HAR PARTERNE VEDTAGET FØLGENDE:

NOW IT IS HEREBY AGREED AS FOLLOWS:

1 Baggrund og omfang

- 1.1 Formålet med denne Aftale er at tildele Warrantindehaveren warrants i Selskabet for at sikre, at Selskabet og Warrantindehaveren har fælles interesser, og at begge Parter medvirker til at skabe den bedst mulige værdiudvikling i Selskabet.
- 1.2 Selskabets vedtægter er vedlagt denne Aftale som bilag 1.2. Warrantindehaveren accepterer hermed alle fremtidige ændringer i Selskabets vedtægter.

2 Tildeling af warrants

- 2.1 I henhold til betingelserne i denne Aftale udsteder Selskabet hermed, og Warrantindehaveren modtager [•] warrants i Selskabet til Warrantindehaveren ("Warrants").
- 2.2 Hver Warrant giver Warrantindehaveren ret, men ikke pligt, til at tegne én kapitalandel à nominelt kr. 1 i Selskabet.
- 2.3 Warrants tildeles vederlagsfrit.
- 2.4 Warrants giver ikke Warrantindehaveren kapital-ejerrettigheder, som f.eks. fondskapitalandele, eller fortægningsret i tilfælde af en kapitalforhøjelse i Selskabet.
- 2.5 Selskabet er forpligtet til at føre en fortægnelse over udstedte Warrants, som skal opbevares sammen med Selskabets ejerbog.

3 Tegningspris

- 3.1 Hver Warrant giver Warrantindehaveren ret til at tegne én kapitalandel à nominelt kr. 1 i Selskabet til en pris af kr. 1 ("Tegningsprisen").

1 Background and Scope

The purpose of this Agreement is to grant the Warrantee warrants in the Company in order to ensure that the Company and the Warrantee have aligned interests and that both Parties are working to ensure that the value of the Company develops in the best possible way.

The Company's articles of association are attached hereto as Exhibit 1.2. The Warrantee hereby accepts all future changes to the Company's articles of association.

2 Grant of Warrants

Subject to the terms and conditions set out in this Agreement, the Company hereby issues and the Warrantee receives [•] warrants in the Company to the Warrantee (the "Warrants").

Each Warrant shall provide the Warrantee with a right, but not an obligation, to subscribe for one share with a nominal value of DKK 1 in the Company.

The Warrants are granted free of charge.

The Warrants shall not entitle the Warrantee to any shareholder rights such as bonus shares or pre-emption rights in the event of a capital increase of the Company.

The Company undertakes to keep and maintain a register of issued Warrants to be kept in connection with the Company's share register.

3 Subscription Price

Each Warrant gives the Warrantee the right to subscribe for one share with a nominal value of DKK 1 in the Company at a price of DKK 1 (the "Subscription Price").

4 Udnyttelse af Warrants

- 4.1 Warrantinnehaveren kan udnytte alle eller en del af Warrants (i) i forbindelse med en Exit (se punkt 4.2) eller (ii) på et tidspunkt, der fastsættes af Bestyrelsen (et "Vindue")
- 4.2 "Exit" betyder (a) en ændring i ejerforholdene i Selskabet, hvorved en uafhængig tredjemand erhverver 50 % eller mere af selskabskapitalen i Selskabet eller kommer til at kontrollere mere end 50 % af stemmerne i Selskabet; (b) en børsnotering af Selskabets aktier; (c) salg eller overdragelse af samtlige eller en væsentlig del af Selskabet aktiver; (d) en fusion med Selskabet som det ophørende selskab; eller (e) en kombination af (a) - (d).
- 4.3 I tilfælde af en Exit skal Selskabet udstede en skriftlig meddeelse herom ("Meddeelse om Exit") til Warrantinnehaveren. Meddeelsen om Exit skal indeholde relevante oplysninger om fremgangsmåden, bilagt en formular til meddelelse om udnyttelse ("Udnyttelsesmeddelelsen") samt eventuelt en yderligere forpligtelseserklæring, som Selskabet efter eget skøn måtteforlange (f.eks. tiltrædelsesdokument til en aftale om køb og salg af anparter eller lignende forpligtelser til overdragelse af anparter, der er tegnet ved udnyttelse af Warrants), og som skal underskrives af Warrantinnehaveren ("Yderligere Forpligtelseserklæring").
- 4.4 Meddeelse om udnyttelse af Warrants finder sted, ved at Warrantinnehaveren fremsender "Udnyttelsesmeddelelsen" til Selskabet med oplysning om det ønskede antal kapitalandele samt en eventuel Yderligere Forpligtelseserklæring. Samtidig med fremsendelsen af Udnyttelsesmeddelelsen og eventuelt Yderligere Forpligtelseserklæring skal Warrantinnehaveren betale et kontant beløb til Selskabet svarende til det relevante tegningsbeløb.

4 Exercise of Warrants

The Warrantee may exercise all or part of the Warrants (i) in connection with an Exit (see Clause 4.2) or (ii) at any time determined by the Board (a "Window").

An "Exit" shall mean (a) a change of control in the Company whereby any independent third party acquires 50% or more of the share capital in the Company or comes to control more than 50% of the votes in the Company; (b) an initial public offering of the Company's shares ("IPO"); (c) the sale or disposition of all or a material part of the Company's assets; (d) a merger whereby the Company is the discontinuing entity; or (e) a combination of (a) - (d) above.

In the event of an Exit, the Company shall issue a written notice of Exit ("Exit Notice") to the Warrantee. The Exit Notice shall include relevant information on the process and be accompanied by a form of exercise notice (the "Exercise Notice") together with any supplementary undertakings as may be required by the Company at its discretion (for instance adherence documentation to a share sale and purchase agreement or similar undertakings to transfer the shares subscribed for by exercise of the Warrants) to be signed by the Warrantee (the "Supplementary Undertakings").

Notification of exercise of the Warrants takes place by the Warrantee's submission to the Company of the Exercise Notice stating the number of shares requested together with any Supplementary Undertakings. At the same time of submitting the Exercise Notice and any Supplementary Undertakings, the Warrantee shall pay in cash to the Company an amount equal to the relevant subscription amount.

- 4.5 Medmindre Selskabet bestemmer andet, vil samtlige Warrants automatisk bortfalde uden yderligere varsel og uden kompenstation, hvis en Udnyttelsesmeddelelse og en eventuel Yderligere Forpligtelseserklæring samt betaling af det relevante tegningsbeløb ikke er fremsendt senest to uger efter datoén for Meddelelsen om Exit.
- 4.6 Warrants, der ikke udnyttes i forbindelse med en Exit, vil automatisk bortfalde uden kompenstation efter gennemførelsen af den relevante begivenhed.
- 4.7 Såfremt der efter Meddelelsen om Exit ikke sker en endelig gennemførelse af Exit, beholder Warrantindehaveren sine Warrants i henhold til vilkårene i denne Aftale. Hvis Warrantindehaveren har tegnet kapitalandele i Selskabet gennem udnyttelse af Warrants, og disse nye kapitalandele er blevet registreret i Erhvervsstyrelsen, beholder Warrantindehaveren de tegnede kapitalandele, uanset at den bebudede Exit ikke er endeligt gennemført, og de udnyttede Warrants skal ikke tilbageføres. Både Selskabet og Warrantindehaveren har dog ret til efter eget skøn at forlange, at Selskabet tilbagekøber de erhvervede kapitalandele til Tegningsprisen.
- 4.8 Såfremt der oprettes et Vindue, skal punkt 4.3 - 4.5 samtidig være gældende.
- 4.9 Warrants, der ikke udnyttes i forbindelse med et Vindue, bortfalder automatisk uden kompenstation.
- 4.9.1 Såfremt et Vindue ikke er blevet oprettet senest den 31. december 2036, bortfalder Warrants automatisk uden yderligere varsel og uden kompenstation.
- 4.10 I forbindelse med en notering af ADS'er på Nasdaq, USA, har Selskabets bestyrelse i henhold til pkt. 4.1 truffet beslutning om at fastsætte udnyttelsesvinduerne for udstedte warrants således:
- Unless otherwise decided by the Company, if an Exercise Notice and any Supplementary Undertakings together with payment of the relevant subscription amount is not submitted no later than two (2) weeks from the date of the Exit Notice, all Warrants shall automatically and without further notice or compensation lapse and become null and void.
- Any Warrants that are not exercised in connection with an Exit shall automatically become void without compensation, following the completion of the relevant event.
- In the event that an Exit is not finally completed following an Exit Notice, the Warrantee's right to the Warrants as set out in the Agreement shall be retained. In the event that shares have been subscribed for in the Company by exercise of Warrants and such new shares have been registered with the Danish Business Authority, the shares subscribed for shall be retained notwithstanding a notified Exit is not finally completed and the exercised Warrants shall not be reversed; however, both the Company and the Warrantee may on a discretionary basis request that the Company shall repurchase the shares acquired at the Subscription Price.
- In case a Window is established, Clauses 4.3 - 4.5 shall apply simultaneously.
- Any Warrants that are not exercised in connection with a Window shall automatically become void without compensation.
- In the event an Exit or a Window has not occurred on or before December 31 2036, the Warrants shall automatically and without further notice or compensation lapse and become null and void.
- In connection with a listing of ADSs on Nasdaq, USA, the board of directors has resolved, pursuant to clause 4.1, to determine the exercise windows for issued warrants as follows:

Optjente warrants kan udnyttes i fire årlige udnyttelsesvinduer på 2 uger, som hver ligger to handelsdage efter offentliggørelsen af henholdsvis Selskabets årsrapport, halvårsregnskabet samt kvartalsmeddelelserne. Første udnyttelsesperiode indtræder dog tidligst 180 dage efter Selskabets notering af ADS'er på Nasdaq, USA, og i de første fire udnyttelsesperioder kan warrantindehaveren maksimalt udnytte 25% af de til warrantindehaveren tildelte warrants, forudsat altid at warrants er optjent.

Vested warrants may be exercise in four annual exercise windows of two weeks each that each commence two trading days following publication of the Company's annual report, the 6-month report and the interim reports. The first exercise window shall, however, be at least 180 days following the listing by the Company of ADSs on Nasdaq, USA and in the first four exercise periods the warrantholder may as a maximum exercise 25% of the warrants granted to the respective warrantholders, provided always that the warrants have vested.

5 Visse betingelser i relation til Exit

- 5.1 Efter udnyttelse af Warrants i forbindelse med en børsnotering skal Warrantindehaveren underskrive og tiltræde de aftaler eller forpligtelser, herunder i relation til en lock-up periode eller andre lock-up forpligtelser, som den udstedende bank måtte anmode om i forbindelse med en børsnotering.
- 5.2 Selskabet kan kræve, og Warrantindehaveren skal i så fald acceptere, at samtlige eller en del af Warrants ombyttes ligeligt til kapitalandele, warrants, konvertible værdipapirer eller et andet kapitalandelsbaseret instrument udstedt af en køber eller af en efterfølger af Selskabet eller af et af disses moderselskab eller datterselskab, eller til kapitalandele, warrants, konvertible værdipapirer eller andet kapitalandelsbaseret instrument udstedt af Selskabet efter omstrukturering, således at den pågældende Warrantindehavers Warrants umiddelbart efter en sådan ombytning sammen med betaling af en eventuel kontant godtgørelse til Warrantindehaveren i alt væsentlig har samme værdi som Warrants, herunder de Warrants ejet af Warrantindehaveren umiddelbart før en sådan ombytning. Uanset ovenstående er Warrantindehaveren berettiget til en delvis kontant udbetaling i det omfang, dette er nødvendigt, for at Warrantindehaveren er i stand til at betale eventuel indkomst- eller kapitalgevinst skat, der umiddelbart forfalder som følge af en sådan ombytning af værdipapirer.

5 Certain Conditions relating to an Exit

Following exercise of Warrants in connection with an IPO, the Warrantee shall sign and accept such agreements or undertakings, including in respect of a period of lock-up and other lock-up obligations, which may be proposed by the issuing bank in connection with an IPO.

The Company may request, and the Warrantee shall then accept, that all or a portion of the Warrants shall be equitably exchanged for shares, warrants, convertibles or any other equity based instrument, issued by any purchaser of or successor to the Company, or by a parent or subsidiary of either of them, or shares, warrants, convertibles or any other equity based instrument issued by the Company as restructured, such that such Warrantee's Warrants immediately following such exchange, when aggregated with any cash consideration paid to such Warrantee, shall have substantially the same value as the Warrants, including any Warrants held by such Warrantee immediately prior to such exchange. Notwithstanding any of the foregoing, the Warrantee shall be entitled to partial consideration in cash to the extent necessary in order for the Warrantee to be able to pay any personal income or capital gains tax immediately falling due as a result of such exchange of securities.

- 5.3 Forud for en Exit er Selskabet (eller en tredje-mand, der er udpeget af Selskabet) berettiget til at købe Warrants fra Warrantinnehaveren til en pris, der fastsættes i overensstemmelse med punkt 5.5 nedenfor.
- 5.4 Hvis Selskabet ønsker at udnytte en af sine rettigheder i henhold til denne Aftale, skal der gives skriftlig meddelelse herom per email til Warrantinnehaveren. En meddelelse betragtes som værende kommet Warrantinnehaveren i hænde, og Selskabets rettighed derved udøvet, på tidspunktet for emailens afsendelse, forudsat at meddelelsen er stilet til den emailadresse, som Warrantinnehaveren til enhver tid har oplyst Selskabet om. Udnuttelse af en rettighed i henhold til punkt 5.3 ovenfor er altid betinget af, at Exit faktisk er blevet gennemført.
- 5.5 *Købspris i forbindelse med Exit*
- 5.5.1 Ved køb af Warrantinnehaverens Warrants i henhold til punkt 5.3 skal værdien af Warrants være baseret på den rimelige markedsværdi som anført nedenfor.
- 5.5.2 Den rimelige markedsværdi af Warrants beregnes af Selskabet på grundlag af den nettopris per kapitalandel i Selskabet, som sælgende kapitalejere vil modtage ved en Exit med fradrag af et forholdsmaessigt beløb for vederlag til rådgivere m.v. Ved beregningen af den rimelige markedsværdi af Warrants skal Selskabet fratrække et beløb, som Selskabet anser som passende i betragtning af de sælgende kapitalejeres eventuelle forpligtelser i henhold til Exit.
- Prior to an Exit, the Company (or a third party appointed by the Company) shall have a right to purchase the Warrants from the Warrantee for a price determined in accordance with Clause 5.5 below.
- If the Company wishes to exercise any of its rights under this Agreement, a written notice to that effect shall be sent by email to the Warrantee. A notice shall be deemed to have reached a Warrantee, and hence the right of the Company shall be deemed to have been exercised, at the time of the dispatch of the email, provided the notice has been addressed to the email address of the Warrantee which the Warrantee has informed the Company at any time. The exercise of rights pursuant to Clause 5.3 above is always subject to the condition that the Exit is actually completed.
- Purchase Price in connection with an Exit*
- When the Warrantee's Warrants are purchased in accordance with Clause 5.3, the Warrants shall be based on the fair market value as set out below.
- The fair market value of the Warrants shall be calculated by the Company based on the net price per share of the Company to be received by the selling shareholders in an Exit deducted the proportionate amount of any fees to advisors etc. When calculating the fair market value of the Warrants, the Company shall deduct from the fair market value an amount which the Company deems appropriate when considering the selling shareholders' potential liabilities pursuant to the Exit.

- 5.5.3 Når Warrants købes i forbindelse med en Exit som følge af salg eller overdragelse af samtlige eller en væsentlig del af Selskabets aktiver, er værdien af Warrants den rimelige markedsværdi på tidspunktet efter salget. I tilfælde af en sådan Exit skal der ved beregningen af den rimelige markedsværdi for Warrants tages højde for den købspris, Selskabet har modtaget for de solgte aktiver, med fradrag af gæld, der ikke er overdraget sammen med aktiverne, samt en forholdsmaessig andel af omkostninger, honorarer m.v. i forbindelse med transaktionen.
- 5.5.4 Købsprisen for Warrants fastlagt i henhold til punkt 5.5.2 - 5.5.3 ovenfor skal betales 15 dage efter, at de sælgende kapitalejere i Selskabet har modtaget betaling for deres kapitalandele, og i tilfælde af køb i forbindelse med et salg af aktiver, når Selskabet har modtaget betaling for de solgte aktiver.

When the Warrants are purchased in connection with an Exit based on the sale or disposition of all or a material part of the Company's assets, the value of the Warrants shall be the fair market value at the time after such sale. In case of such Exit, the fair market value of the Warrants shall take into account the purchase price received by the Company for the assets sold, net of any debts not transferred together with the assets as well as a proportionate part of any cost, fees etc. related to the transaction.

The purchase price for the Warrants determined in accordance with Clauses 5.5.2 - 5.5.3 above, as applicable, shall be paid 15 days after the selling shareholders of the Company have received payment for their shares, and in case of a purchase in connection with an asset sale, when the Company has received payment for the assets sold.

6 Opsigelse af ansættelsesforholdet

- 6.1 Punkterne 6.2 - 6.7 finder anvendelse, hvis Warrantinnehaveren er ansat i Selskabet:
- 6.2 Hvis Selskabet opsiger Warrantinnehaverens ansættelse i Selskabet med en hvilken som helst begrundelse bortset fra Warrantinnehaverens misligholdelse, er Warrantinnehaveren berettiget til at udnytte Warrants tildelt i henhold til denne Aftale i overensstemmelse med vilkårene i Aftalen, som om Warrantinnehaveren stadig var ansat i Selskabet. Dette gælder ligeledes, hvis ansættelsesforholdet bringes til ophør, fordi Warrantinnehaveren har nået den alder, der gælder for pensionering fra Selskabet, eller fordi Warrantinnehaveren kan oppebære folkepension eller alderspension fra Selskabet.

6 Termination of Employment

Clauses 6.2 - 6.7 shall apply provided the Warrantee is an employee of the Company:

In the event the Company terminates the Warrantee's employment with the Company for any reason other than due to the Warrantee's breach (in Danish "misligholdelse"), the Warrantee shall have the right to exercise any Warrants granted pursuant to this Agreement in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company. The same applies if the employment relationship comes to an end because the Warrantee has reached the age of retirement from the Company or is entitled to old age pension (in Danish: "folkepension") or retirement pension (in Danish: "alderspension") from the Company.

6.3 Hvis Selskabet opsiger Warrantindehaverens ansættelse i Selskabet begrundet i Warrantindehaverens misligholdelse eller berettiget bortviser Warrantindehaveren, bortfalder samtlige Warrants, der er tildelt i henhold til denne Aftale, men som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden.

6.4 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet inden den 31. december 2019 med en hvilken som helst grundlse, bortset fra Selskabets grove misligholdelse, bortfalder samtlige Warrants, der er tildelt i henhold til denne Aftale, men som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden.

6.5 Hvis Warrantindehaveren opsiger sin ansættelse i Selskabet fra og med den 31. december 2019 med en hvilken som helst grundlse, bortset fra Selskabets grove misligholdelse, er Warrantindehaveren berettiget til at udnytte det antal Warrants tildelt i henhold til denne Aftale, som er anført nedenfor, i overensstemmelse med vilkårene i Aftalen, som om Warrantindehaveren stadig var ansat i Selskabet:

In the event that the Company terminates the Warrantee's employment with the Company due to the Warrantee's breach (in Danish "misligholdelse") or summarily dismisses the Warrantee for cause (in Danish "bortvisning"), all Warrants granted pursuant to this Agreement, but not exercised at the time of the expiration of the notice period, becomes null and void.

In the event that the Warrantee terminates the employment with the Company before December 31 2019 for any reason other than due the Company's material breach (in Danish: "grov misligholdelse"), all Warrants granted pursuant to this Agreement, but not exercised at the time of the expiration of the notice period, become null and void.

If the Warrantee terminates the employment with the Company on or after December 2019 for any reason other than due the Company's material breach (in Danish: "grov misligholdelse") the Warrantee shall have the right to exercise such number of Warrants granted pursuant to this Agreement as set out below in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company:

Dato for Warrantindehaverens opsigelse/ Date of termination notice being served by the Warrantee	% af Warrants % of Warrants	Antal Warrants No. of Warrants
December 31 2019	33,333	
April 1 2020	41,666	
July 1 2020	49,999	
October 1 2020	58,332	
January 1 2021	66,665	
April 1 2021	74,998	
July 1 2021	83,331	
October 31 2021	91,664	
December 1 2021	100	

Resterende Warrants, som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden, bortfalder.

Remaining Warrants not exercised at the time of the expiration of the notice period, become null and void.

6.6 [For nogle Warrantinnehavere i henhold til individuel aftale: Uanset ovenstående, kan [antal] Warrants udnyttes i henhold til punkt 6.5 uagtet datoens for opsigelsen fra Warrantinnehaverens side.]

6.7 Hvis Warrantinnehaveren opsigter sin ansættelse i Selskabet begrundet i Selskabets grove misligholdelse, er Warrantinnehaveren berettiget til at udnytte Warrants tildelt i henhold til denne Aftale i overensstemmelse med vilkårene i Aftalen, som om Warrantinnehaveren stadig var ansat i Selskabet.

6.8 I tilfælde af Warrantinnehaverens død, vil Warrantinnehaverens bo eller Warrantinnehaverens overlevende ægtefælle (hvis denne sidder i uskiftet bo) være berettiget til at udnytte Warrants i overensstemmelse med vilkårene i denne Aftale.

7 Ændring i retsstilling eller selskabskapital

7.1 Ændring i selskabskapital

- 7.1.1 I tilfælde af ændringer i Selskabets selskabskapital, herunder men ikke begrænset til:
- (i) forøgelse af selskabskapitalen,
 - (ii) udstedelse af konvertible obligationer,
 - (iii) udstedelse af nye tegningsretter, eller
 - (iv) nedsættelse af selskabskapitalen,

uanset om dette sker til en kurs, der er lig med markedskurserne for Selskabets kapitalandele, eller til en overkurs, eller hvis ændringerne nævnt i 7.1.1 (i)-(iv) sker til favørkurs, sker der ingen regulering i Warrants.

- 7.1.2 Hvis den nominelle værdi af Selskabets kapitalandele ændres, skal antallet af Warrants (antal af kapitalandele) og/eller Udnyttelsesprisen tilpasses, således at værdien af Warrants ikke bliver påvirket af sådanne ændringer.

[For some Warrantees subject to individual agreement: Notwithstanding the above, [number] Warrants shall be exercisable in accordance with Clause 6.5 regardless of the date of termination notice being served by the Warrantee.]

In the event that the Warrantee terminates the employment with the Company due to the Company's material breach (in Danish: "grov misligholdelse"), the Warrantee shall have the right to exercise any Warrants granted pursuant to this Agreement in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company.

In the event of the death of the Warrantee, the estate of the Warrantee or the spouse of the Warrantee (if the surviving spouse retains undivided possession of the estate) shall have the right to exercise any Warrants in accordance with the terms and conditions of this Agreement.

7 Change of legal status or share capital

Change of Share Capital

In case of changes in the Company's share capital including but not limited to:

- (i) increase of the share capital,
- (ii) issuance of convertible bonds,
- (iii) issuance of new subscription rights, or
- (iv) decrease of the share capital,

whether at a rate that is equal to the market price of the shares of the Company or at premium rate ("overkurs"), or if the changes mentioned in Clause 7.1.1 (i)-(iv) are made at a special price ("favørkurs"), no regulation of Warrants shall occur.

If the nominal value of the shares of the Company is amended, the number of Warrants (number of shares) and/or the Exercise Price shall be adjusted, so that the value of the Warrants is not affected by the said amendments.

7.1.3 Hvis selskabskapitalen nedsættes til dækning af tab, skal antallet af kapitalandele, som Warrantinnehaveren kan tegne gennem udnyttelse af Warrants, reduceres (nedrundet) forholdsmaessigt til den nominelle reduktion af kapitalen sammenholdt med Selskabets totale nominelle selskabskapital før reduktionen

7.2 Andre ændringer

7.2.1 Hvis der træffes beslutning om

(i) at likvidere eller afvikle Selskabet,

(ii) at spalte Selskabet eller

(iii) at gennemføre en kapitalandelsombytning, der omfatter samtlige kapitalandele i Selskabet (oprettelse af et holdingselskab/apportindskud),

er Warrantinnehaveren berettiget til at udnytte Warrants på ikrafttrædelsesdatoen for den relevante ændring, jf. dog punkt 7.2.2. Selskabets Bestyrelse skal skriftligt meddele Warrantinnehaveren, hvis der træffes en af de ovennævnte beslutninger, og Warrantinnehaveren kan udnytte samtlige Warrants inden for 30 dage fra dato for meddelelsen. Samtlige Warrants, som Selskabets Bestyrelse ikke har modtaget en Udnyttelsesmeddelelse for inden udgangen af 30 dages fristen, bortfalder automatisk uden yderligere varsel eller kompensation, medmindre de erstattes i henhold til punkt 7.2.2.

7.2.2 Hvis Selskabet indgår i en fusion, spaltning eller kapitalandelsombytning, der omfatter samtlige kapitalandele i Selskabet (oprettelse af et holdingselskab/apportindskud), er Selskabet berettiget, men ikke forpligtet til at anmode om, at Warrants erstattes med retten til at tegne kapitalandele i de(t) modtagende selskab(er), forudsat at de(t) fortsættende selskab(er) er enig heri.

If the share capital is reduced in order to cover losses, the number of shares for which the Warrantee may subscribe by exercising the Warrants shall be reduced (rounded down) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

Other Changes

If a resolution is made to

(i) liquidate or wind up the Company,

(ii) demerge the Company, or

(iii) effect an exchange of shares which includes all shares in the Company (establishment of a holding company/non-cash contribution),

the Warrantee shall be entitled to exercise his/her Warrants on the effective date of the relevant change, see however Clause 7.2.2. The Company's Board shall give written notice to the Warrantee if one of the above resolutions is made and the Warrantee may exercise all such Warrants within 30 days from the date of such notice. If the Board has not received an Exercise Notice prior to the expiry of the 30 days' notice, the Warrants will automatically and without further notice be cancelled and become void without notice or compensation unless replaced in accordance with Clause 7.2.2.

In the event of contribution of the Company by merger, de-merger or an exchange of shares which includes all shares in the Company (establishment of a holding company/non-cash contribution) the Company shall have the right, but not the obligation, to request that the Warrants are replaced by the right to subscribe to shares in the receiving company(ies) subject to written approval by the continuing company(ies).

8 Tegning af kapitalandele

- 8.1 Ved udnyttelse af et hvilket som helst antal Warrants gælder følgende for tegning af nye kapitalandele:
- (i) De andre kapitalejere i Selskabet har ikke fortettingsret med hensyn til Warrants eller kapitalandele udstedt gennem udnyttelse af Warrants
 - (ii) Betaling af tegningsbeløbet og tegning af kapitalandele skal finde sted samtidigt. Warrantindehaverens rettigheder som kapitalejer efter udnyttelse af samtlige Warrants eller en del heraf træder i kraft, når uigenkaldelig kontant betaling til Selskabet har fundet sted. Selskabet skal registrere Warrantindehaveren som kapitalejer i Selskabets ejerbog.
 - (iii) De nye kapitalandele udstedes i kapitalandele à nominelt kr. 1 eller multipla heraf.
 - (iv) De nye kapitalandele skal udstedes på navn, indføres i Selskabets ejerbog og er ikke-omsættelige.
 - (v) Restriktionerne på eksisterende kapitalandele vedrørende omsættelighed gælder også for de nye kapitalandele.
 - (vi) Fortettingsret for nye kapitalandele i forbindelse med fremtidige kapitalforhøjelser er begrænsede for så vidt angår udstedelse af warrants eller tegning af kapitalandele gennem udnyttelse af sådanne warrants eller ved andre begivenheder i henhold til generalforsamlingens beslutning.
 - (vii) De nye kapitalandele giver ret til dividende og andre rettigheder i Selskabet til enhver tid, når den relevante kapitalforhøjelse er registreret i Erhvervsstyrelsen.
 - (viii) Selskabet betaler omkostningerne i forbindelse med udstedelse og udnyttelse af Warrants.

8 Subscription of Shares

Upon exercise of any part of the Warrants, the following will apply for the subscription of new shares:

- (i) The other shareholders of the Company have no preemptive rights with respect to the Warrants or shares issued by exercise of the Warrants.
- (ii) Payment of the subscription amount and subscription of shares shall take place simultaneously. The Warrantee's rights as a shareholder following exercise of the Warrants or part thereof shall come into force when an irrevocable cash payment has been made to the Company. The Company shall register the Warrantee as a shareholder in the Company's share register.
- (iii) The new shares are issued in shares of nominally DKK 1 or multiples hereof.
- (iv) The new shares are issued on name, shall be registered in the Company's share register and are non-negotiable shares.
- (v) The restrictions on the current shares as to negotiability shall also apply for the new shares.
- (vi) The preemptive rights of the new shares in connection with future capital increases shall be limited in connection with the issuance of warrants or subscription of shares by exercising such warrants or other events as decided by the general meeting of the Company.
- (vii) The new shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority.
- (viii) The Company shall pay the costs in connection with the issuance and exercise of Warrants

9 Skat

- 9.1 Punkterne 9.2 - 9.4 finder anvendelse, hvis Warrantinnehaveren er ansat i Selskabet:
- 9.2 Warrants er underlagt ligningslovens § 7 P.
- 9.3 Selskabet har vurderet værdien af de tildelte warrants til DKK 1074,72 pr. styk (før udstedelse af fondsaktier og aktiesplit den 4. januar 2021).
- 9.4 Selskabet giver ikke Warrantinnehaveren nogen garanti for, at Warrants beskattes efter ligningslovens § 7 P med eventuelle senere ændringer, herunder om kravene til anvendelse af bestemmelsen ikke er opfyldt, eller om bestemmelsen fremover er ændret eller ophævet.
- 9.5 De skattemæssige konsekvenser for Warrantinnehaveren i forbindelse med denne Aftale, herunder men ikke begrænset til erhvervelse og/eller tildeling af Warrants, og/eller skattemæssige konsekvenser i forbindelse med udnyttelse af Warrants, er Selskabet uvedkommende. Warrantinnehaveren opfordres til at søge skattemæssig rådgivning i forbindelse med indgåelsen af denne Aftale.

10 Ejeraftale

- 10.1 Warrantinnehaveren skal på tidspunktet for udnyttelse af Warrants tildelt i henhold til denne Aftale tiltræde og acceptere at være bundet af enhver ejeraftale, der gælder for kapitalejere i Selskabet til enhver tid ved at underskrive en tiltrædelseserklæring til en sådan ejeraftale. Warrantinnehaveren tiltræder og accepterer, at en sådan ejeraftale kan indeholde betingelser, der alene gælder for Warrantinnehaveren og ikke for de andre kapitalejere i Selskabet. Således har ikke alle kapitalejere i Selskabet de samme rettigheder i henhold til ejeraftalen. En sådan tiltrædelseserklæring skal underskrives senest på tidspunktet for udnyttelse af Warrants, og udnyttelsen af Warrants skal være betinget heraf.

9 Tax

Clauses 9.2 - 9.4 shall apply provided the Warrantee is an employee of the Company:

The Warrants shall be subject to Section 7 P of the Danish Tax Assessment Act.

The Company has assessed the value of each granted warrants at DKK 1074.72 (before issuance of bonus shares and share split on 4 January 2021).

The Company does not make any guarantees to the Warrantee that the Warrantee will be subject to the tax treatment under Section 7 P of the Danish Tax Assessment Act, as amended from time to time, including whether the requirements for the application of the provision are not met or if the provision is altered or repealed in the future.

The tax consequences for the Warrantee arising in connection with or out of this Agreement, including but not limited to the acquisition and/or granting of the Warrants and/or the tax consequences in connection with the exercise of the Warrants, are of no concern to the Company. The Warrantee is strongly encouraged to seek tax advice in connection with entering into this Agreement.

10 Shareholders' Agreement

The Warrantee shall at the time of exercise of the Warrants granted hereunder endorse and agree to be bound by any Shareholders' Agreement applicable to the shareholders of the Company from time to time by signing a deed of adherence to such Shareholders' Agreement. The Warrantee acknowledges and accepts that such Shareholders' Agreement may include terms only applicable on the Warrantee and not on the other shareholders of the Company. Thus, not all shareholders of the Company may have the same rights under the Shareholders Agreement. Such deed of adherence shall be signed no later than at the time of the exercise of the Warrants and the exercise of any Warrants shall be conditional hereupon.

11 Overdragelse af Warrants

- 11.1 Warrants og andre rettigheder og/eller forpligtelser af Warrantinnehaveren i henhold til denne Aftale må ikke være genstand for udlæg (pant, sikkerhed eller lignende), erhverves eller på anden måde overdrages af Warrantinnehaveren.
- 11.2 Uanset det anførte under punkt 11.1 kan overdragelse i tilfælde af Warrantinnehaverens død finde sted til Warrantinnehaverens bo og/eller hans/hendes arvinger.
- 11.3 Uanset det anførte under punkt 11.1 må Warrantinnehaverens kapitalandele henholdsvis Warrants, herunder kapitalandele erhvervet gennem udnyttelse af Warrants, ikke være genstand for inkasso-procedurer, fogedforretninger eller anden form for fuldbyrdelse og må heller ikke bruges som pant over for tredjepart. Warrantinnehaveren har dog ved forudgående skriftlig tilladelse fra Selskabets Bestyrelse ret til at bruge kapitalandele og warrants som pant i forbindelse med finansiering af køb af sådanne kapitalandele og warrants, hvis panthaver forud for pantsætningen skriftligt bekræfter at ville respektere denne Aftale.

12 Afkald

- 12.1 Warrantinnehaveren garanterer ikke at ville påberåbe sig eller på anden måde benytte sig af minoritetsbeskyttelsesreglen i henhold Selskabsloven, herunder § 73, ifølge hvilken en minoritetskaptalejer kan fordre sine kapitalandele indløst af en kaptalejer, der ejer mere end ni tiendedele af kapitalandelene (indløsningsret).

13 Pantsætning af kapitalandele

- 13.1 Warrantinnehaveren forpligter sig herved at pantsætte kapitalandele i Selskabet tegnet gennem udnyttelse af Warrants (herunder eventuelle stemmerettigheder) til de andre kaptalejere i Selskabet som sikkerhed for (i) opfyldelse af Warrantinnehaverens forpligtelser i henhold til Aftalen og (ii) opfyldelse af Warrantinnehaverens forpligtelser i henhold til ejeraftale, der er gældende for Warrantinnehaverens kapitalandele i Selskabet.

11 Assignment of Warrants

The Warrants and any other rights and/or obligations granted to the Warrantee under this Agreement cannot be subject to any encumbrance (as pledge, security or similar), assignment or in any other way be transferred by the Warrantee.

Notwithstanding Clause 11.1, assignment to the estate left by the Warrantee and/or to his/her heir/heiress in the event of death shall be allowed.

Notwithstanding Clause 11.1, the Warrantee's shares and Warrants (as applicable), including shares acquired by the exercise of Warrants, are not to be subjected to debt collection proceedings, creditor enforcement or any other type of enforcement, nor are they to be pledged to any third party. However, subject to prior written approval from the board of the Company the Warrantee shall be entitled to pledge shares and warrants in connection with the funding of the purchase of such shares and warrants if the pledgee prior to the pledge accepts in writing to respect this Agreement.

12 Waiver

The Warrantee undertakes not to invoke or otherwise rely upon the minority protection rule available under the Danish Companies Act, including Clause 73, stipulating the right to require a shareholder holding more than ninetenths of the shares to acquire the shares of any minority shareholder (in Danish: "indløsningsret")

13 Pledge of Shares

The Warrantee hereby undertakes to pledge any shares in the Company subscribed for by exercise of any Warrants (including voting rights (if any)) to the other shareholders of the Company as security for (i) the fulfilment of the Warrantee's obligations under this Agreement and (ii) the fulfilment of the Warrantee's obligations under any Shareholders' Agreement governing the shares in the Company held by the Warrantee.

14 Fuldmagt

- 14.1 Warrantindehaveren giver hermed Selskabets Bestyrelse fuldmagt til på Warrantindehaverens vegne at iværksætte enhver foranstaltning, der måtte være nødvendig til opfyldelse af denne Aftale.

15 Tavshedspligt

- 15.1 Parterne forpligter sig til at behandle indholdet af denne Aftale og betingelserne for Aftalen fortroligt. En Part er berettiget til at fremlægge betingelserne i denne Aftale på skriftlig opfordring fra en offentlig myndighed, som har en lovlig ret til at kræve sådanne oplysninger, eller hvis en sådan fremlægelse udspringer af lovgivningen.

16 Lovvalg

- 16.1 Denne Aftale er underlagt dansk ret.

17 Tvister

- 17.1 Enhver tvist mellem Parterne, der måtte udspringe af Aftalen, herunder dens indgåelse eller ophør, skal først søges afgjort ved forhandling. Kan Parterne ikke nå til enighed, afgøres tvisten ved de danske domstole i København.

18 Underskrift, hele Aftalen og ændringer hertil**14 Power of Attorney**

The Warrantees hereby grants the Board power of attorney to undertake any necessary actions on behalf of the Warrantees to ensure fulfilment of this Agreement.

15 Confidentiality

The Parties undertake to treat the content of this Agreement and its terms and conditions confidential. A Party shall be entitled to disclose the terms and conditions of this Agreement upon written request from a public authority that has a legal right to require this information or if such disclosure follows from statutory law.

16 Governing law

This Agreement shall be governed by the laws of Denmark.

17 Disputes

The Parties shall primarily seek to amicably settle any dispute arising out of or in connection with this Agreement, including its conclusion or termination. If the Parties cannot reach an agreement, the dispute shall be settled by the Danish courts in Copenhagen.

18 Signatures, entire Agreement, and amendments

- 18.1 Denne Aftale er udfærdiget i to eksemplarer, hvoraf det ene underskrevne eksemplar forbliver hos Selskabet, mens det andet underskrevne eksemplar udleveres til Warrantindehaveren. Aftalen træder i kraft på datoen for underskrivelsen.

Både Selskabet og Warrantinnehaveren har dog ret til efter eget skøn at forlange, at Selskabet tilbagekøber de erhvervede kapitalandele til Tegningsprisen.

4.8 Såfremt der oprettes et Vindue, skal punkt 4.3 - 4.5 samtidig være gældende.

4.9 Warrants, der ikke udnyttes i forbindelse med et Vindue, bortfalder automatisk uden kompensation.

Første udnyttelsesperiode indtræder dog tidligst 180 dage efter Selskabets notering af ADS'er på Nasdaq, USA, og i de første fire udnyttelsesperioder kan warrantinnehaveren maksimalt udnytte 25% af de til warrantinnehaveren tildelte warrants forudsat altid at warrants er optjent.

The first exercise window shall, however, be at least 180 days following the listing by the Company of ADSs on Nasdaq, USA and in the first four exercise periods the warrantholder may as a maximum exercise 25% of the warrants granted to the respective warrantholders, provided always that the warrants have vested.

5 VISSE BETINGELSER I RELATION TIL EXIT

5 CERTAIN CONDITIONS RELATING TO AN

EXIT

- 5.1 Efter udnyttelse af Warrants i forbindelse med en børsnotering skal Warrantinnehaveren underskrive og tiltræde de aftaler eller forpligtelser, herunder i relation til en lock-up periode eller andre lock-up forpligtelser, som den udstedende bank måtte anmode om i forbindelse med en børsnotering.
- 5.2 Selskabet kan kræve, og Warrantinnehaveren skal i så fald acceptere, at samtlige eller en del af Warrants ombyttes ligeligt til kapitalandele, warrants, konvertible værdipapirer eller et andet kapitalandelsbaseret instrument udstedt af en køber eller af en efterfølger af Selskabet eller af et af disse moderselskab eller datterselskab, eller til kapitalandele, warrants, konvertible værdipapirer eller andet kapitalandelsbaseret instrument udstedt af Selskabet efter omstrukturering, således at den pågældende Warrantinnehavers Warrants umiddelbart efter en sådan ombytning
- sammen med betaling af en eventuel kontant godtgørelse til Warrantinnehaveren - i alt væsentlig har samme værdi som Warrants, herunder de Warrants ejet af Warrantinnehaveren umiddelbart før en sådan ombytning. Uanset ovenstående er Warrantinnehaveren berettiget til en delvis kontant udbetaling i det omfang, dette er nødvendigt, for at Warrantinnehaveren er i stand til at betale eventuel indkomst- eller kapitalgevinstskat, der umiddelbart forfalder som følge af en sådan ombytning af værdipapirer.
- 5.3 Forud for en Exit er Selskabet (eller en tredjemand, der er udpeget af Selskabet) berettiget til at købe Warrants fra Warrantinnehaveren til en pris, der fastsættes i overensstemmelse med punkt 5.5 nedenfor.
- 5.4 Hvis Selskabet ønsker at udnytte en af sine rettigheder i henhold til denne Aftale, skal der gives skriftlig meddelelse herom per email til Warrantinnehaveren. En meddelelse betragtes som værende kommet Warrantinnehaveren i hænde, og Sel-
- Following exercise of Warrants in connection with an IPO, the Warrantee shall sign and accept such agreements or undertakings including in respect of period of lock-up and other lock-up obligations which may be proposed by the issuing bank in connection with an IPO.
- The Company may request, and the Warrantee shall then accept, that all or a portion of the Warrants shall be equitably exchanged for shares, warrants, convertibles or any other equity based instrument, issued by any purchaser of or successor to the Company, or by a parent or subsidiary of either of them, or shares, warrants, convertibles or any other equity based instrument issued by the Company as restructured, such that such Warrantee's Warrants immediately following such exchange, when aggregated with any cash consideration paid to such Warrantee, shall have substantially the same value as the Warrants, including any Warrants held by such Warrantee immediately prior to such exchange. Notwithstanding any of the foregoing, the Warrantee shall be entitled to partial consideration in cash to the extent necessary in order for the Warrantee to be able to pay any personal income or capital gains tax immediately falling due as a result of such exchange of securities.
- Prior to an Exit, the Company (or a third party appointed by the Company) shall have a right to purchase the Warrants from the Warrantee for a price determined in accordance with Clause 5.5 below.
- If the Company wishes to exercise any of its rights under this Agreement, a written notice to that effect shall be sent by email to the Warrantee. A notice shall be deemed to have reached a Warrantee, and hence the right of the Company shall be

skabets rettighed derved udøvet, på tidspunktet for emailens afsendelse, forudsat at meddelelsen er stilet til den emailadresse, som Warrantindehaveren til enhver tid har oplyst Selskabet om. Udnyttelse af en rettighed i henhold til punkt 5.3 ovenfor er altid betinget af, at Exit faktisk er blevet gennemført.

5.5 Købspris i forbindelse med Exit

- 5.5.1 Ved køb af Warrantindehaverens Warrants i henhold til punkt 5.3 skal værdien af Warrants være baseret på den rimelige markedsværdi som anført nedenfor.
- 5.5.2 Den rimelige markedsværdi af Warrants beregnes af Selskabet på grundlag af den nettopris per kapitalandel i Selskabet, som sælgende kapital ejere vil modtage ved en Exit med fradrag af et forholdsmaessigt beløb for vederlag til rådgivere m.v. Ved beregningen af den rimelige markedsværdi af Warrants skal Selskabet fratrække et beløb, som Selskabet anser som passende i betragtning af de sælgende kapitalejeres eventuelle forpligtelser i henhold til Exit.
- 5.5.3 Når Warrants købes i forbindelse med en Exit som følge af salg eller overdragelse af samtlige eller en væsentlig del af Selskabets aktiver, er værdien af Warrants den rimelige markedsværdi på tidspunktet efter salget. I tilfælde af en sådan Exit skal der ved beregningen af den rimelige markedsværdi for Warrants tages højde for den købspris, Selskabet har modtaget for de solgte aktiver, med fradrag af gæld, der ikke er overdraget sammen med aktiverne, samt en forholdsmaessig andel af omkostninger, honorarer m.v. i forbindelse med transaktionen.
- 5.5.4 Købsprisen for Warrants fastlagt i henhold til punkt 5.5.2 - 5.5.3 ovenfor skal betales 15 dage efter, at de sælgende kapitalejere i Selskabet har modtaget betaling for deres kapitalandele, og i tilfælde af køb i forbindelse med et salg af aktiver, når Selskabet

deemed to have been exercised, at the time of the dispatch of the email, provided the notice has been addressed to the email address of the Warrantee which the Warrantee has informed the Company at any time. The exercise of rights pursuant to Clause 5.3 above is always subject to the condition that the Exit is actually completed.

Purchase Price in connection with an Exit

When the Warrantee's Warrants are purchased in accordance with Clause 5.3, the Warrants shall be based on the fair market value as set out below.

The fair market value of the Warrants shall be calculated by the Company based on the net price per share of the Company to be received by the selling shareholders in an Exit deducted the proportionate amount of any fees to advisors etc. When calculating the fair market value of the Warrants, the Company shall deduct from the fair market value an amount which the Company deems appropriate when considering the selling shareholders' potential liabilities pursuant to the Exit.

When the Warrants are purchased in connection with an Exit based on the sale or disposition of all or a material part of the Company's assets, the value of the Warrants shall be the fair market value at the time after such sale. In case of such Exit, the fair market value of the Warrants shall take into account the purchase price received by the Company for the assets sold, net of any debts not transferred together with the assets as well as a proportionate part of any cost, fees etc. related to the transaction.

The purchase price for the Warrants determined in accordance with Clauses 5.5.2 - 5.5.3 above, as applicable, shall be paid 15 days after the selling shareholders of the Company have received payment for their shares, and in case of a purchase in

har modtaget betaling for de solgte aktiver.

Dette gælder ligeledes, hvis ansættelsesforholdet bringes til ophør, fordi Warrantindehaveren har nået den alder, der gælder for pensionering fra Selskabet, eller fordi Warrantindehaveren kan opnærøre folkepension eller alderspension fra Selskabet.
- 6.2 Hvis Selskabet opsigter Warrantindehaverens ansættelse i Selskabet grundet i Warrantindehaverens misligholdelse eller berettiget bortviser Warrantindehaveren, bortfalder samtlige Warrants, der er tildelt i henhold til denne Aftale, men som ikke er udnyttet på tidspunktet for udløbet af opsigelsesperioden.

- (i) De andre kapitalejere i Selskabet har ikke fortegningsret med hensyn til Warrants eller kapitalandele udstedt gennem udnyttelse af Warrants
- (ii) Betaling af tegningsbeløbet og tegning af kapitalandele skal finde sted samtidigt. Warrantindehaverens rettigheder som kapital ejer efter udnyttelse af samtlige Warrants eller en del heraf træder i kraft, når uigenkaldelig kontant betaling til Selskabet har fun-

Warrantinnehaveren tiltræder og accepterer, at en sådan ejeraftale kan indeholde betingelser, der alene gælder for Warrantinnehaveren og ikke for de andre kapitalejere i Selskabet. Således har ikke alle kapitalejere i Selskabet de samme rettigheder i henhold til ejeraftalen. En sådan tiltrædelseserklæring skal underskrives senest på tidspunktet for udnyttelse af Warrants, og udnyttelsen af Warrants skal være betinget heraf.

Such deed of adherence shall be signed no later than at the time of the exercise of the Warrants and the exercise of any Warrants shall be conditional hereupon.

Certain Conditions relating to an Exit

5.4

Following exercise of Warrants in connection with an IPO, the Warrantee shall sign and accept such agreements or undertakings, including in respect of a period of lock-up and other lock-up obligations, which may be proposed by the issuing bank in connection with an IPO.

5.5

The Company may request, and the Warrantee shall then accept, that all or a portion of the Warrants shall be equitably exchanged for shares, warrants, convertibles or any other equity based instrument, issued by any purchaser of or successor to the Company, or by a parent or subsidiary of either of them, or shares, warrants, convertibles or any

dipapirer eller andet kapitalandelsbaseret instrument udstedt af Selskabet efter omstrukturering, således at den pågældende Warrantindehavers Warrants umiddelbart efter en sådan ombytning - sammen med betaling af en eventuel kontant godtgørelse til Warrantindehaveren - i alt væsentlig har samme værdi som de pågældende Warrants, herunder de Warrants ejet af Warrantindehaveren umiddelbart før en sådan ombytning. Uanset ovenstående er Warrantindehaveren berettiget til en delvis kontant udbetaling i det omfang, dette er nødvendigt, for at Warrantindehaveren er i stand til at betale eventuel indkomst- eller kapitalgevinstskat, der umiddelbart forfader som følge af en sådan ombytning af værdipapirer.

- 5.3 Forud for en Exit er Selskabet (eller en tredjemand, der er udpeget af Selskabet) berettiget til at købe Warrants fra Warrantindehaveren til en pris, der fastsættes i overensstemmelse med punkt 5.5 nedenfor.
- 5.4 Hvis Selskabet ønsker at udnytte en af sine rettigheder i henhold til denne Aftale, skal der gives skriftlig meddelelse herom per e-mail til Warrantindehaveren. En meddelelse betragtes som værende kommet Warrantindehaveren i hænde, og Selskabets rettighed derved udøvet, på tidspunktet for e-mailens afsendelse, forudsat at meddelelsen er stilet til den e-mailadresse, som Warrantindehaveren til enhver tid har oplyst Selskabet om. Udnyttelse af en rettighed i henhold til punkt 5.3 ovenfor er altid betinget af, at Exit faktisk er blevet gen nemført.

Notwithstanding any of the foregoing, the Warrantee shall be entitled to partial consideration in cash to the extent necessary in order for the Warrantee to be able to pay any personal income or capital gains tax immediately falling due as a result of such exchange of securities.

- 5.6
- Prior to an Exit, the Company (or a third party appointed by the Company) shall have a right to purchase the Warrants from the Warrantee for a price determined in accordance with Clause 5.8 below.
- 5.7
- If the Company wishes to exercise any of its rights under this Agreement, a written notice to that effect shall be sent by email to the Warrantee. A notice shall be deemed to have reached a Warrantee, and hence the right of the Company shall be deemed to have been exercised, at the time of the dispatch of the email, provided the notice has been addressed to the email address of the Warrantee which the Warrantee has informed the Company at any time. The exercise of rights pursuant to Clause 5.6 above is always subject to the condition that the Exit is actually completed.

		<i>Exit</i>
5.5.1	Ved køb af Warrantindehaverens Warrants i henhold til punkt 5.3 skal værdien af Warrants være baseret på den rimelige markedsværdi, som anført nedenfor.	5.8.1 When the Warrantee's Warrants are purchased in accordance with Clause 5.6, the Warrants shall be based on the fair market value as set out below.
5.5.2	Den rimelige markedsværdi af Warrants beregnes af Selskabet på grundlag af den nettopris per kapitalandel i Selskabet, som sælgende kapitalejere vil modtage ved en Exit med fradrag af et forholdsmaessigt beløb for vederlag til rådgivere m.v. Ved beregningen af den rimelige markedsværdi af Warrants skal Selskabet fratrække et beløb, som Selskabet anser som passende i betragtning af de sælgende kapitalejeres eventuelle forpligtelser i henhold til Exit.	5.8.2 The fair market value of the Warrants shall be calculated by the Company based on the net price per share of the Company to be received by the selling shareholders in an Exit deducted the proportionate amount of any fees to advisors etc. When calculating the fair market value of the Warrants, the Company shall deduct from the fair market value an amount which the Company deems appropriate when considering the selling shareholders' potential liabilities pursuant to the Exit.
5.5.3	Når Warrants købes i forbindelse med en Exit som følge af salg eller overdragelse af samtlige eller en væsentlig del af Selskabets aktiver, er værdien af Warrants den rimelige markedsværdi på tidspunktet efter salget. I tilfælde af en sådan Exit skal der ved beregningen af den rimelige markedsværdi for Warrants tages højde for den købspris, Selskabet har modtaget for de solgte aktiver, med fradrag af gæld, der ikke er overdraget sammen med aktiverne, samt en forholdsmaessig andel af omkostninger, honorarer m.v. i forbindelse med transaktionen.	5.8.3 When the Warrants are purchased in connection with an Exit based on the sale or disposition of all or a material part of the Company's assets, the value of the Warrants shall be the fair market value at the time after such sale. In case of such Exit, the fair market value of the Warrants shall take into account the purchase price received by the Company for the assets sold, net of any debts not transferred together with the assets as well as a proportionate part of any cost, fees etc. related to the transaction.
5.5.4	Købsprisen for Warrants fastlagt i henhold til punkt 5.5.2 - 5.5.3 ovenfor skal betales 15 dage efter, at de sælgende kapitalejere i Selskabet har modtaget betaling for deres kapitalandele, og i tilfælde af køb i forbindelse med et salg af aktiver, når Selskabet har modtaget betaling for de solgte aktiver.	5.8.4 The purchase price for the Warrants determined in accordance with Clauses 5.8.2 - 5.8.3 above, as applicable, shall be paid 15 days after the selling shareholders of the Company have received payment for their shares, and in case of a purchase in connection with an asset sale, when the Company has received

				payment for the assets sold.

Dette gælder ligeledes, hvis ansættelsesforholdet bringes til ophør, fordi Warrantinnehaveren har nået den alder, der gælder for pensionering fra Selskabet, eller fordi Warrantinnehaveren kan oppebære folkepension eller alderspension fra Selskabet.	6.5	In the event the Company terminates the Warrantee's employment with the Company for any reason other than due to the Warrantee's breach (in Danish "misligholdelse"), the Warrantee shall have the right to exercise any Warrants granted pursuant to this Agreement in accordance with the terms and conditions of this Agreement as if the Warrantee continued to be employed by the Company. The same applies if the employment relationship comes to an end because the Warrantee has reached the age of retirement from the Company or is entitled to old age pension (in Danish: "folkepension") or retirement pension (in Danish: "alderspension") from the Company.

Schedule 4

Evaxion Biotech A/S

Warrant Terms

1.

RESOLUTION

1.1

The Board of Directors has on 17 December 2020, pursuant to the authorisation set out in article 2.8 of Evaxion Biotech A/S's (the "Company") articles of association, determined that the following terms and conditions (the "Warrant Terms") shall apply to warrants (the "Warrants") issued to the European Investment Bank (the "Warrant Holder") according to the authorisation.

2.

ISSUE OF WARRANTS AND WARRANT CONSIDERATION

2.4

The Warrants are issued to the Warrant Holder in connection with the disbursement of loans according to the loan facility entered into between the Warrant Holder and the Company. In connection with each issuance of Warrants the Warrant Holder shall sign a warrant certificate (the "Warrant Certificate"). Warrants are issued free of charge, without payment of any kind from the Warrant Holder.

2.5

The Warrants and any shares subscribed for upon the exercise of the Warrants shall be issued without pre-emptive subscription rights for the Company's shareholders in accordance with the resolution referred to in paragraph **Fejl! Henvisningskilde ikke fundet.** above

2.6

The Company will, along with the Company's register of shareholders, keep a

list of the issued Warrants.

3.

3.4

Each Warrant may be exercised against payment of a subscription price in cash to the Company of DKK 1 per share of a nominal value of DKK 1 (the "Exercise Price"), subject, however, to the adjustment mechanisms set forth in clause 0.

3.5

As an alternative to receiving shares in the Company, the Warrant Holder has the right to require that the Company satisfy the exercise of the Warrants by way of net settlement.

3.6

The Warrant Holder is entitled to exercise the Warrants in full or in part at any time. Unexercised Warrants shall remain in the Warrant Holder's possession and shall not expire and lapse.

3.7

The Warrant Holder agrees and accepts to be bound by a customary lock-up agreement in the event of an IPO according to which Warrants may not be exercised/or settled for cash within 180 days from the date of completion of an initial public offering and official listing of shares of the Company (or the shares in any company or vehicle created by the Company's shareholders for such purpose) on a stock exchange or regulated market, including but not limited to a listing of American Depository Shares (ADS') in the United States (here and elsewhere in this document referred to as an "IPO"). Following an IPO clause 7.1 (f) shall cease to be of effective and shall become null and void. Additionally, the Warrant Holder agrees not to exercise the Warrants and/or claim settlement for a period of one (1) month following the first public

filing of the prospectus relating to an IPO. In no event shall the aggregate lock-up period exceed 180 days from the date of completion of the IPO.

3.9

The Parties agree that the lock-up agreement as set out in clause 3.4 shall cease to be effective and shall become null and void in the event that there is a materially adverse event relating to the Company and thereby affecting the Company in a materially adverse manner during the lock-up period described in clause 3.4, including but not limited to if the Company or its management is subject to a criminal investigation or is involved in any kind of fraudulent activities, money laundering activities, terror financing tax evasion and tax havens. The definition of a materially adverse event shall be determined according to ordinary principles of Danish law taking into account specifically the Company.

4.

PROCEDURE FOR EXERCISE OF WARRANTS

4.4

To exercise a Warrant, the Warrant Holder must give the Company written notice thereof (the "Exercise Notice"). Exercise Notice may be given by a Warrant Holder more than once, reference is made to section 0.

4.5

The Warrant Holder must within 10 business days from the date of the Exercise Notice pay in cash the Exercise Price for Warrants exercised into the bank account designated by the Company in the subscription list, failing which the Exercise Notice shall be deemed cancelled.

4.6

Upon the timely receipt by the Company of an Exercise Notice and the Exercise

Price from the Warrant Holder, the Company shall carry out the increase of the Company's share capital reflecting the exercise of Warrants and shall ensure and procure that the resolution is duly registered with the Danish Business Authority in accordance with applicable law. The Company's register of shareholders shall be updated to reflect the Warrant Holder's shareholding.

5.

CHANGES IN THE COMPANY'S CAPITAL STRUCTURE

5.4

Changes in the Company's capital structure which are not carried out at market price and thereby cause a change of the potential possibility of gain attached to a Warrant shall require an adjustment of the Warrants in accordance with this clause 5.

5.5

Adjustments shall be made so that the potential possibility of gain attached to a Warrant, in so far as possible, shall remain the same before and after the occurrence of the incident causing the adjustment. The adjustment shall be carried out by the Company's auditor according to recognized principles. The adjustment may be carried out either by an increase or decrease of the number of shares that can be issued following an exercise of a Warrant and/or an increase or decrease of the Exercise Price. The exercise price cannot, however, at any time be below nominal value of the shares.

5.6

Warrants shall not be adjusted as a result of the Company's issuance of additional employee shares, share options and/or warrants as part of employee share option schemes (including options to board members, advisors and consultants) as

well as future exercise of such options and/or warrants. Warrants shall, furthermore, not be adjusted as a result of capital increases following the Warrant Holders' and others' exercise of warrants in the Company. In addition the Warrant Holder shall, irrespective of this clause 5, not be entitled to adjustments in the event of capital increases in directed issues following an IPO (including a listing of ADSs in the USA) with customary discounts to market price of up to 10% on the listed price.

5.7

In the event of a merger where the Company is not the surviving company, unexercised Warrants shall be exchanged for new warrants in the surviving company, which shall entitle the Warrant Holder to subscribe for shares in the surviving company. The number of shares in the surviving company that can be subscribed for on the basis of the new warrants, and/or the Exercise Price, shall be adjusted to the extent that the terms of the exchange set out in the merger plan for the Company (compared to the value of the shares in the surviving company) provide a basis therefore. If funds are distributed to the shareholders of the Company in connection with the merger, the Exercise Price shall be reduced on the basis thereof.

5.8

In the event of a demerger of the Company, the Warrant Holder shall receive warrants in the receiving company (or companies) to an extent and on terms that entail that the terms for the Warrant Holder to the widest possible extent remain the same after the demerger. If funds are distributed to the shareholders of the Company in connection with the demerger, the Exercise Price shall be re-

duced on the basis thereof. The number of Warrants shall entitle the Warrant Holder to the same potential shareholding which an exercise of all Warrants prior to the demerger would have resulted in. Moreover, the terms applying to the warrants issued by the receiving company (or companies) shall be the same as the terms stipulated herein.

6.

LIQUIDATION

6.4

In the event of a solvent liquidation of the Company, the Warrant Holder may in whole or in part exercise all of its unexercised Warrants.

6.5

The Company must notify the Warrant Holder in writing of any resolution to enter into a solvent liquidation immediately after the adopting of such resolution. The Warrant Holder must within 3 months following the date of receipt of such notification deliver an Exercise Notice to the chairman of the Company's board of directors (on behalf of the Company) in accordance with clause **Fejl! Henvisningskilde ikke fundet.** above, which shall apply *mutatis mutandis*, if the Warrant Holder elects to exercise its Warrants. Any Warrants not exercised upon such 3 months period ending will lapse automatically, without notice and without any compensation.

7.

PUT OPTION

7.4

Subject to mandatory applicable law, the Company irrevocably grants the Warrant Holder the right (but not the obligation) to require the Company to cancel or purchase any Warrant granted to the Warrant Holder in consideration of the payment by the Company to the Warrant

Holder of the Fair Market Value of the Warrants (as defined in clause 0) (the "Put Option"). The Warrant Holder may exercise the Put Option in relation to any Warrant on and at any time after the occurrence of any of the following events ("Put Event"):

- (a) at any point in time on or after the occurrence of the sixth anniversary after the Warrant Holder has been granted the first Warrant;
- (b) any mandatory or voluntary prepayment in whole or in part of the Company's debt to the Warrant Holder;
- (c) an initial public offering and admission to trading and official listing of shares of the Company (or the shares in any company or vehicle created by the Company's shareholders for such purpose) on a stock exchange or regulated market, including but not limited to listing of American Depository Shares (ADS') in the United States;
- (d) a sale, assignment, transfer or other disposal of all (or substantially all) of the issued share capital in the Company;
- (e) a sale, assignment, transfer or other disposal of all (or substantially all) of the assets and undertakings of the Company;
- (f) any person or group of persons acting in concert gains Control of the Company or of any entity directly or ultimately Controlling the Company; or
- (g) Andreas Holm Mattsson and Niels Iversen Møller (individually or together) cease to own and Control directly or indirectly

more than 25% (twenty five per cent) of the voting rights or economic interest of the Company or be the beneficial owners directly or indirectly through wholly owned subsidiaries of more than 25% (twenty five per cent) of the issued share capital of the Company.

7.4.1

For the purpose of clause **Fejl! Henvistningskilde ikke fundet.**, "Control" shall mean the power (directly or indirectly) to (i) cast, or to control the casting of, more than 50% (fifty per cent.) of the maximum number of votes that might be cast at a general meeting of an entity, (ii) appoint or remove all, or the majority, of the directors of an entity; and/or (iii) give directions with respect to the operating and financial policies of an entity with which the directors of that entity are obliged to comply.

7.5

The Put Option shall be exercised by the Warrant Holder serving upon the Company an irrevocable notification ("Put Option Notice"). The Put Option Notice shall specify the Fair Market Value of the relevant Warrants, taking into account any adjustment under clause 0.

7.6

If within 20 business days from the Company's receipt of the Put Option Notice, the Company has not delivered a notice in writing to the Warrant Holder disputing the Fair Market Value ("Objection Notice"), the Company shall be deemed to have agreed the Fair Market Value specified in the Put Option Notice, and the Put Option Notice shall automatically become final and binding on the Parties.

7.6.1

If the Company has delivered an Objection Notice, the Warrant Holder shall refer the matter to an independent, interna-

tional and leading investment bank or a leading global firm of accountants (the "Expert") for determination in accordance with clause 0.

7.6.2

The Expert must within one month of the matter being referred to it, give written notice of its determination of Fair Market Value to the Company and the Warrant Holder, together with a written explanation setting out in reasonable detail the basis and methods used for the purposes of the calculations performed. The Expert's decision on Fair Market Value is binding upon the Company and the Warrant Holder, and the Fair Market Value set out in the Put Option Notice shall be deemed adjusted in accordance with the Expert's decision on Fair Market Value.

7.7

Within 20 business days of the Fair Market Value becoming final and binding, the Company must pay the aggregate Fair Market Value in respect of the relevant Warrants in cash by electronic transfer of funds for same day value to such bank account as the Warrant Holder has specified in the Put Option Notice, whereupon the relevant Warrants will be cancelled and of no further force and effect.

8.

FAIR MARKET VALUE

8.4

The valuation of the Fair Market Value prior to an IPO shall be determined:

(a)

on a fully diluted basis assuming exercise of all warrants outstanding;

(b)

by applying techniques that are appropriate in light of the nature, facts, and circumstances of the financial instrument;

(c)

using reasonable current market data and

- inputs combined with market participant assumptions; and
- (d) based on the price that would be received for an asset or paid to transfer a liability in an Orderly Transaction (as defined below), given market conditions at the measurement date, between market participants that are (i) independent of each other, (ii) knowledgeable of the market, (iii) able to transact and willing to transact, that is, they are motivated but not forced or otherwise compelled to do so.
- 8.5 The valuation shall be guided by the International Private Equity and Venture Capital Valuation Guidelines as such are amended from time to time.
- 8.6 Following an IPO the Fair Market Value shall mean the average VWAP of the Company's shares calculated for a period of six (6) months following the date of notification that the Put Option is being exercised. In the first six (6) months after an IPO, the Fair Market Value shall mean the average VWAP of the Company's shares calculated for the entire period from the IPO until the date of notification that the Put Option is being exercised.
- 8.7 For the purposes of this clause 0, "Orderly Transaction" means a transaction that assumes exposure to the market for a period prior to the measurement date to allow for marketing activities that are usual and customary for transactions involving the respective assets or liabilities.
- 9.**
- TERMS OF THE ISSUE OF SHARES**
- 9.4 The following shall apply for the new shares issued in connection with the ex-

11.**NOTICES**

11.4

Any communication by the Warrant Holder to the Company regarding all matters in these Warrant Terms shall be conducted via e-mail to the chairman of the Company's board of directors (to the e-mail address most recently notified to the Warrant Holder).

12.**COSTS**

12.4

The Company shall be liable for all taxes, duties, fees and other impositions of whatsoever nature, including stamp duty and registration fees, arising out of the creation, preparation, execution, implementation, perfection, registration, enforcement, amendment (including supplements and waivers) or termination resulting from the Warrant Terms, including but not limited to all costs in connection with issuing of the Warrants and the potential exercise hereof, except for any capital gain or income tax payable by, or imposed on, the Warrant Holder.

Selskabet har besluttet at indføre et incitamentsprogram for bestyrelse, direktion, øvrige medarbejdere samt rådgivere/konsulenter (herefter samlet benævnt "Warrantinnehavere") i/for Selskabet og dets eventuelle datterselskaber (herefter benævnt "Selskabet"). Programmet er baseret på vederlagsfri tildeling af warrants.

- 1.2. En warrant er en ret, men ikke en pligt, til i nærmere fastlagte perioder (udnyttelsesperioder) at tegne nye aktier i Selskabet til en kurs, der er fastsat på forhånd (udnyttelsesprisen). Udnyttelsesprisen fastsættes af bestyrelsen i forbindelse med hver udstedelse/tildeling af warrants. Én warrant giver ret til at tegne én ordinær aktie i Selskabet á nominelt DKK 1,00.

GENERAL

The Company has decided to introduce an incentive program for board members, management, other employees and advisors/consultants (hereinafter collectively referred to as "Warrant-holders") in/on behalf of the Company and its subsidiaries (collectively the "Company"). The program is based on grant of warrants without payment.

A warrant is a right, but not an obligation, during fixed periods (exercise periods) to subscribe for new ordinary shares in the Company at a fixed price (the exercise price) in advance. The exercise price shall be determined by the board of directors. Each warrant carries the right to subscribe for nominal DKK 1.00 per ordinary share in the

Company.

Warrants are offered at the discretion of the board of directors.

2. TILDELING AF WARRANTS

- 2.1. Det skal fremgå af den enkelte Warrantindehavers warrantaftale, hvor mange warrants Warrantindehaveren får tildelt, samt til hvilken kurs warrants kan udnyttes.

GRANT OF WARRANTS

The individual Warrantholder's warrant agreement shall describe how many warrants have been granted to the Warrantholder and the exercise price for the warrants.

- 2.2. Warrantindehaverne skal ikke betale noget vederlag for at få tildelt warrants.

The grant of warrants shall not be subject to payment from the Warrantholders.

- 2.3. Selskabet eller den til hvem kompetencen er delegeret fører en fortægnelse over tildelte warrants, der ajourføres løbende.

The Company or the Company's proxy shall keep records of granted warrants and update the records at regular intervals.

3. OPTJENING

- 3.1. Warrantindehaveren optjener som udgangspunkt ret til at udnytte warrants med 1/36 pr. måned regnet fra tildelingstidspunktet. Bestyrelsen skal dog være berettiget til at fravige nævnte udgangspunkt og bestemme, at tildelte warrants anses for optjent pr. tildelingstidspunktet, eller at der skal gælde særlige regler for optjeningen. Sådanne eventuelle fravigelser skal specificeres i vedtægterne i forbindelse med udstedelsen.

VESTING

The warrants granted shall, as a general rule, vest for exercise with 1/36 per month from the date of grant. The board of directors shall, however, be entitled to deviate from the general rule and determine that warrants shall vest as of the grant date, or that special rules shall apply in relation to vesting. Such deviations, if any, shall be specified in the articles of association in connection with the issuance.

- 3.2. En Warrantindehaver optjener kun warrants, så længe vedkommende er bestyrelsesmedlem eller ansat i Selskabet eller dets eventuelle datterselskaber.

Warrants shall only vest to the extent that the Warrantholder is currently a board member or employed by the Company or its subsidiaries, if any.

4. UDNYTTELSE

- 4.1. Optjente warrants kan udnyttes i to udnyttelsesperioder årligt på 21 dage. Hvis ikke andet fastsættes af bestyrelsen løber udnyttelsesperioderne i 21 dage fra og med henholdsvis den 1. maj og 1. oktober hvert år i perioden 2021-2031. I hvert af de første 4 udnyttelsesvinduer efter en børsnotering eller ADS listing i USA vil en Warrantinnehaver imidlertid maksimalt kunne udnytte 25% af sine samlede warrants (optjente og ikke optjente), forudsat yderligere at disse er optjent, jf. her særligt punkt 4.6 nedenfor. Har Warrantinnehaveren færre end 100 optjente warrants, kan disse Warrants altid udnyttes i et enkelt vindue. Herefter vil alle optjente warrants kunne udnyttes i de mulige udnyttelsesvinduer.
- 4.2. Hvis den sidste dag i en udnyttelsesperiode er en lørdag eller en søndag, omfatter udnyttelsesperioden også den herefter først-kommende hverdag.
- 4.3. Warrantinnehaveren kan frit vælge, i hvilken udnyttelsesperiode optjente warrants skal udnyttes, jf. dog punkt 4.5 nedenfor vedrørende væsentlig misligholdelse. Det er dog en betingelse for udnyttelsen, at Warrantinnehaveren i en given udnyttelsesperiode udnytter optjente warrants, der giver ret til tegning af minimum nominelt DKK 100 aktier i Selskabet (eller det mindre antal, som Warrantinnehaveren er blevet tildelt, eller som Warrantinnehaveren fortsat ejer).

EXERCISE

Vested warrants may be exercised in two annual exercise periods that run for 21 days. Unless the board of directors determines otherwise the exercise periods will run for 21 days from and including respectively 1 May and 1 October each year during the period 2021-2031. In each of the first 4 exercise windows following a listing of the Company's shares or an ADS listing a Warrantholder shall, however, only be entitled to exercise 25% of his/her warrants (vested and unvested), provided further that these are vested, see also clause 4.6 below. If the Warrantholder holds less than 100 vested warrants the warrants can always exercised in one separate window. After these 4 first exercise windows all vested warrants can be exercised in a window.

If the last day of an exercise period is a Saturday or Sunday, the exercise period shall also include the first weekday immediately following the stipulated period.

The Warrantholder shall be free to choose in which exercise vested warrants shall be exercised, cf. however, clause 4.5 below regarding material breach. It is, however, a condition for exercise that the Warrantholder in a given exercise period exercises vested warrants, which provides for subscription of minimum nominal DKK 100 shares in the Company (or such lower amount as the Warrantholder has been granted or still holds).

- 4.4. De warrants, som Warrantinnehaveren ikke udnytter i den sidste udnyttelsesperiode, bortfalder uden yderligere varsel og uden kompenstation eller vederlag af nogen art til Warrantinnehaveren.
- Warrants not exercised by the Warrantholder during the last exercise period shall become null and void without further notice and without compensation or payment of any kind to the Warrantholder.
- 4.5. Warrantinnehaverens udnyttelse af warrants forudsætter som udgangspunkt, at Warrantinnehaveren er ansat i Selskabet eller et koncern forbundet selskab på det tidspunkt, hvor warrants udnyttes. I tilfælde af ansættelsesforholdets ophør gælder de i punkt 5 nedenfor indeholdte bestemmelser.
- The Warrantholder's exercise of warrants shall generally require that the Warrantholder is employed by the Company or any affiliated group company at the time of exercise. In the event of termination of the employment the terms and conditions included in clause 5 below shall apply.
- 4.6. Selskabets bestyrelse er i tilfælde af at Selskabet børsnoteres eller der noteres ADS'er i USA berettiget til énsidigt at ændre udnyttelsesperioderne, således at udnyttelsesperioderne tilpasses de til enhver tid gældende regler for insider-handel, hvilket med mindre bestyrelsen beslutter andet vil sige at der vil være fire udnyttelsesperioder på to uger hver, som ligger umiddelbart efter selskabets aflæggelse af årsrapporten, kvartalsrapporterne og halvårsrapporten.
- In the event of a listing of the Company's shares, or an ADS listing on a stock exchange, the Company's board of directors, at its discretion, is entitled to change the exercise periods in order to adapt to applicable rules on insider trading, which unless the board of directors determine otherwise will mean that there will be four exercise periods of two weeks each following respectively the reporting of an annual report, quarterly reports and the interim 6-months' report.
- 4.7. I forbindelse med en notering af ADS'er på Nasdaq, USA, har Selskabets bestyrelse i henhold til pkt. 4.1 truffet beslutning om at fastsætte udnyttelsesvinduerne for udstedte warrants således:
- In connection with a listing of ADSs on Nasdaq, USA, the board of directors has resolved, pursuant to clause 4.1, to determine the exercise windows for issued warrants as follows:
- Optjente warrants kan udnyttes i fire årlige udnyttelsesvinduer på 2 uger, som hver ligger to handeldage efter offentliggørelsen af henholdsvis Selskabets årsrapport, halvårsregnskabet samt kvartalsmeddelelsene. Første udnyttelsesperiode indtræder dog tidligst 180 dage efter Selskabets notering af ADS'er på Nasdaq, USA, og i de Vested warrants may be exercise in four annual exercise windows of two weeks each that each commence two trading days following publication of the Company's annual report, the 6-month report and the interim reports. The first exercise window shall, however, be at least 180 days following

the listing by the Company of ADSs on Nasdaq, USA and in the first four exercise periods the warrantholder may as a maximum exercise 25% of the warrants granted to the respective warrantholders, provided always that the warrants have vested.

5. FRATRÆDEN

- 5.1. Warrantinnehaverens udnyttelse af optjente warrants er reguleret ovenfor i punkt 4.

I tilfælde af bestyrelseshvervets eller ansættelsesforholdets ophør bevarer Warrantinnehaveren retten til at udnytte warrants, som allerede er optjente på tids punktet for bestyrelseshvervet eller ansættelsesforholdets ophør, dvs. fra og med den første dag, hvor Warrantinnehaveren ikke længere har krav på at modtage honorar eller løn fra Selskabet, uanset om Warrantinnehaveren faktisk ophører med at fungere på et tidligere tidspunkt, samt retten til at udnytte eventuelle warrants, som senere måtte blive optjent i henhold til punkt 3 ovenfor.

- 5.2. Uanset det ovenfor anførte gælder, at så fremt bestyrelseshvervet eller ansættelsesforholdet med Warrantinnehaveren bringes til ophør af Selskabet som en følge af Warrantinnehaverens misligholdelse, bortfalder alle warrants (optjente og ikke-optjente) dog uden yderligere varsel og uden kom pensation eller vederlag af nogen art til Warrantinnehaveren.

RESIGNATION

The Warrantholder's exercise of vested warrants is regulated above in section 4.

In the event of termination of the board position or employment, the Warrantholder keeps his/her right to exercise warrants already vested at the time the board position or employment is terminated, meaning from the first day when the Warrantholder is no longer entitled to a salary or fees from the Company, notwithstanding that the Warrantholder has actually ceased to perform his/her duties at an earlier date, as well as his/her right to exercise any warrants that may vest later pursuant to section 3 above.

Irrespective of the above, if the Company terminates the board membership or employment contract due to the Warrantholder's breach of contract, all warrants (vested and unvested) shall become null and void without further notice and without compensation or payment of any kind to the Warrantholder.

6. JUSTERING AF WARRANTS

- 6.1. Hvis der sker ændringer i Selskabets kapitalforhold, der medfører en ændring af den

potentielle gevinstmulighed, der er knyttet til en warrant, skal warrants justeres i henhold til nærværende punkt 6.

- 6.2. En justering skal ske, således at den potentielle gevinstmulighed, der er knyttet til en warrant, så vidt muligt er den samme som før og efter indtræden af den hændelse, der begrunder justeringen. Justeringen gennemføres med bistand fra Selskabets eksterne rådgiver. Justeringen kan ske enten ved en forøgelse eller en formindskelse af det antal aktier, der kan udstedes i henhold til en warrant, og/eller en forøgelse eller formindskelse af udnyttelseskursen.
- 6.3. Selskabets udstedelse af medarbejderakterier, aktieoptioner og/eller yderligere warrants som led i medarbejderaktieordninger (herunder til bestyrelsesmedlemmer) såvel som senere udnyttelse af sådanne optioner og/eller warrants, medfører ikke krav på justering af warrants. Den kapitalforhøjelse, der finder sted som følge af Warrantinnehavernes udnyttelse af warrants i Selskabet, medfører heller ikke justering af warrants. Herudover skal warrantinnehaveren, uanset punkt 6.5, ikke være berettiget til justering, såfremt der sker aktiedelser til under markedskurs, som en følge af eksempelvis udvandingsbestemmelser i den for Selskabets aktionærers gældende ejeraftale som medfører en udvanding af Selskabets ordinære aktier eller ved konvertering af konvertible obligationer, som blev udstedt til markedskurs, uanset, at selve konverteringen sker til favørkurs på konverteringstidspunktet.

tential possibility of gain attached to a warrant shall require an adjustment of the warrants in accordance with this clause 6.

Adjustments shall be made so that the potential possibility of gain attached to a warrant, in so far as possible, shall remain the same before and after the occurrence of the incident causing the adjustment. The adjustment shall be carried out with the assistance of the Company's external advisor. The adjustment may be effected either by an increase or decrease of the number of shares that can be issued following an exercise of a warrant and/or an increase or decrease of the exercise price.

Warrants shall not be adjusted as a result of the Company's issue of additional employee shares, share options and/or warrants as part of employee share option program (including options to board members) as well as future exercise of such options and/or warrants. Warrants shall, furthermore, not be adjusted as a result of capital increases following the Warrantholders' and others' exercise of warrants in the Company. In addition the Warrantholder shall, irrespective of clause 6.5, not be entitled to adjustments in the event of capital increases below market price if e.g. anti-dilution provisions in the shareholders' agreement for the Company's shareholders results in a dilution of the Company's ordinary shares or in connection with convertible bonds, issued at market price, irrespective of whether the conversion itself takes place at a discount

Enhver regulering af udnyttelseskursen og/eller det antal aktier som kan tegnes ved udnyttelse af warrants i henhold til dette pkt. 6 skal alene gælde for warrants, som endnu ikke er udnyttet på det tids-punkt, der medfører en regulering. Allere-de udnyttede warrants påvirkes ikke af reguleringer.

upon conversion.

Any adjustments of the exercise price and/or and/or the number of shares that can be subscribed for by exercising the warrants pursuant to this clause 6 shall only apply to warrants not exercised by the Warrantholder at the time of the event triggering the adjustment. No adjustment shall affect already exercised warrants.

6.4. Fondsaktier:

Hvis det besluttes at udstede fondsaktier i Selskabet, skal warrants justeres således:

Udnyttelsesprisen på enhver endnu ikke udnyttet warrant ganges med faktoren:

$$\alpha = \frac{A}{(A+B)}$$

og antallet af endnu ikke udnyttede war-rants ganges med faktoren:

$$\frac{1}{\alpha}$$

hvor:

A = den nominelle aktiekapital før udste-delsen af fondsaktier, og

B = den samlede nominelle værdi på fondsaktierne.

Hvis det justerede antal aktier ikke er et helt tal, skal der afrundes nedad til det nærmeste hele tal.

Bonus Shares

If it is decided to issue bonus shares in the Company, warrants shall be ad-justed as follows:

The exercise price for each warrant not yet exercised shall be multiplied by the factor:

$$\alpha = \frac{A}{(A+B)}$$

and the number of warrants not yet exercised shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = the nominal share capital before issue of bonus shares, and

B = the total nominal value of bonus shares.

If the adjusted number of shares does not amount to a whole number, the number shall be rounded down to the

6.5. Kapitalændringer til en anden kurs end markedskurserne:

Hvis det besluttes at forhøje eller nedsætte aktiekapitalen i Selskabet til en kurs under markedskurserne (vedrørende kapitalned-sættelser også til over markedskurserne), skal warrants justeres således:

Udnyttelsesprisen på enhver endnu ikke udnyttet warrant ganges med faktoren:

$$\alpha = \frac{(A \times K) + (B \times T)}{(A+B) \times K}$$

og antallet af endnu ikke udnyttede warrants ganges med faktoren

$$\frac{1}{\alpha}$$

hvor:

A = den nominelle aktiekapital før ændringen i kapitalen

B = den nominelle ændring i aktiekapitalen

K = aktiens markedspris / lukkekurs dagen forinden annoncering af ændringen i aktiekapitalen, og

T = tegningskurs/nedsættelseskurs ved ændringen i aktiekapitalen

Hvis det det justerede antal aktier ikke er

nearest whole number.

Changes of capital at a price different from the market price:

If it is decided to increase or decrease the share capital in the Company at a price below the market price (in relation to capital decreases also above the market price), warrants shall be adjusted as follows:

The exercise price for each non-exercised warrants shall be multiplied by the factor:

$$\alpha = \frac{(A \times K) + (B \times T)}{(A+B) \times K}$$

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = nominal share capital before the change in capital

B = nominal change in the share capital

K = market price / closing price of the share on the day prior to the announcement of the change in the share capital, and

T = subscription price/reduction price in relation to the change in the share capital

If the adjusted number of shares does

et helt tal, skal der afrundes nedad til det nærmeste hele tal.

not amount to whole numbers, each number shall be rounded down to the nearest whole number.

Såfremt Selskabet er børsnoteret skal der ikke ske regulering i tilfælde af fravigelser fra den noterede kurs på 10% eller mindre.

In the event the Company is listed no adjustments shall take place in the event that the deviation from the listed price is 10% or less.

6.6. Ændringer i den enkelte aktie pålydende værdi:

Hvis det besluttes at ændre aktiernes pålydende værdi, skal warrants justeres således:

Udnyttelsesprisen på enhver endnu ikke udnyttet warrant ganges med faktoren:

$$\alpha = \frac{A}{B}$$

og antallet af endnu ikke udnyttede warrants ganges med faktoren:

$$\frac{1}{\alpha}$$

hvor:

A = den enkelte aktie nominelle værdi efter ændringen, og

B = den enkelte aktie nominelle værdi før ændringen.

Hvis det justerede antal aktier ikke er et helt tal, skal der afrundes nedad til det nærmeste hele tal.

Changes in the nominal value of each individual share:

If it is decided to change the nominal value of the shares, warrants shall be adjusted as follows:

The exercise price for each non-exercised warrant shall be multiplied by the factor:

$$\alpha = \frac{A}{B}$$

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = nominal value of each share after the change, and

B = nominal value of each share before the change.

If the adjusted number of shares does not amount to a whole number, the number shall be rounded down to the nearest whole number.

6.7. Udbetaling af udbytte:

Hvis det besluttes at udbetale udbytte, skal den del af udbyttet, der overstiger 10 % af egenkapitalen, medføre en justering af udnyttelsesprisen efter denne formel:

$$E2 = E1 - \frac{U - U_{max}}{A}$$

hvor:

E2 = den justerede udnyttelsespris

E1 = den oprindelige udnyttelsespris

U = det udbetalte udbytte

Umax = 10 % af egenkapitalen, og

A = det samlede antal aktier i Selskabet.

Den egenkapital, der skal lægges til grund ved ovenstående justering, er egenkapitalen anført i den årsrapport som godkendes af generalforsamlingen hvor udbytte besluttet, men justeret til markedsværdi. Hvis Selskabet er børsnoteret, fastsættes markedsværdien til aktiernes noterede pris på tidspunktet for beslutningen om at udbetale udbytte. Hvis Selskabet er unoteret, fastsættes markedsværdien fra seneste kapitalrunde i Selskabet hvor en eller flere investorer har tegnet aktier.

Payment of dividend:

If it is decided to pay dividends, the part of the dividends exceeding 10 per cent of the equity capital shall lead to adjustment of the exercise price according to the following formula:

$$E2 = E1 - \frac{U - U_{max}}{A}$$

where:

E2 = the adjusted exercise price

E1 = the original exercise price

U = dividends paid out

Umax = 10 per cent of the equity capital, and

A = total number of shares in the Company.

The equity capital which shall form the basis of the abovementioned adjustment is the equity capital stipulated in the Annual Report to be adopted at the General Meeting where dividends shall be approved before allocation, but adjusted to market price. If the Company is listed then the market price shall be the listed price of the shares at the time of the decision to pay dividends. If the Company is unlisted then the market price shall be determined by the latest investment round in the Company, in which one or more investors have subscribed shares.

6.8. Andre ændringer i Selskabets kapitalforhold:

Hvis der sker andre ændringer i Selskabets kapitalforhold, der medfører en ændring i warrants økonomiske værdi, skal (medmindre andet er angivet ovenfor) warrants justeres, således at ændringen ikke påvirker warrants økonomiske værdi.

Other changes in the Company's capital position:

In the event of other changes in the Company's capital position causing changes to the financial value of warrants, warrants shall (unless otherwise indicated above) be adjusted in order to ensure that the changes do not influence the financial value of the warrants.

Den beregningsmetode, der skal anvendes ved justeringen, fastsættes af en af bestyrelsen valgt ekstern rådgiver.

The calculation method to be applied to the adjustment shall be decided by an external advisor appointed by the board of directors.

Det præciseres, at forhøjelse eller nedsættelse af Selskabets aktiekapital til markedskurs ikke medfører, at der skal finde regulering sted af tegningskursen eller antallet af aktier, der kan tegnes.

It is emphasized that increase or decrease of the Company's share capital at market price does not lead to an adjustment of the subscription price or the number of shares to be subscribed.

6.9. Likvidation:

Hvis Selskabet bliver likvideret, fremskynes et evt. optjeningstidspunkt for alle uudnyttede warrants, således at Warrant-indehaveren kan udnytte warrants i en ekstraordinær udnyttelsesperiode umiddelbart før den pågældende transaktion finder sted.

Liquidation:

Should the Company be liquidated, the vesting time, if any, for all non-exercised warrants shall be changed so that the Warrantholder may exercise his/her warrants in an extraordinary exercise period immediately preceding the relevant transaction.

6.10. Fusion og spaltning:

Hvis Selskabet indgår i en fusion som det fortsættende selskab, bliver warrants ikke påvirket, medmindre der i forbindelse med fusionen sker en kapitalforhøjelse til en anden kurs end markedskurseren, idet warrants i så fald justeres i henhold til punkt 6.5.

Merger and split:

If the Company merges as the continuing company, warrants shall remain unaffected unless, in connection with the merger, the capital is increased at a price other than the market price and in that case warrants shall be adjusted in accordance with clause 6.5.

Hvis Selskabet fusionerer som det ophørende selskab eller bliver spaltet, kan det fortsættende selskabs bestyrelse vælge én af disse muligheder:

- a) Warrantinnehaveren kan umiddelbart inden fusionen/spaltningen udnytte alle ikke udnyttede warrants, der ikke er bortfaldet (inklusive warrants der endnu ikke er optjent), eller
- b) warrants erstattes af nye aktie/aktieinstrumenter i de(t) fortsættende selskab(er) af tilsvarende økonomisk værdi før skat. Ved spaltning kan de fortsættende selskaber selv bestemme, i hvilke(t) selskab(er) Warrantinnehaverne skal modtage de nye aktie/aktieinstrumenter.

6.11. Salg og aktieombytning:

Hvis mere end 50% af aktiekapitalen i Selskabet bliver solgt (ikke tegnet eller udstedt) eller indgår i en aktieombytning, kan bestyrelsen vælge én af disse muligheder:

- a) Warrantinnehaveren kan umiddelbart inden salget/aktieom-bytningen udnytte alle ikke-udnyttede warrants, der ikke er bortfaldet (inklusive warrants der endnu ikke er optjent). Herudover indtræder der en pligt, hvorefter Warrantinnehaverne skal sælge de tegnede aktier på samme vilkår som de øvrige aktionærer (ved salg).

If the Company merges as the terminating company or is split, the continuing company's board of directors may elect one of the following possibilities:

- a) The Warrantholder may exercise all non-exercised warrants that are not declared null and void (inclusive of warrants not yet vested) immediately before the merger/split, or
- b) new share instruments in the continuing company/companies of a corresponding financial pre-tax value shall replace the warrants. On split the continuing companies may decide in which company/companies the Warrantholders shall receive the new share instruments.

Sale and exchange of shares:

If more than 50 per cent of the share capital in the Company is sold (not subscribed or issued) or is part of a share swap, the board of directors may elect one of the following possibilities:

- a) The Warrantholder may exercise all non-exercised warrants that are not declared null and void (inclusive of warrants not yet vested) immediately before the sale/swap of shares. Furthermore, the Warrantholder shall undertake an obligation to sell the subscribed shares on the same conditions as the other shareholders (when selling)

- b) Tildelte warrants erstattes af aktieinstrumenter i det erhvervende selskab af tilsvarende økonomisk værdi før skat.
- c) Tildelte warrants fortsætter uændret.

6.12. Fælles bestemmelser vedrørende 6.9-6.11:

Selskabet er forpligtet til at give Warrantindehaveren skriftlig meddelelse, hvis en af de ovenfor nævnte transaktioner finder sted. Når Warrantindehaveren har modtaget den skriftlige meddelelse, har Warrantindehaveren – i de tilfælde, hvor Warrantindehaveren ekstraordinært kan udnytte warrants, jf. 6.9-6.11 – 2 uger til skriftligt at informere Selskabet om, hvorvidt han/hun vil gøre brug af tilbuddet. Hvis Warrantindehaveren ikke har givet Selskabet skriftligt svar inden 2-uger eller undlader at betale inden for den betalingsfrist, der er fastsat, bortfalder warrants uden yderligere varsel og uden kompensation. Udnyttelseskursen kan ikke komme under aktiernes nominelle værdi.

Warrantindehaverens rettigheder i anledning af en beslutning truffet af et kompetent organ i selskabet, jf. 6.9-6.11, er betinget af, at den relevante beslutning efterfølgende registreres i Erhvervsstyrelsen, hvis registrering er en gyldighedsbetingelse.

7. OVERDRAGELSE, PANTSÆTNING OG KREDITORFORFØLGNING

- 7.1. Tildelte warrants kan ikke gøres til genstand for udlæg, overdrages eller på anden

- b) Share instruments in the acquiring company of a corresponding pre-tax value shall replace the granted warrants.
- a) Granted warrants continue unchanged.

Common provisions regarding 6.9-6.11:

If one of the transactions mentioned above is made, the Company shall inform the Warrantholder hereof by written notice. Upon receipt of the written notice, the Warrantholder shall – in cases where the Warrantholder may extraordinarily exercise warrants, see 6.9-6.11 – inform the Company in writing whether he/she will make use of the offer. If the Warrantholder has not answered the Company in writing within 2 weeks or fails to pay within the fixed time, warrants shall become null and void without further notice or compensation. The exercise price cannot go below the nominal value of the shares.

The Warrantholder's rights in connection with decisions made by any competent company body, see clause 6.9-6.11, shall be contingent on subsequent registration of the relevant decision with the Danish Business Authority provided that registration is a condition of its validity.

TRANSFER, PLEDGE AND ENFORCEMENT

Warrants shall not be subject to charging orders, transfer of any kind, in-

måde overføres, ej heller i forbindelse med bodeling, og hverken til eje eller til sikkerhed, uden bestyrelsens samtykke. Warrantindehaverens warrants kan dog overgå til Warrantindehaverens ægtefælle/samlever og/eller livsarvinger i tilfælde af Warrantindehaverens død. Det er en betingelse herfor, at modtageren underskriver den gældende warrantaftale samt, såfremt dette kræves af bestyrelsen, en ejeraftale.

cluding in connection with division of property on divorce or legal separation, for ownership or as security without the consent of the board of directors. The Warrantholder's warrants may, however, be transferred to the Warrantholder's spouse/cohabitant and/or issue in the event of the Warrantholder's death. It is a condition precedent that the recipient signs the applicable warrant agreement and, to the extent required by the board of directors, a shareholders' agreement.

8. TEGNING AF NYE AKTIER VED UDNYTTELSE AF WARRANTS

- 8.1. Tegning af nye aktier ved udnyttelse af tildelede warrants finder sted ved, at Warrantindehaveren afleverer en af Selskabet udarbejdet udnyttelsesmeddelelse til Selskabet senest kl. 16:00 CET den sidste dag i den relevante udnyttelsesperiode. Udnyttelsesmeddelelsen skal være udfyldt med alle informationer. Udnyttelsesprisen for de nye aktier, der skal betales ved et kontant indskud, skal være modtaget af Selskabet senest på den sidste dag i den relevante udnyttelsesperiode.

- 8.2. Hvis den i punkt. 8.1 angivne frist overskrides, enten således at udnyttelsesmeddelelsen i udfyldt stand eller betalingen ikke er Selskabet i hænde inden kl. 16 på den sidste dag i udnyttelsesperioden, anses tegningen for ugyldig, og Warrantindehaveren kan i denne situation ikke anses for herved at have udnyttet sine warrants for en eventuel efterfølgende udnyttelsesperiode.

SUBSCRIPTION FOR NEW SHARES BY EXERCISE OF WARRANTS

Subscription for new shares by exercise of granted warrants must be made through submission by the Warrantholder no later than the last day of the relevant exercise period at 16:00 CET to the Company of an exercise notice drafted by the Company. The exercise notice shall be filled in with all information.
