercise with the Depository for the ADSs, and instruct the Depository to transmit the Warrant ADSs purchased hereunder to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit/Withdrawal At Custodian system ("DWAC") if the Depository is then a participant in such system and there is an effective registration statement permitting the issuance of the Warrant ADSs, representing the underlying Warrant Shares, to the Holder, by the date that is the earlier of (i) two (2) Trading Days after the delivery to the Company of the Notice of Exercise and (ii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the "Warrant ADS Delivery Date"), provided that the Company shall not be obligated to deliver the Warrant ADSs hereunder unless the Company Danish Counsel has received the aggregate Exercise Price on or before the Trading Day (based on New York City time) immediately prior to the Warrant ADS Delivery Date. Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant ADSs with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant ADSs, provided that payment of the aggregate Exercise Price is received by the Warrant ADS Delivery Date. If the Company fails for any reason to cause the Depository to deliver to the Holder the Warrant ADSs subject to a Notice of Exercise by the Warrant ADS Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant ADSs subject to such exercise (based on the VWAP of the ADSs on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the third Trading Day after the Warrant ADS Delivery Date) for each Trading Day after such Warrant ADS Delivery Date until such Warrant ADSs are delivered or the Holder rescinds such exercise. The Company agrees to maintain a depository and a transfer agent that each are a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the ADSs as in effect on the date of delivery of the Notice of Exercise. Notwithstanding the foregoing, with respect to any Notice(s) of Exercise delivered on or prior to 12:00 p.m. (New York City time) on the Trading Day prior to the Initial Exercise Date, which may be delivered at any time after the time of execution of the Purchase Agreement, the Company agrees to deliver the Warrant ADSs subject to such notice(s) by 4:00 p.m. (New York City time) on the Initial Exercise Date and the Initial Exercise Date shall be the Warrant ADS Delivery Date for purposes hereunder, provided that payment of the aggregate Exercise Price is delivered to Company Danish Counsel by 12:00 p.m. (New York City time) on the Trading Day prior to the Initial Exercise Date.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant ADSs, deliver to the Holder a new Warrant certificate evidencing the rights of the Holder to subscribe for the unsubscribed Warrant ADSs called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Depository to transmit to the Holder the Warrant ADSs pursuant to Section 2(d)(i) by the Warrant ADS Delivery Date, then the Holder will have the right to rescind such exercise prior to the delivery of such Warrant ADSs hereunder (with the effect that the Holder's right to acquire such Warrant ADSs pursuant to this Warrant shall be restored) and the Company shall return to the Holder the aggregate Exercise Price paid to the Company Danish Counsel for such Warrant ADSs.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant ADSs Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Depository to deliver to the Holder the Warrant ADSs in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant ADS Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, ADSs to deliver in satisfaction of a sale by the Holder of the Warrant ADSs which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the ADSs so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant ADSs that the Company failed to deliver to the Holder in connection with the exercise at issue by (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant in respect of the equivalent number of Warrant ADSs for which such exercise was not honored and return any amount received by the Company Danish Counsel in respect of the Exercise Price for those Warrant ADSs (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of Warrant ADSs that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases ADSs having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of Warrants for ADSs with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver Warrant ADSs upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Ordinary Shares or Warrant ADSs. No fractional Warrant Shares or Warrant ADSs shall be issued upon the exercise of this Warrant. As to any fraction of a Warrant ADS which the Holder would otherwise be entitled to subscribe upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole ADS, provided that the fraction of an ADS shall not be rounded up to the next whole ADS if such rounding would result in the issue price being lower than the nominal value of the Ordinary Shares.

vi. Charges, Taxes and Expenses. Issuance of Warrant ADSs shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant ADSs, all of which taxes and expenses shall be paid by the Company, and such Warrant ADSs shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that, in the event that Warrant ADSs are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Depository and Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic issuance and delivery of the Warrant ADSs. The Company shall pay all applicable fees and expenses of the Depository and Transfer Agent in connection with the issuance of the Warrants ADSs hereunder.

vii. Closing of Books. The Company will not close its shareholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Ordinary Shares beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of Ordinary Shares underlying such Warrant ADSs issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of Ordinary Shares underlying Warrant ADSs which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Ordinary Share Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding Ordinary Shares, a Holder may rely on the number of outstanding Ordinary Shares as reflected in (A) the Company's most recent annual report on Form 20-F, Report on Form 6-K or other public filings filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Depositary or the Transfer Agent setting forth the number of Ordinary Shares outstanding. Upon the written or oral request of a Holder, the Company shall within one (1) Trading Day confirm orally and in writing to the Holder the number of Ordinary Shares then outstanding. In any case, the number of outstanding Ordinary Shares shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding Ordinary Shares was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of the Ordinary Shares issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 3. Certain Adjustments.

a) Share Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a share dividend or otherwise makes a distribution or distributions on its ADSs or Ordinary Shares or any other equity or equity equivalent securities payable in ADSs or Ordinary Shares (which, for avoidance of doubt, shall not include any Warrant Shares or Warrant ADSs issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding Ordinary Shares or ADSs into a larger number of Ordinary Shares or ADSs, as applicable, (iii) combines (including by way of reverse share split) outstanding ADSs or Ordinary Shares into a smaller number of Ordinary Shares or ADSs, as applicable, or (iv) issues by reclassification of ADSs, Ordinary Shares or any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of Ordinary Shares or ADSs as applicable (excluding treasury Ordinary Shares, if any) outstanding immediately before such event and of which the denominator shall be the number of Ordinary Shares or ADSs, as applicable, outstanding immediately after such event, and the number of ADSs issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged, provided that any reduction in the nominal value of the Ordinary Shares without any dividend or distribution shall not lead to any such adjustment and provided, further, that the Exercise Price cannot be adjusted to a price that is less than the nominal value of the Ordinary Shares. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company or any Subsidiary, directly or indirectly, effects any sale, lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Ordinary Shares (including Ordinary Shares underlying the ADSs) are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Ordinary Shares (including Ordinary Shares underlying the ADSs) or 50% or more of the voting power of the common equity of the Company, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Ordinary Shares or any compulsory share exchange pursuant to which the Ordinary Shares effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires 50% or more of the outstanding Ordinary Shares (including Ordinary Shares underlying the ADSs) or 50% or more of the voting power of the common equity of the Company (each a “Fundamental Transaction”), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share represented by the Warrant ADSs that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares of capital stock of the successor or acquiring corporation or of the Company, if the Company is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of Warrant Shares represented by the Warrant ADSs for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Ordinary Share (including any Warrant Shares underlying the ADSs), in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Ordinary Shares are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder

shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, the Company or any Successor Entity (as defined below) shall, at the Holder's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable Fundamental Transaction), purchase this Warrant from the Holder by paying to the Holder an amount of cash equal to the Black Scholes Value (as defined below) of the remaining unexercised portion of this Warrant on the date of the consummation of such Fundamental Transaction; provided, however, that, if the Fundamental Transaction is not within the Company's control, including not approved by the Company's Board of Directors, the Holder shall only be entitled to receive from the Company or any Successor Entity the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the unexercised portion of this Warrant, that is being offered and paid to the holders of Ordinary Shares (including Ordinary Shares underlying ADSs) of the Company in connection with the Fundamental Transaction, whether that consideration be in the form of cash, shares or any combination thereof, or whether the holders of Ordinary Shares (including Ordinary Shares underlying ADSs) are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction; provided, further, that, if holders of Ordinary Shares (including any Ordinary Shares underlying ADSs) of the Company are not offered or paid any consideration in such Fundamental Transaction, such holders of Ordinary Shares (including any Ordinary Shares underlying ADSs) will be deemed to have received common equity of the Successor Entity (which Successor Entity may be the Company following such Fundamental Transaction) in such Fundamental Transaction. "Black Scholes Value" means the value of this Warrant based on the Black-Scholes Option Pricing Model obtained from the "OV" function on Bloomberg determined as of the day of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date, (B) an expected volatility equal to the greater of 100% and the 100 day volatility obtained from the HVT function on Bloomberg (determined utilizing a 365 day annualization factor) as of the Trading Day immediately following the public announcement of the applicable contemplated Fundamental Transaction, (C) the underlying price per share used in such calculation shall be the greater of (i) the sum of the price per Ordinary Share being offered in cash, if any, plus the value of any non-cash consideration, if any, being offered in such Fundamental Transaction and (ii) the highest VWAP during the period beginning on the Trading Day immediately preceding the public announcement of the applicable contemplated Fundamental Transaction (or the consummation of the applicable Fundamental Transaction, if earlier) and ending on the Trading Day of the Holder's request pursuant to this Section 3(b), (D) a remaining option time equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date and (E) a zero cost of borrow. The payment of the Black Scholes Value will be made by wire transfer of immediately available funds (or such other consideration) within the later of (i) five Business Days of the Holder's election and (ii) the date of consummation of the Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Section 3(b) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant, a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the Warrant Shares underlying the Warrant ADSs acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the Ordinary Shares underlying the Warrant ADSs pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall be added to the term "Company" under this Warrant (so that from and after the occurrence or consummation of such Fundamental Transaction, each and every provision of this Warrant referring to the "Company" shall refer instead to each of the Company and the Successor Entity or Successor Entities, jointly and severally), and the Successor Entity or Successor Entities, jointly and severally with the Company, may exercise every right and power of the Company prior thereto and the Successor Entity or Successor Entities shall assume all of the obligations of the Company prior thereto under this Warrant with the same effect as if the Company and such Successor Entity or Successor Entities, jointly and severally, had been named as the Company herein. For the avoidance of doubt, the Holder shall be entitled to the benefits of the provisions of this Section 3(b) regardless of (i) whether the Company has sufficient authorized Ordinary Shares for the issuance of Warrant Shares represented by Warrant ADSs and/or (ii) whether a Fundamental Transaction occurs prior to the Initial Exercise Date.

c) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of an ADS, as the case may be. For purposes of this Section 3, the number of Ordinary Shares deemed to be issued and outstanding as of a given date shall be the sum of the number of Ordinary Shares (including Ordinary Shares underlying ADSs, but excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant ADSs and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Ordinary Shares or ADSs, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Ordinary Shares or ADSs, (C) the Company shall authorize the granting to all holders of the Ordinary Shares or ADSs rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any shareholders of the Company shall be required in connection with any reclassification of the Ordinary Shares or ADSs, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Ordinary Shares are converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Ordinary Shares or ADSs of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer, share exchange or action is expected to become effective or close, and the date as of which it is expected that holders of the Ordinary Shares (including Warrant Shares underlying Warrant ADSs) of record shall be entitled to exchange their Ordinary Shares for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer, share exchange or action; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non- public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Report on Form 6-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

e) Voluntary Adjustment By Company. Subject to the rules and regulations of the Trading Market, the Company may at any time during the term of this Warrant reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the board of directors of the Company.

f) The Company shall take no action that would result in the Exercise Price per ADS being adjusted hereunder to less than ten (10) Danish Krone, the nominal amount per share of the Ordinary Shares for ten (10) Ordinary Shares, as expressed in United States dollars at the applicable exchange rate published by the Danish National Bank.

Section 4. Transfer of Warrant.

a) Transferability. This Warrant and all rights hereunder are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the subscription for Warrant ADSs without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant ADSs issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “Warrant Register”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

Section 5. Miscellaneous.

a) No Rights as Shareholder Until Exercise; No Settlement in Cash. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a shareholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive cash payments pursuant to Section 2(d)(i) and Section 2(d)(iv) herein, in no event shall the Company be required to net cash settle an exercise of this Warrant.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant ADSs, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period that the Warrant is outstanding, it shall allot a sufficient number of shares to provide for the issuance of the Warrant ADSs and the underlying Ordinary Shares upon the exercise of any subscription rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the requisite Warrant Shares for the Depositary to issue the necessary Warrant ADSs upon the exercise of the subscription rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares and Warrant ADSs may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the ADSs and/or Ordinary Shares may be listed. The Company covenants that all Warrant Shares represented by Warrant ADSs which may be issued upon the exercise of the subscription rights represented by this Warrant will, upon exercise of the subscription rights represented by this Warrant and payment for such Warrant ADSs in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than any taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its articles of association or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the nominal value of any Warrant Shares represented by Warrant ADSs above the amount payable therefor upon such exercise immediately prior to such increase in nominal value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares represented by Warrant ADSs upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant ADSs for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the Kingdom of Denmark, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of this Warrant shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the “New York Courts”). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Warrant. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If any party shall commence an action or proceeding to enforce any provisions of this Warrant, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys’ fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

f) Restrictions. The Holder acknowledges that the Warrant Shares represented by Warrant ADSs acquired upon the exercise of this Warrant, if not registered, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Exercise, shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service, addressed to the Company, at Dr. Neergaards Vej 5f, DK-2970 Hoersholm, Denmark, Attention: **Anne-Sofie Wiemann** and **Susanne Bech**, email addresses **awi@evaxion-biotech.com** and **sbe@evaxion-biotech.com** and **investor@evaxion-biotech.com** or such other email address or address as the Company may specify for such purposes by notice to the Holders. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service addressed to each Holder at the email, number or address of such Holder appearing on the books of the Company, or if no such email, number or address appears on the books of the Company, then to the most recent email, number or address such Holder has provided to Company. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the time of transmission, if such notice or communication is delivered via email at the email address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the time of transmission, if such notice or communication is delivered via email at the email address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to subscribe for Warrant ADSs, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the subscription price of any Warrant Shares or Warrant ADSs or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant ADSs.

l) Company Acknowledgement; Notice of Successor Danish Counsel. The Company acknowledges and agrees that the Holder's payment of the aggregate Exercise Price to Company Danish Counsel in connection with any exercise hereunder shall be deemed to be the delivery by the Holder of the aggregate Exercise Price to the Company and shall satisfy the Holder's obligations under this Warrant for the payment of the aggregate Exercise Price in connection with any exercise hereunder and shall require the Company to deliver the Warrant ADSs upon such exercise to the Holder pursuant to the terms hereunder. If the Company changes its Company Danish Counsel after the Initial Exercise Date, the Company shall promptly deliver notice of the successor Company Danish Counsel ((including the bank wire transfer instructions of such successor Company Danish Counsel) to the Holder (including, without limitation, any successor holder of this Warrant) on Company letterhead and executed by the Chief Executive Officer or Chief Financial Officer of the Company, with instructions in writing to pay the aggregate Exercise Price of this Warrant to such successor Company Danish Counsel.

m) Reimbursement. The Company shall reimburse the Holder for any fees charged to the Holder by the Depository in connection with the issuance or holding or sale of the Warrant ADSs.

n) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

o) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

p) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

Section 2. Exercise.

a) Exercise of Warrant. This Warrant may be exercised, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed PDF copy submitted by e-mail (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the “Notice of Exercise”). On the Trading Day (based on New York City time) on which the delivery of the Notice of Exercise occurs, the Holder shall deliver to the Company Danish Counsel the aggregate Exercise Price for the Warrant ADSs specified in the applicable Notice of Exercise by wire transfer to the Company Danish Counsel pursuant to the bank wire transfer instructions set forth on the Notice of Exercise attached hereto. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has subscribed for all of the Warrant ADSs available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation as soon as reasonably practicable following the date on which the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in the subscription of a portion of the total number of Warrant ADSs available hereunder shall have the effect of reducing the outstanding number of Warrant ADSs purchasable hereunder in an amount equal to the applicable number of Warrant ADSs subscribed. The Company shall record the number of Warrants issued to the Holder and the number of Warrant ADSs subscribed through exercise and the date of such subscription of the Warrant ADSs. The Company shall deliver any objection to any Notice of Exercise within one (1) Trading Day of receipt of such notice. The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the subscription for a portion of the Warrant ADSs hereunder, the number of Warrant ADSs available for subscription hereunder at any given time may be less than the amount stated on the face hereof.

b) Exercise Price. The exercise price per ADS under this Warrant shall be **\$5.40**, subject to adjustment hereunder (the “Exercise Price”).

c) Unavailability of Registration Statement. Notwithstanding anything to the contrary contained herein, if there is no effective registration statement registering, or the prospectus contained therein is not available for, the sale of all of Warrant ADSs, representing the underlying Warrant Shares, issuable under this Warrant at any time following the Initial Exercise Date and ending on the Termination Date, the Holder shall be permitted to exercise this Warrant by delivery of a Notice of Exercise to the Company, and, within one (1) Trading Day (based on New York City time) following the delivery of such Notice of Exercise, deliver to the Company Danish Counsel the aggregate Exercise Price with respect to such exercise of this Warrant. Upon delivery by the Holder of a Notice of Exercise during a Registration Failure Period (as defined below) and the timely payment by the Holder of the aggregate Exercise Price, the Company shall be required to (1) pay in cash to the Holder on each Trading Day during the Registration Failure Period an amount equal to 1.0% of the product of (A) the number of Warrant ADSs subject to the exercise by the Holder pursuant to the immediately preceding sentence and (B) the VWAP of the ADSs on the date of delivery of the Notice of Exercise to the Company, and (2) on the Trading Day immediately following the date on which the Registration Failure Period ends, deliver all of the Warrant ADSs required to be delivered pursuant to such Notice of Exercise by crediting the account of the Holder’s prime broker with The Depository Trust Company through DWAC (as defined below). The Company shall pay any cash amounts owed pursuant to clause (1) of the immediately preceding sentence on each corresponding Trading Day during the Registration Failure Period. As used herein, “Registration Failure Period” means the period (x) beginning on the date of delivery of a Notice of Exercise at a time when there is no registration statement registering, or the prospectus contained therein is not available for, the sale of all of the Warrant ADSs, representing the underlying Warrant Shares, issuable under this Warrant, and (y) ending on the later of (A) the date that there is an effective registration statement registering, and the prospectus contained therein is available for, the sale of all of the Warrant ADSs, representing the underlying Warrant Shares, issuable hereunder and (B) the date of delivery of all of the Warrant ADSs required to be delivered pursuant to the Notice of Exercise by crediting the account of the Holder’s prime broker with The Depository Trust Company through DWAC.

d) Mechanics of Exercise.

i. Delivery of Warrant ADSs Upon Exercise. Upon the exercise of this Warrant, the Company shall enter the Warrant Shares in the name of the Holder in the Company's share register, deposit the Warrant Shares in connection with such exercise with the Depository for the ADSs, and instruct the Depository to transmit the Warrant ADSs purchased hereunder to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit/Withdrawal At Custodian system ("DWAC") if the Depository is then a participant in such system and there is an effective registration statement permitting the issuance of the Warrant ADSs, representing the underlying Warrant Shares, to the Holder, by the date that is the earlier of (i) two (2) Trading Days after the delivery to the Company of the Notice of Exercise and (ii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the "Warrant ADS Delivery Date"), provided that the Company shall not be obligated to deliver the Warrant ADSs hereunder unless the Company Danish Counsel has received the aggregate Exercise Price on or before the Trading Day (based on New York City time) immediately prior to the Warrant ADS Delivery Date. Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant ADSs with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant ADSs, provided that payment of the aggregate Exercise Price is received by the Warrant ADS Delivery Date. If the Company fails for any reason to cause the Depository to deliver to the Holder the Warrant ADSs subject to a Notice of Exercise by the Warrant ADS Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant ADSs subject to such exercise (based on the VWAP of the ADSs on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the third Trading Day after the Warrant ADS Delivery Date) for each Trading Day after such Warrant ADS Delivery Date until such Warrant ADSs are delivered or the Holder rescinds such exercise. The Company agrees to maintain a depository and a transfer agent that each are a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the ADSs as in effect on the date of delivery of the Notice of Exercise. Notwithstanding the foregoing, with respect to any Notice(s) of Exercise delivered on or prior to 12:00 p.m. (New York City time) on the Trading Day prior to the Initial Exercise Date, which may be delivered at any time after the time of execution of the Purchase Agreement, the Company agrees to deliver the Warrant ADSs subject to such notice(s) by 4:00 p.m. (New York City time) on the Initial Exercise Date and the Initial Exercise Date shall be the Warrant ADS Delivery Date for purposes hereunder, provided that payment of the aggregate Exercise Price is delivered to Company Danish Counsel by 12:00 p.m. (New York City time) on the Trading Day prior to the Initial Exercise Date.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant ADSs, deliver to the Holder a new Warrant certificate evidencing the rights of the Holder to subscribe for the unsubscribed Warrant ADSs called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Depository to transmit to the Holder the Warrant ADSs pursuant to Section 2(d)(i) by the Warrant ADS Delivery Date, then the Holder will have the right to rescind such exercise prior to the delivery of such Warrant ADSs hereunder (with the effect that the Holder's right to acquire such Warrant ADSs pursuant to this Warrant shall be restored) and the Company shall return to the Holder the aggregate Exercise Price paid to the Company Danish Counsel for such Warrant ADSs.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant ADSs Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Depository to deliver to the Holder the Warrant ADSs in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant ADS Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, ADSs to deliver in satisfaction of a sale by the Holder of the Warrant ADSs which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the ADSs so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant ADSs that the Company failed to deliver to the Holder in connection with the exercise at issue by (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant in respect of the equivalent number of Warrant ADSs for which such exercise was not honored and return any amount received by the Company Danish Counsel in respect of the Exercise Price for those Warrant ADSs (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of Warrant ADSs that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases ADSs having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of Warrants for ADSs with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver Warrant ADSs upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Ordinary Shares or Warrant ADSs. No fractional Warrant Shares or Warrant ADSs shall be issued upon the exercise of this Warrant. As to any fraction of a Warrant ADS which the Holder would otherwise be entitled to subscribe upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole ADS, provided that the fraction of an ADS shall not be rounded up to the next whole ADS if such rounding would result in the issue price being lower than the nominal value of the Ordinary Shares.

vi. Charges, Taxes and Expenses. Issuance of Warrant ADSs shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant ADSs, all of which taxes and expenses shall be paid by the Company, and such Warrant ADSs shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that, in the event that Warrant ADSs are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Depository and Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic issuance and delivery of the Warrant ADSs. The Company shall pay all applicable fees and expenses of the Depository and Transfer Agent in connection with the issuance of the Warrants ADSs hereunder.

vii. Closing of Books. The Company will not close its shareholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Ordinary Shares beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of Ordinary Shares underlying such Warrant ADSs issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of Ordinary Shares underlying Warrant ADSs which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Ordinary Share Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding Ordinary Shares, a Holder may rely on the number of outstanding Ordinary Shares as reflected in (A) the Company's most recent annual report on Form 20-F, Report on Form 6-K or other public filings filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Depositary or the Transfer Agent setting forth the number of Ordinary Shares outstanding. Upon the written or oral request of a Holder, the Company shall within one (1) Trading Day confirm orally and in writing to the Holder the number of Ordinary Shares then outstanding. In any case, the number of outstanding Ordinary Shares shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding Ordinary Shares was reported. The "Beneficial Ownership Limitation" shall be 4.99% (or, upon election by a Holder prior to the issuance of any Warrants, 9.99%) of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of the Ordinary Shares issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 3. Certain Adjustments.

a) Share Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a share dividend or otherwise makes a distribution or distributions on its ADSs or Ordinary Shares or any other equity or equity equivalent securities payable in ADSs or Ordinary Shares (which, for avoidance of doubt, shall not include any Warrant Shares or Warrant ADSs issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding Ordinary Shares or ADSs into a larger number of Ordinary Shares or ADSs, as applicable, (iii) combines (including by way of reverse share split) outstanding ADSs or Ordinary Shares into a smaller number of Ordinary Shares or ADSs, as applicable, or (iv) issues by reclassification of ADSs, Ordinary Shares or any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of Ordinary Shares or ADSs as applicable (excluding treasury Ordinary Shares, if any) outstanding immediately before such event and of which the denominator shall be the number of Ordinary Shares or ADSs, as applicable, outstanding immediately after such event, and the number of ADSs issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged, provided that any reduction in the nominal value of the Ordinary Shares without any dividend or distribution shall not lead to any such adjustment and provided, further, that the Exercise Price cannot be adjusted to a price that is less than the nominal value of the Ordinary Shares. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company or any Subsidiary, directly or indirectly, effects any sale, lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Ordinary Shares (including Ordinary Shares underlying the ADSs) are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Ordinary Shares (including Ordinary Shares underlying the ADSs) or 50% or more of the voting power of the common equity of the Company, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Ordinary Shares or any compulsory share exchange pursuant to which the Ordinary Shares effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires 50% or more of the outstanding Ordinary Shares (including Ordinary Shares underlying the ADSs) or 50% or more of the voting power of the common equity of the Company (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share represented by the Warrant ADSs that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares of capital stock of the successor or acquiring corporation or of the Company, if the Company is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of Warrant Shares represented by the Warrant ADSs for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Ordinary Share (including any Warrant Shares underlying the ADSs), in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Ordinary Shares are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder

shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, the Company or any Successor Entity (as defined below) shall, at the Holder's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable Fundamental Transaction), purchase this Warrant from the Holder by paying to the Holder an amount of cash equal to the Black Scholes Value (as defined below) of the remaining unexercised portion of this Warrant on the date of the consummation of such Fundamental Transaction; provided, however, that, if the Fundamental Transaction is not within the Company's control, including not approved by the Company's Board of Directors, the Holder shall only be entitled to receive from the Company or any Successor Entity the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the unexercised portion of this Warrant, that is being offered and paid to the holders of Ordinary Shares (including Ordinary Shares underlying ADSs) of the Company in connection with the Fundamental Transaction, whether that consideration be in the form of cash, shares or any combination thereof, or whether the holders of Ordinary Shares (including Ordinary Shares underlying ADSs) are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction; provided, further, that, if holders of Ordinary Shares (including any Ordinary Shares underlying ADSs) of the Company are not offered or paid any consideration in such Fundamental Transaction, such holders of Ordinary Shares (including any Ordinary Shares underlying ADSs) will be deemed to have received common equity of the Successor Entity (which Successor Entity may be the Company following such Fundamental Transaction) in such Fundamental Transaction. "Black Scholes Value" means the value of this Warrant based on the Black-Scholes Option Pricing Model obtained from the "OV" function on Bloomberg determined as of the day of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date, (B) an expected volatility equal to the greater of 100% and the 100 day volatility obtained from the HVT function on Bloomberg (determined utilizing a 365 day annualization factor) as of the Trading Day immediately following the public announcement of the applicable contemplated Fundamental Transaction, (C) the underlying price per share used in such calculation shall be the greater of (i) the sum of the price per Ordinary Share being offered in cash, if any, plus the value of any non-cash consideration, if any, being offered in such Fundamental Transaction and (ii) the highest VWAP during the period beginning on the Trading Day immediately preceding the public announcement of the applicable contemplated Fundamental Transaction (or the consummation of the applicable Fundamental Transaction, if earlier) and ending on the Trading Day of the Holder's request pursuant to this Section 3(b), (D) a remaining option time equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date and (E) a zero cost of borrow. The payment of the Black Scholes Value will be made by wire transfer of immediately available funds (or such other consideration) within the later of (i) five Business Days of

the Holder's election and (ii) the date of consummation of the Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Section 3(b) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant, a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the Warrant Shares underlying the Warrant ADSs acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the Ordinary Shares underlying the Warrant ADSs pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall be added to the term "Company" under this Warrant (so that from and after the occurrence or consummation of such Fundamental Transaction, each and every provision of this Warrant referring to the "Company" shall refer instead to each of the Company and the Successor Entity or Successor Entities, jointly and severally), and the Successor Entity or Successor Entities, jointly and severally with the Company, may exercise every right and power of the Company prior thereto and the Successor Entity or Successor Entities shall assume all of the obligations of the Company prior thereto under this Warrant with the same effect as if the Company and such Successor Entity or Successor Entities, jointly and severally, had been named as the Company herein. For the avoidance of doubt, the Holder shall be entitled to the benefits of the provisions of this Section 3(b) regardless of (i) whether the Company has sufficient authorized Ordinary Shares for the issuance of Warrant Shares represented by Warrant ADSs and/or (ii) whether a Fundamental Transaction occurs prior to the Initial Exercise Date.

c) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of an ADS, as the case may be. For purposes of this Section 3, the number of Ordinary Shares deemed to be issued and outstanding as of a given date shall be the sum of the number of Ordinary Shares (including Ordinary Shares underlying ADSs, but excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant ADSs and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Ordinary Shares or ADSs, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Ordinary Shares or ADSs, (C) the Company shall authorize the granting to all holders of the Ordinary Shares or ADSs rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any shareholders of the Company shall be required in connection with any reclassification of the Ordinary Shares or ADSs, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Ordinary Shares are converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Ordinary Shares or ADSs of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer, share exchange or action is expected to become effective or close, and the date as of which it is expected that holders of the Ordinary Shares (including Warrant Shares underlying Warrant ADSs) of record shall be entitled to exchange their Ordinary Shares for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer, share exchange or action; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non- public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Report on Form 6-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

e) Voluntary Adjustment By Company. Subject to the rules and regulations of the Trading Market, the Company may at any time during the term of this Warrant reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the board of directors of the Company.

f) The Company shall take no action that would result in the Exercise Price per ADS being adjusted hereunder to less than ten (10) Danish Krone, the nominal amount per share of the Ordinary Shares for ten (10) Ordinary Shares, as expressed in United States dollars at the applicable exchange rate published by the Danish National Bank.

Section 4. Transfer of Warrant.

a) Transferability. This Warrant and all rights hereunder are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the subscription for Warrant ADSs without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant ADSs issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “Warrant Register”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

Section 5. Miscellaneous.

a) No Rights as Shareholder Until Exercise; No Settlement in Cash. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a shareholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive cash payments pursuant to Section 2(d)(i) and Section 2(d)(iv) herein, in no event shall the Company be required to net cash settle an exercise of this Warrant.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant ADSs, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period that the Warrant is outstanding, it shall allot a sufficient number of shares to provide for the issuance of the Warrant ADSs and the underlying Ordinary Shares upon the exercise of any subscription rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the requisite Warrant Shares for the Depositary to issue the necessary Warrant ADSs upon the exercise of the subscription rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares and Warrant ADSs may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the ADSs and/or Ordinary Shares may be listed. The Company covenants that all Warrant Shares represented by Warrant ADSs which may be issued upon the exercise of the subscription rights represented by this Warrant will, upon exercise of the subscription rights represented by this Warrant and payment for such Warrant ADSs in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than any taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its articles of association or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the nominal value of any Warrant Shares represented by Warrant ADSs above the amount payable therefor upon such exercise immediately prior to such increase in nominal value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares represented by Warrant ADSs upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant ADSs for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the Kingdom of Denmark, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of this Warrant shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the “New York Courts”). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Warrant. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If any party shall commence an action or proceeding to enforce any provisions of this Warrant, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys’ fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

f) Restrictions. The Holder acknowledges that the Warrant Shares represented by Warrant ADSs acquired upon the exercise of this Warrant, if not registered, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Exercise, shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service, addressed to the Company, at Dr. Neergaards Vej 5f, DK-2970 Hoersholm, Denmark, Attention: **Anne-Sofie Wiemann** and **Susanne Bech**, email addresses **awi@evaxion-biotech.com** and **sbe@evaxion-biotech.com** and **investor@evaxion-biotech.com** or such other email address or address as the Company may specify for such purposes by notice to the Holders. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service addressed to each Holder at the email, number or address of such Holder appearing on the books of the Company, or if no such email, number or address appears on the books of the Company, then to the most recent email, number or address such Holder has provided to Company. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the time of transmission, if such notice or communication is delivered via email at the email address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the time of transmission, if such notice or communication is delivered via email at the email address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to subscribe for Warrant ADSs, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the subscription price of any Warrant Shares or Warrant ADSs or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant ADSs.

l) Company Acknowledgement; Notice of Successor Danish Counsel. The Company acknowledges and agrees that the Holder's payment of the aggregate Exercise Price to Company Danish Counsel in connection with any exercise hereunder shall be deemed to be the delivery by the Holder of the aggregate Exercise Price to the Company and shall satisfy the Holder's obligations under this Warrant for the payment of the aggregate Exercise Price in connection with any exercise hereunder and shall require the Company to deliver the Warrant ADSs upon such exercise to the Holder pursuant to the terms hereunder. If the Company changes its Company Danish Counsel after the Initial Exercise Date, the Company shall promptly deliver notice of the successor Company Danish Counsel ((including the bank wire transfer instructions of such successor Company Danish Counsel) to the Holder (including, without limitation, any successor holder of this Warrant) on Company letterhead and executed by the Chief Executive Officer or Chief Financial Officer of the Company, with instructions in writing to pay the aggregate Exercise Price of this Warrant to such successor Company Danish Counsel.

m) Reimbursement. The Company shall reimburse the Holder for any fees charged to the Holder by the Depository in connection with the issuance or holding or sale of the Warrant ADSs.

n) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

o) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

p) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.
